A word from the President

The pear production, import and export statistics data indicated in this page concern the production of the major grower countries. All pear production, export and import data is official and delivered by the French Ministry of Agriculture and the Statistical Division (FAOSTAT) of the Food and Agriculture Division of The United Nations (FAO). China is the world's largest pear producer followed by Italy, United States, Argentina, Spain, Republic of Korea, Japan and Turkey. Argentina is the world's largest pear exporter followed by China, Netherlands, Belgium, United States, Italy, South Africa, Chile and Spain.

All the production, import and export volumes are in metric tons (MT)
