NOVAGRIM

Fresh fruit importer since 1999

[A word from the President](#)

The production, import and export statistics data indicated in this page concern the production of the major grower countries. All production, export and import data is official and delivered by the French Ministry of Agriculture, EUROSTAT and the Statistical Division of the Food and Agriculture Division of The United Nations (FAO). Russia is the world's largest raspberry producer followed by Serbia, Poland, U.S.A and Ukraine. Poland is the world's largest raspberry exporter followed by Spain, Serbia, Chile, Canada, Austria, Germany, Netherlands and France.

All the production, import and export volumes are in metric tons (MT)
