Begin the morning exploring flavours of the island at a local bakery in Ano Mera, a traditional rural village with picturesque whitewashed chapels and iconic blue trimmings. Later, visit a local farm where you learn about the traditions and history of cheese making, a craft that in Mykonos achieves almost the status of a local art form with secrets passed down through the generations. Sample Xinotiro, Kopanisti, and Vrasto cheeses and freshly-made yogurt, all produced at the farm, followed by a light lunch. *Duration: Approximately 7.5 hours.* Please note a minimum of 15 passengers is required. Transportation is included.

Tour the awe-inspiring House of Dionysus, a relic from the 4th-century BC containing ancient mosaics and preserved columns. Peruse the Temple of Apollo, the Sacred Lake, and the guardian Naxian Lions with your guide before enjoying time to explore independently. Take in views of the Sacred Island of Delos as you ferry back to Mykonos. The duration of this guided tour is 90 minutes and is subject to favorable weather conditions. Santorini: Island Hopping and Sunset Cruise $259 CAD
Make the most of a day at leisure and see all that Greece has to offer with an island-hopping adventure and dinner! Make your way up the side of the still-active volcano with your local guide, pausing at the top of the crater for unparalleled views. After exploring, return to the boat to set off for your next destination – Palea Kameni. Similar to Nea Kameni, this islet is also of volcanic descent. Continue on to Thirassia, an authentic island that embodies the traditional culture of Greece. Later, make a stop close to Oia as the sun sets. Important Tour Information:

The overall activity level of this tour is a level 3. This means you're an on-the-go traveller. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. This level is not appropriate for travellers who use wheelchairs, walkers, and other mobility assistance devices.

Luggage handling is not available when getting on and off the public ferries between Athens, Mykonos, and Santorini. You will need to carry your own luggage for approximately 200 feet each way. As the ferry is the main connection between the mainland and several islands, you can expect large crowds and personnel directing travellers to their destinations with a very quick turnaround.
For those on the Ancient Delos optional tour, this will require a flat walk of up to 3 hours and 1 mile in the sun (weather-dependent), with no shaded areas.

If you require any **special assistance** while on tour, please make us aware at the time of reservation so the necessary request form can be sent to your attention.

In order to access the Acropolis archeological site, you will be required to climb about 50-60 steep, uneven steps and walk over rugged terrain with loose stones and without railings.

Due to ferry schedules on some departures, you may be required to depart the hotel as early as 5:30 a.m. Should this be the case, a boxed breakfast will be provided in place of the regular hotel breakfast.
