As a community-volunteer organization, we are able to pinpoint our community needs and strive to meet those needs. Camaraderie is an important benefit of belonging to a Federated club. We share ideas and make friends as we make a difference in our communities. All meetings are the second Wednesday of month (except May). Each President will determine the times. We do not meet in December, July, August or September. Board members meet on Monday evenings. Note: December is our Community Improvement Project-Christmas Stocking. So far, we only have one fundraiser in October - The Fall Social.

All members will serve on, at least one, of the monthly meetings which entails - calling (or texting) members to remind them of the upcoming meeting, helping with the set up and/or cleaning up after.
