

New *Peninsula Store* Is Open!

Owner / operators Ivy and Elvis are back in Belize doing what they do best – running a clean, well-stocked shopping option for Belizean residents. They've owned multiple stores along the peninsula over the years and, after a brief hiatus, have returned to fill the high (and somewhat picky) demand of Maya Beach.

Their supply is still very limited, but new items are arriving each day and they tell us they plan to stock a wide variety of imported food items as well as locally-grown fresh produce.

It's *KAYAKING* Season!

Tide and weather conditions in October are perfect for being on the water and we highly recommend taking advantage of this fact.

Launching oceanside by 8AM is ideal for avoiding overly hot temperatures and launching lagoonside around 4PM is optimal for sunset views. Wait for a day where the water is glass-smooth and you'll be in for a treat.

We have life vests for those who are less comfortable on the water, but this will be the easiest ocean kayaking you will ever experience.

Azure del Mar To Close For 3 Weeks!

Our favorite beach / lounge / pool / happy-hour option is closing on October 10 for annual property upgrades and employee vacation.

Now that The Maya Beach Bistro is back open (and under new ownership), we still have good food options during the slow season.

Green Parrot, Rum Bum and Jaguar Lanes are all open at the moment as well.
