Company Overview

Arielle Mechanical Services, operating as Arielle Contracting Services, is a Louisville-based contracting firm specializing in commercial and residential renovations, mechanical support services, and full-scope interior build-outs. We deliver efficient, code-compliant, and schedule-driven solutions for property owners, nonprofits, government agencies, and community development organizations.

Our disciplined, system-driven approach is rooted in logistics, operations, and field-level execution. We are committed to quality craftsmanship, transparent communication, and community-centered development across Louisville, Jeffersontown, Middletown, Fern Creek, and surrounding areas.

Core Competencies

General Contracting & Renovation

- Interior & exterior remodeling
- Commercial tenant build-outs
- Demolition, framing, drywall, finish carpentry
- Flooring installation (LVP, tile, hardwood)
- Window & door replacement
- ADA compliance upgrades
