

BLAINE COUNTY BIKERS FOR EDUCATION INC.

With the decline of the economy, we watched our friends and family lose their livelihoods, homes, and much worse. Our plan was to create a scholarship fund, so that we could award scholarships to adults, (of all ages), to trade schools and technology centers. The Blaine County Bikers for Education Inc. was formed to help make that possible.

Our goal is, if they can't find a job in their current profession, then we will train them in a new trade that they can use to support themselves and their families. Our goal is to eventually be able to send a person to school completely tuition free in the future. Until then, we will gladly help folks out the best we can.

Motorcycles are our passion. What better way to make a difference, then to invite our fellow biker brothers and sisters out for a great time with live music, great food, games, and lots of miles of motorcycle riding in helping support a great cause! We couldn't think of a better way either.

So, I, John Morris, President of Blaine County BFE Inc., want to invite you to apply for this application to obtain a higher education, to better yourself and your future.
