PROOF OF CITIZENSHIP: PASSPORTS AND VISAS

Documentation is required by foreign governments for all trips outside Canada. You should visit Global Affairs Canada at <https://travel.gc.ca/> for general information about passports and visa requirements. Some countries require a visa in addition to a valid passport for entry, so it is important that you check with the appropriate foreign

consulate or embassy for specific entry requirements and details you need to know regarding how and when to obtain the visa. Please remember the possession of valid passports and necessary visas are the responsibility of each client/passenger. If you would like assistance in ensuring you have the proper visa(s) for your trip outside of Canada, we would be happy to refer you to a company that can assist you.

We strongly recommend that you have a valid passport (with seven-month validity) for all travel outside Canada.

Please be advised transit visas may be required if connecting through a country on route to your final destination.

INSURANCE

When travelling outside Canada, health insurance is required. Contact your booking agent for more details.

TRAVEL CONDITIONS

There may be different living standards and practices and different standards and conditions with respect to the provision of services and accommodations outside of Canada.

An Egyptian visa is required for this tour and costs approximately 25 US Dollars. You must obtain your own visa upon your arrival in Egypt. Visas can be obtained at the airport and payment should be made in cash. Rates are subject to change at any time based on governing authority.

Due to cabin configuration, triple and child accommodations are not available.

To complete your tour, we include roundtrip airport-to-hotel transfers when purchasing our airfare with your tour. If you have arranged for your own air, we are pleased to provide you the option of *purchasing* these transfers. Please note that all transfers will leave at pre-scheduled times.

The days and order of sightseeing may change to best utilize your time on tour.

Single accommodations are limited and are available on a first come, first served basis.

*Grand Egyptian Museum is projected to open in 2021. If opening is delayed, groups will visit the Egyptian Museum of Antiquities.

**Due to flight schedules, the Abu Simbel option must be purchased at time of booking.

The Egyptian Government charges a camera and/or video fee of approximately 18 US Dollars for taking photos inside of the Valley of the Kings. There is an additional cost to enter special tombs and sites in the Valley of the Kings and at the Pyramids of Giza. We cover the entrance fee to many sites and to some special tombs/sites (King Tutankhamun and King Ramses VI tombs in the Valley of the Kings and to the Great Pyramid of Giza in Cairo) but other special tombs/sites will be at your expense. Rates are subject to change at any time based on governing authority. Your Tour Manager will collect these fees at the beginning of the tour day and pay the government accordingly.

***Visiting the Great Pyramid of Pharaoh Cheops in Giza requires agility as you will have to climb up steep, narrow steps (approximately 1-1 ½ feet tall) on the side of the Pyramid without the help of handrails. To access the inner chamber, you will need to crouch and at times to crawl up the narrow shaft with minimal help of handrails. This activity is not suitable for people suffering from claustrophobia.

Museum visits and shopping may be affected by observance of religious or local holidays. If travelling during the month of Ramadan, please note that the order of some features may vary and that some meal experiences may be replaced with meals in the hotel instead of local restaurants/venues. Ramadan observances are from March 23-April 24, 2023.

The overall activity level of this tour is a level 3. This means you're an on-the-go traveller. You don't want to miss a thing, so walking and standing for longer periods of time (1-2 hours) isn't a big deal. You can navigate hills and uneven ground, climb into various modes of transportation (tuk-tuk, cable car, Zodiac, etc.), and could possibly anticipate changes in elevation. Our itineraries include many activities that require walking on uneven terrain and sand. Visiting the Tombs of the Valley of the Kings requires descending steep staircases and/or ramps with limited help from handrails. These visits may not be suitable for people suffering from claustrophobia. Some of the most unique sightseeing can mean accessing locations that restrict motor

coaches, especially in historic areas. For your comfort, we recommend bringing sturdy walking shoes. You can expect some longer days balanced with free-time to recharge or set out on your own adventure. Temperatures can reach over 100° F (37° C), particularly in Luxor and Aswan. Be sure to bring adequate sun protection. For inter-flights between Luxor and Aswan, you should expect early morning departures from your hotel due to early morning flight schedules. You should also expect early morning departures on the days the Valley of the Kings and Pyramids of Giza are featured.

Each guest is responsible for proper medical documentation and inoculations that may be required and/or recommended to participate on this tour. Please contact your local travel clinic or personal doctor for specific details on the destinations you are travelling to and from.

Passport numbers are required in advance. Please provide yours at time of booking.

Please be advised many airlines do not provide advance seat assignments until check-in at the airport. Advance seating will be subject to the airline's terms and conditions.

The internal flights on this program are not included in the land price of your tour. All air, including internal flights, can be purchased through us. Internal flights that are purchased will be ticketed and distributed on tour by your Tour Manager.

Economy air rate and schedule are applicable for groups of 10 or more travelling on the same flights and dates.

Cairo

Abu Simbel Day

\$548 CAD

Visit the great sun temples of Abu Simbel, built by Ramses II at the height of his New Kingdom reign. In one of the world's greatest cooperative preservation efforts, these temples were dismantled and moved in 1968 to save them from the flooding of the Aswan Dam. The Temple of Ramses II was constructed so that the sun's rays would illuminate four statues of Egyptian deities within the sanctuary on his birthday and on the anniversary of his coronation, October 20 and February 20. The temple is fronted by four colossal figures of Ramses II seated with the gods and attended by his Queen and daughters. The smaller temple is dedicated to Queen Nefertari, who appears as Hathor, the goddess of love, joy and fertility. Please note: this option must be booked at least 65 days prior to departure and passport number is required at time of booking; this option is non-refundable within 45 days of departure. *Duration: Approximately 6 hours.* Please note a minimum of 10 passengers is required. Transportation is included.

An Evening in Luxor

\$90 CAD

Begin your evening with a nighttime visit to Luxor Temple. After dusk, the temple is lit up, boasting fascinating plays of light and shadow off the reliefs and colonnades. Explore the inner chambers of the temple, including Amenhotep III's "birth room" – which depicts scenes of the Pharaoh's symbolic divine birth. Walk along the Avenue of Sphinxes, a 1 and half mile stretch once connecting Luxor Temple to Karnak Temple and lined with mysterious human-headed sphinxes. Then, delve deeper into the local culture with a visit to the historic Abu al-Haggag Mosque, perched atop the ruins of Luxor Temple. Cap your evening off with a visit to a local café for a taste of mint tea. *Duration: Approximately 3 hours.* Please note a minimum of 10 passengers is required. Transportation is included.

Sakkara and Coptic Cairo with Lunch

\$192 CAD

Tour Sakkara, the sweeping necropolis and pyramid field of Memphis, Egypt's first Capital. This is where pyramid building first began, 47 centuries ago when chief architect Imhotep built the grand step pyramid in honour of King Djoser. In company of an expert Egyptologist, visit this expansive burial complex counting 11 pyramids and the impressive Serapeum, the burial site of the sacred Apis bulls. After lunch in a local restaurant, explore Cairo's Coptic and Jewish heritage with visits to the Hanging Church and the Ben Ezra synagogue. A maze of ancient and modern churches and monasteries, set within the walls of a Babylonian fortress, Coptic Cairo is a fascinating corner of Egypt's capital. This option operates at same time of "Alexandria & its Library Full Day with Lunch" so guests must pick only one. *Duration: Approximately 7 hours.* Please note a minimum of 10 passengers is required. Transportation is included.

Alexandria & its Library Full Day with Lunch

\$227 CAD

Join a full day excursion to Alexandria, Egypt's second-largest city. A 3-hour journey takes you to the shores of the Mediterranean Sea, where Alexander the Great founded the city during the Hellenistic period. Alexandria was home to a lighthouse ranking among the Seven Wonders of the Ancient World as well as a storied library. Today the library is reincarnated in the disc-shaped, ultramodern Bibliotheca Alexandrina, which you visit during your tour. The city also has Greco-Roman landmarks, old-world cafes and sandy beaches that you explore on a panoramic tour before enjoying lunch at a local restaurant. Return to Cairo in the evening. This option operates at same time of "Sakkara and Coptic Cairo with Lunch." Please select only one of these options. *Duration: Approximately 12 hours.* Please note a minimum of 10 passengers is required. Transportation is included.
