

Ingredients:

2 packages of Farmer John's sausage links.

2 or 3 bags of frozen sweet corn.

Salt or season salt

Black pepper

Optional....diced onions and peppers.

Cut the sausage links into small square pieces and brown in the skillet. When browned, drain the grease from the sausage. Pour the frozen corn into the skillet with the sausage, add salt and pepper to taste and continue to simmer on medium heat. Turn corn and sausage mixture frequently until thoroughly heated and lightly browned.
