

Another Opportunity to Shine in

DistinctlyTM ELMHURST

The first *Distinctly Elmhurst* section was a great success, celebrating the businesses, people, and organizations that make this community unique. Due to popular demand, we're extending the opportunity for more local businesses to be featured in our upcoming Holiday edition.

This special section will continue to showcase community pride with fresh interviews and new stories, alongside advertising features from participating businesses.

As a *Distinctly Elmhurst* subject, you'll receive:

- A custom-designed full-page ad with your photo, logo, quote, and contact info. See example on the next page.
- Need a photo? Call for information.
- A *Distinctly Elmhurst* badge to highlight your participation (delivered upon receipt of payment).

It's your moment to shine. Call to place your advertisement —by **Wednesday, October 15th.**
