Fresh fruit importer since 1999

### A word from the President

The production, import and export statistics data indicated in this page concern the production of the major grower countries who are in trade relations with France. All production, export and import data is official and confirmed by the French Ministry of Agriculture and the Statistical Division (FAOSTAT) of the Food and Agriculture Division of The United Nations (FAO). China is the largest tomato producer. United States, Turkey and India follow China. Spain is the largest exporter in Europe followed by Netherlands, Turkey, Morocco, Belgium, France and Italy.

All the production, import and export volumes are in metric tons (MT)
