 - No running, screaming, or chasing the animals (this will scare the animals),
 - Guests must stay with the tour guide and the group at all times. Adults need to accompany the children the entire time.
- (:00ish) Back to the barn for celebrations, food, piñata, craft, presents etc. Client to provide all.
 - Crafts or piñatas are a good way to keep kids entertained in the barn. Guests are not allowed to wander the farm unattended and must stay in the barn or tent area during your celebration time.
- (:00) Guest's leave and client cleans up the barn and returns it the way they found it. If you choose decorations from us please leave them up so we can reuse them. Damaged decorations (table toppers, backdrop, banners) will result in a **\$50 fee**.
