Narrative  
Eavesdropping

On March 16, 2021, I, Deputy Katherine Draper, (EID #18084) was assigned to Ward ██████████ at the El Paso County Criminal Justice Center (CJC) located at 2739 East Las Vegas Street, Colorado Springs, El Paso County, Colorado 80906.

At approximately 1535 hours, Mental Health was in the ward having a visit with an inmate from the ward at a day room table. While standing by with Mental Health I noticed Inmate Stauch, Letecia A0342156 standing at her door. This is not odd but Inmate Stauch was moving a little from side to side almost hiding her face by the way she was standing.

When I conducted the 15 minute ward safety check I noticed Inmate Stauch was standing slightly to the side and placing her ear to the hole in the door used for communication. The only conversation in the ward at the time was between Mental Health and another Inmate.

Due to privacy issues and the other inmate in the ward, I placed a pad over the holes in Inmate Stauch's door. I also explained to Inmate Stauch that the inmate had a right to privacy and not have her listening to the conversation.

Inmate Stauch was fine with this and removed the pad from the door when she was on her hour out.

Narrative  
Shake down/contraband

On March 17, 2021, I, Deputy Katherine Draper, (EID #18084) was assigned to Ward [REDACTED] at the El Paso County Criminal Justice Center (CJC) located at 2739 East Las Vegas Street, Colorado Springs, El Paso County, Colorado 80906.

At approximately 1630 hours, a shake down was performed in the ward. While shaking down the cell of Inmate Stauch, Leticia A0342156, I removed two containers from her cell for contraband. During the search Inmate Stauch had 2 Chap Stick type containers and both containers were opened to make sure the proper contents. Both containers of Chap Stick type containers were placed back on her top bunk in the cell.

The two containers I removed from her cell were a tooth paste container which had two different colors of a substance in it when it should only have one. There was also a hair gel container that had a different substance in it. I asked Inmate Stauch what the contents were in the hair gel container and she said it was body lotion. I told Inmate Stauch that it was considered contraband and I was throwing it away. I asked Inmate Stauch if she understood what contraband meant and she said no. I told her that it is a substance that is not in its original container then it is contraband. Inmate Stauch said she understood.

After I left the cell area Inmate Stauch asked why I took her toothpaste. Inmate Stauch stated that she had just got it today with commissary. I told Inmate Stauch it had two obvious substances in it so it is considered contraband. Inmate Stauch states for me to check because it was brand new. I reminded Inmate Stauch that I was in the ward with her the day prior and she had the same container when she did her hour out and showered. Inmate Stauch then says that she got the toothpaste the week prior. I told Inmate Stauch that the toothpaste was not original. Inmate Stauch then says she did use a tube of white tooth paste she got from Inmate [REDACTED] and squeezed it in the container. I explained she will need to start to leave the item in the original containers to keep them and she understood.

Later Inmate Stauch called me to the cell and told me her Chap Stick type containers were gone and that one she just got today. When I went to her cell Inmate Stauch had her whole cell in disarray. Her mattress was flipped on its side and papers were everywhere. Inmate Stauch said she was missing one but never asked about the 2 she had. When I got to her cell, I did do a thorough search and did not find any of the containers. I did notice her toilets had been flushed enough to turn it off. The light will go red and stay that way for about a half hour. I did a pat down on Inmate Stauch and she had no items on her person. I personally saw the containers and I know that the two items were on the left side of her top bunk. Those two items did not get thrown away.

I notified Sgt Smith of the situation

After all of the issues were handles Inmate Stauch started acting out in the ward yelling to the other inmates that were throw her stuff away and how we are abusing her constitutional rights. She said she should not have to sit in this ward when she is a perfect inmate and doesn't cause any trouble. She said that she should get privileges too.

Inmate █ Upset After Finding Out Inmate Stauch is in █

On Friday, March 19, 2021, while working at the El Paso County Jail, located at 2739 East Las Vegas Street, Colorado Springs, CO 80906, I, Deputy Kimberly Lee (EID 20015) was on duty and assigned to Floor Security, Shift Three, as the primary deputy in Ward █

At approximately 1145 hours, I unlocked █ and █ Inmate █ approached the deputy workstation and asked for hygiene products as well as cleaning supplies. Inmate █ also asked if she and Inmate █ could help pass out lunch. I told Inmate █ she could help with lunch if she behaved today and I did not have to speak with her about anything. Inmate █ was confused and told me of course she would behave, as she always does when I work.

A few welfare checks later, I observed Inmate Stauch, Letecia (A0342156) in the video visitation section of the ward and Inmate █ was asking who she was because she (Inmate Stauch) looked familiar. As I was finishing my check, Inmate █ yelled, "Miss Lee, that's why you told me I can help only if I behave." Inmate █ was standing in front of the deputy workstation toward the right side of it and dropped everything in her hands (the hygiene products and the cleaning supplies).

I walked over to Inmate █, who was crying, and told her she made me a promise to behave today, so I am holding her to that promise. I told Inmate █ I will lock her down if I need to, but I knew because she respected me as much as she says she does, that she will not do anything.

Inmate █ replied, "My heart hurts right now." I told Inmate █ to pick her stuff up and to stay to herself, before returning to the deputy workstation.

At approximately 1200 hours, I was conducting a welfare check of the ward and observed Inmate █ standing at cell █, which housed Inmate █. When I approached the inmates, I asked them if they were okay. Both inmates replied, "No." I asked them what was going on and Inmate █ looked in the direction where Inmate Stauch was standing. Inmate █ looked at me and asked how I can be so "friendly" to someone who is a "kid killer."

I told Inmate █ and Inmate █ wearing my badge meant I will protect anyone who walks in my ward no matter what charge they have. Inmate █ said a lot of people have children and it is not right that Inmate Stauch can walk around the ward like nothing happened.

I told both inmates I will react accordingly and asked if there would be any problems. Inmate █ and Inmate █ responded with no because they respect me.

This report is for informational purposes only. I have nothing further.

Damage To Cell in 1A3

On Sunday, 03/21/2021, I, Deputy Amanda Schmutzler (19014), of the El Paso County sheriff's Office (EPSO), was assigned to the Security Division, shift 1, [REDACTED], within the El Paso County Jail, located at 2739 E. Las Vegas St, Colorado Springs, CO 80906.

I entered [REDACTED] within [REDACTED] to give Inmate Leticia Stauch (A0342156) her lock down property. When I went to exit the cell I saw a large dark hole on the top side of the toilet. I saw that there was no loose metal and that a person could only put a few fingers into the hole. I also saw that a significant portion of concrete had been removed from the wall along the door jam.

Closer inspection of the cell showed a missing screw from the toilet. I took pictures of the spots in question and attached them to this report.

Inmate Stauch had a history of damaging cells to manipulate housing and attempt escape.

Please see reports # 200004439, # 200004492, # 200004901.

When I interviewed Inmate Stauch she denied having made any of the damage to the cell.

This report is for informational purposes only.

I have nothing further at this time.

**Inmate Stauch Odd Behavior After Court**

On Monday, March 29, 2021, while working at the El Paso County Jail, located at 2739 East Las Vegas Street, Colorado Springs, CO 80906, I, Deputy Kimberly Lee (EID 20015) was on duty and assigned to Floor Security, Shift Three, as the primary deputy in Ward [REDACTED]

At approximately 1135 hours, Inmate Stauch, Letecia (A0342156) returned from court. Inmate Stauch's demeanor was different prior to going to court. It should be noted, Inmate Stauch was unlocked with the other inmates in her quad at 1100 hours. I asked Inmate Stauch if she could help another inmate set up an account on one of the visitation booths. Inmate Stauch did so without complaint and began conversing with other inmates in her unlock quad.

Upon returning from court, Inmate Stauch looked visibly sick and told me she needed to throw up. I motioned to a grey bin near the ward door because I did not know if she would make it upstairs. Inmate Stauch said, "no I just need to go to my room." So I told Inmate Stauch to head upstairs.

On my next welfare check of the ward, I observed Inmate Stauch sitting under her desk with her knees bent up and her arms wrapped around her knees. I asked Inmate Stauch if she was okay, and she replied by saying no. I asked Inmate Stauch what was wrong; Inmate Stauch told me, "Every time I leave here, they follow me." Unsure of who "they" were, I asked who Inmate Stauch was referring to. Inmate Stauch said, "The Mexican mafia."

Inmate Stauch told me whenever she leaves wherever she is at, they follow her, and attempt to get her to join their mafia. Maintenance was in the ward, so everyone was locked down. When I unlocked [REDACTED] and [REDACTED], Inmate Stauch and another inmate walked near the kiosk on the left side of the deputy workstation. Inmate Stauch was telling the inmate the same thing she told me. I looked over at the inmates, and Inmate Stauch was looking directly at me.

Inmate Stauch constantly approaching the deputy workstation saying, "I feel like I'm being institutionalized. Every time I leave here, I get anxiety." I did not respond but issued her a tablet, since she asked for one.

This is for informational purposes only. I have nothing further.

#### INMATE STAUCH REFUSES LAW LIBRARY

On March 30, 2021, I, Sergeant H. Ditmore #07013 was assigned as Floor Security Sergeant at the El Paso County Jail located at 2739 East Las Vegas Street, Colorado Springs, CO 80906.

At approximately 0225 hours, Deputy K. Byrd informed me that Inmate Leticia Stauch #A0342156 was refusing to attend Law Library.

I responded to █ to discuss the matter with Inmate Stauch.

Inmate Stauch informed me that she would not attend law library in the middle of the night anymore because it was unhealthy for her. Inmate Stauch stated she had to stop taking her anxiety medications so she could stay up all night. Inmate Stauch said because she had stopped taking her medication, she did not have a clear head and could not function in court.

Inmate Stauch stated she asked the programs manager for a different time and was denied. Stauch said she would just have to ask her advisory council to come another day each week.

I explained to Inmate Stauch that 0230 hours is an ordinary time for an inmate to be scheduled because of all the activity that happens during the day.

I have no further information at this time.

Inmate Stauch Refuses Law Library

On April 4, 2021, I, Deputy Brandi Kvelums EID #18120, was assigned to Detentions Floor Security as █ Deputy at the Criminal Justice Center located at 2739 East Las Vegas Street, Colorado Springs, CO, 80906.

At approximately 0035, I was conducting my emergency alarm checks. I entered █ where Inmate Stauch, Leticia (A0342156) is housed. Inmate Stauch woke up and looked at me. I stated "I am just doing alarm checks. It's a little after midnight right now, just a reminder, you have Law Library at 2:30." Inmate Stauch stated "I don't go anymore. I told the Commander that when he came in the other day. There are people that follow me in there and try to get me to join the Mexican Mafia. So, they can take me off. I am not going to go anymore." I said "Ok." And walked out of Inmate Stauch's cell.

This is for informational purposes only.

I have nothing further at this time.

### Narrative

On April 04, 2021, I Sergeant Michael Doucette, EID: 07040, was assigned duties as the Shift 5 Supervisor, at the El Paso County Jail, located at 2739 East Las Vegas Street, Colorado Springs, Colorado, 80906.

At approximately 0223 hours, I went to [REDACTED] to find out if Inmate Stauch, Letecia, A0342156, wanted to go to her scheduled Law Library program at 0230 hours. I spoke with the Ward Deputy, Deputy Brandi Kvelums EID: 18120 and asked her if Inmate Stauch was going to attend her scheduled Law Library Program. Deputy Kvelums stated Inmate Stauch had refused attendance to the her Law Library Program. I asked Deputy Kvelums which cell Inmate Stauch was housed in. Inmate Kvelums told me Inmate Stauch is housed in [REDACTED].

I went to [REDACTED] and introduced myself as Sgt. Doucette. I then asked Inmate Stauch if she wanted to attend her Law Library program. Inmate Stauch woke up and said, "I told you all I do not want to go to Law Library due to my medication." I told her all I was doing was making sure she did not want to attend the Law Library Program. She said ok and laid back down and went back to sleep. I exited the ward without incident.

Narrative  
Inmate Stauch Leg Brace

On April 5, 2021 I, Deputy Stacia Schroder #12016, was assigned court service duties at the El Paso County Jail, located at 2739 East Las Vegas Street, in the city of Colorado Springs and County of El Paso, Colorado.

Deputy Charles Border #16014 and I were tasked with fitting a standard leg brace for Inmate Leticia Stauch #A0342156. The leg brace is typically used in dress out jury trials under civilian clothes as to not disclose the person on trial is in custody. Inmate Stauch is a smaller framed female and has indicated she plans to represent herself in trial. In order to accommodate this, it is important the leg brace allows at least minimum movement for Inmate Stauch.

Deputy Border and I escorted Inmate Stauch out of ██████████ and around the adjacent brick corner to measure the leg brace to Inmate Stauch. While doing so, Inmate Stauch asked us why she would not have the leg tether she had prior in court. Deputy Border explained a leg brace may or may not also be an option used. Inmate Stauch stated she would not be wearing the leg brace because she will be wearing clothing that will be too tight fitting for the leg brace to be applied under her clothing.

I have nothing further at this time.

#### STAUCH LAW LIBRARY SUSPENSION NOTICE

On April 2nd, 2021, at about 2025 hours, I, Cy T. Gillespie, Commander of the El Paso County Jail's Security Division, EID # 04048, entered the jail cell of Inmate Leticia Stauch (█) with my midnight shift commander, Lieutenant Paul Wheeler, to speak to Inmate Stauch. This contact with Inmate Stauch was at the suggestion of the Sheriff's Office legal advisor, Chris Strider. I was asked to personally notify Inmate Stauch that her refusal to attend the law library program would result in suspension of the privilege.

Inmate Stauch was lying on her bed with the blanket over her. She sat upright on the mattress when we walked in and called her name.

Although she knows who I am I identified myself to her (I was in civilian attire and was wearing a KN 95 respirator mask). I told her I really wanted her to take advantage of the law library program she'd refused to attend recently. Inmate Stauch repeatedly said for me to "...take me off the (law library) list..." and that she didn't need the law library. I told her the refusal to attend would result in suspension of her law library privileges for 90 days.

Her stated reason for refusing to attend during the hours we'd specified for her was because the medication she wanted to take caused her drowsiness and she said it would interfere with the early morning hours of her law library slots. I told Inmate Stauch our medical staff could adjust the administration of the meds to synch up with her law library times so one wouldn't interfere with the other. Inmate Stauch began to argue about what the specific medications would do and asked if I expected her to "...sleep all day..."

I again told her it was in her best interest to participate in the law library program as a pro se inmate and we could adjust the medication times to work with her law library times. She again said she didn't need the law library, thanked me for my help, and told me to take her off the (law library) list a third time.

Lieutenant Wheeler and I left the cell and departed the ward. I believe we were in the ward about a minute

Within ten minutes I notified my supervisor, Bureau Chief Brad Shannon, my co-commander, Commander Andrew Prehm, and the Sheriff's Office's legal advisor, Chris Strider.

Nothing further.

#### Inmate Stauch Throws Out Legal Mail

On Monday, April 26, 2021, while working at the El Paso County Jail, located at 2739 East Las Vegas Street, Colorado Springs, CO 80906, I, Deputy Kimberly Lee (EID 20015) was on duty and assigned to Floor Security, Shift Three, as the primary deputy in █

At approximately 1900 hours, I called Inmate Stauch, Leticia (A0342156) over to the deputy workstation to give her legal mail. The procedure for distributing legal mail is to open the envelope in front of the inmate and check for any contraband.

I stood at the left of the deputy workstation and completed that task in front of Inmate Stauch. I gave the papers to Inmate Stauch, who then threw all the papers and envelope away in the trash can and walked away.

This report is for informational purposes only. I have nothing further.

**Segs Placed Between Inmate Hopman & Inmate Stauch**

On Friday, April 30, 2021, while working at the El Paso County Jail, located at 2739 East Las Vegas Street, Colorado Springs, CO 80906, I, Deputy Kimberly Lee (EID 20015), was on duty and assigned to Floor Security, Shift Three, as the primary deputy in [REDACTED] beginning at approximately 1625 hours.

At approximately 1950 hours, I approached Inmate [REDACTED] in her cell. I pulled Inmate [REDACTED] out of her cell to speak with her on the tier in private. I informed Inmate [REDACTED] that I had to speak with her regarding some things she spoke about with someone that was concerning.

Inmate [REDACTED] knew I was referring to when she spoke to Mental Health. Per the email that was forwarded to me, Inmate [REDACTED] spoke about her "hatred" for the "baby killer," referring to Inmate Stauch, Leticia (A0342156). Inmate [REDACTED] had requested a seg against Inmate Stauch.

When I spoke to Inmate [REDACTED] she said she is part of a gang called the "Chomo Killer Gang," which represents women and kids. "Chomo" is slang for child killers. Because of Inmate Stauch's case, she felt obligated that she would have to do something.

I asked Inmate [REDACTED] what changed because they have been in the same unlock group for at least a few days that I was aware. Inmate [REDACTED] said she did not recognize Inmate Stauch in the beginning. According to Inmate [REDACTED] Inmate Stauch told her false information about her (Inmate Stauch); regarding car theft and vehicle "crimes." When Inmate [REDACTED] realized who Inmate Stauch was, Inmate [REDACTED] was furious.

I asked Inmate [REDACTED] if there would be any issues being in the same ward; Inmate [REDACTED] said as long as there is a seg between them, they will never be out at the same time, so it would be impossible for Inmate [REDACTED] to act on anything.

After my conversation with Inmate [REDACTED] I have decided to place segs between her and Inmate Stauch. I rehoused Inmate [REDACTED] in [REDACTED] which is a different unlock quad. The seg roster was updated and the move was made in Beacon.

Inmate Classification was notified about the seg and in-ward move.

I have nothing further.

1A1 concerns around Inmate Stauch

On Wednesday, May 26, 2021, I, Deputy David DeHaan II #14043, was assigned as the shift four ward deputy in ██████████ at the El Paso County Jail/Criminal Justice Center, 2739 East Las Vegas Street, located in the City of Colorado Springs, El Paso County, State of Colorado.

At approximately 1550 hours, Inmate Leticia Stauch #A0342156 was admitted to ██████████. She was housed in ██████████ as I was directed.

At approximately 1815 hours, just prior to serving the dinner meal, I was approached by Inmate ██████████. Inmate ██████████ was visibly upset, physically shaking and almost crying. She made a statement to the effect of "how can a monster like that be in general population?"

I recognized what was being said and the severity of the situation even though Inmate ██████████ did not say any names. I immediately removed Inmate ██████████ from the ward and placed her in the ██████████. I had her sit in a chair and I sat across from her. I explained that I knew what she was referring to and told her I was going to do my best to address her concerns. I asked her to follow my line of questions in order to provide clarity on the situation.

Inmate ██████████ started to protest and explained she had been part of the community events searching for "that little boy" and the laying of ribbons. I asked her to be patient and started my questions. She told me she did not know what else to do and that is why she came directly to me.

I asked Inmate ██████████ about her charges and if she was guilty of all the charges against her. She said she wasn't. I explained this was part of due process. As she calmed down a little more, I continued. I asked if she had moved through the wards in the facility, she said she had. I asked if there was any reason to not provide equal treatment. She said no. This process continued until there was more understanding about why things happen the way they do. Before I returned her to the ward, I asked if she understood. She said she did. I asked if she was going to be ok and not cause any issues. She said was ok and had no plans to cause any issues.

I talked with Inmate ██████████ about the legal process and how everyone is given the benefit of being "innocent until proven guilty." There was general discussion about the legal system and that we have to let the process work. When she was calm, I returned her to the ward.

I notified Heather Stamper in Inmate Classifications of this incident.

I notified Sgt. Bond of the incident.

There were no further issues in the ward regarding Inmate Stauch during the remainder of my shift.

I have nothing further at this time.

### Narrative

Inmate Jones A2

On 06/13/2021, I, Deputy Tracy Strickland EID: 06003, was assigned duties as floor security [REDACTED], at the El Paso County Criminal Justice Center (CJC). This facility is located at 2739 East Las Vegas St, in the City of Colorado Springs, County of El Paso, State of Colorado.

At approximately 1355 hours, I was assisting Deputy L. Shanahan EID: 19093 in [REDACTED]. Inmate [REDACTED] was doing her hour out at that time and was standing by the desk talking to us. She was inquiring as to whether or not Stauch had been sentenced yet. I knew that Inmate [REDACTED] was referring to Inmate Letecia Stauch A0342156. Previously, Inmate Stauch was housed in [REDACTED] and their cells were next to each other and they would often talk. Inmate [REDACTED] said "that bitch is guilty she told me she did it. She was crying and said that things got out of control and she shot him in the jaw." Inmate [REDACTED] then said Letecia's daughter and Gannon's little sister were walking the dog when it occurred. She said that when they got home she panicked and shoved him in a suitcase. Inmate [REDACTED] said that she was driving around with him in the car, saw someone she knew and asked for help. The person she asked for help refused. Then [REDACTED] said Stauch told her she tossed the suitcase off a bridge. When we asked why did she do it, she said that he had been acting up so he could go stay with his grandma. Inmate [REDACTED] said that Stauch told her that Gannon had also started a fire leading up to all of this so that she would send him to his grandma.

I have nothing further to report at this time.

**Narrative**

On August 2, 2021, I, Deputy Tays Cruz, EID 19075, was assigned to [REDACTED] in the El Paso County Jail (CJC). This facility is located at 2739 East Las Vegas Street Colorado Springs, Colorado 80906. I am a sworn, non-certified Peace Officer in the State of Colorado employed by the El Paso County Sheriff's Office.

At approximately 1330 hours, I heard yelling from the top tier. I noticed inmate [REDACTED] by the shower and inmate Stauch, Letecia (A0342156) standing behind the shower curtain about to get into the shower.

I heard [REDACTED] yelling "You fucking bitch, you fucking bitch, I'll fuck you up bitch". Inmate Stauch responded with "You can try" and continued to ignore her.

I told [REDACTED] to lockdown for her behavior. [REDACTED] then proceeded to slam her cell door approximately 4 times before successfully closing it.

I asked Inmate Stauch what happened, and she explained to me that she was about to get in the shower, had the water running and things ready but [REDACTED] tried to get in the shower she was about to use.

Inmate Stauch told her that she was about to shower, and [REDACTED] got upset.

When I walked to [REDACTED] cell door she was acting as if nothing happened.

This is for informational purposes only.

I have nothing further.

**Correction made:**

I walked up to [REDACTED] cell after locking her down and asked her what was going on. [REDACTED] proceeded to say when she was coming out. I explained to her that she was locked down for her behavior. [REDACTED] asked again if she was coming out. [REDACTED] then got upset, called me a bitch so I continued to walk my check.

Narrative  
Ward 1A1 Informational

On Friday, August 20, 2021, I, Deputy Desiree Chavarria EID 18040 was assigned to █ at the El Paso County Jail located at 2739 East Las Vegas Street, Colorado Springs, Colorado 80906.

I conducted housing inspections for the entire ward. Before doing this I informed all inmates to get rid of all their trash, saved items from breakfast lunch or dinner, and anything that wasn't issued to them or that has been altered or being used for anything other than their intended use. Each group got at a minimum 2 hours before I went through their cells, they were also informed I would be deducting time from them the next day and this would be dependant on what I remove from their cells.

At approximately 1200 hours I conducted housing inspections for █. I removed trash, empty sugar boxes, empty food containers, altered masks, underwear and bras, a few extra towels, tumblers and bowls with lids, and an extra mattress. I did not have to remove a large amount of trash so for this the tier only lost 30 minutes from their time.

At approximately 1700 hours, I conducted housing inspections for █ and the █. I removed trash, food, empty sugar boxes, altered bras panties masks and manties, empty food containers, soap bottles and 2 extra mattresses and a bowl with lid. The amount of trash removed from these cells was about double from the top tier so for this the tier will lose 1 hr of their time.

Throughout the day I would walk around the dayroom throwing away old food containers and other contraband. I confiscated a food container with peanuts covered in what looked like chilipowder from Inmate Stauch, Leticia A0342156. Inamte Satuch stated she bought the peanuts and was going to use them with her lunch. I informed her all items need to remain in their original packaaging and if they didn't it was considered contraband and the food container is trash. Inmate Stauch continued to argue about it and I directed her to the inmate handbook on the kiosk. When Inmate Satuch locked down she hit the cell door a few times but stopped when ordered to do so.

All items removed were discarded, or placed in property.

I have nothing further at this time.

Inmate Clason talks about Inmate Stauch

On August 30, 2021, I Deputy L. Shanahan EID 19093, was assigned duties as Ward Deputy for [REDACTED] at the El Paso County Jail located at 2739 East Las Vegas Street, Colorado Springs, Colorado, 80906.

At approximately 1700 Inmate [REDACTED] was standing at the deputy desk getting hygiene products. She told me how she was housed with "Tiffany Taylor Stauch" in [REDACTED] a couple weeks ago, and accidentally left her radio in her cell when she transferred out. Inmate [REDACTED] was referring to Inmate Stauch, Leticia A0342156.

I know that was Inmate [REDACTED] was referring to Inmate Stauch because I have heard Inmate Stauch tell other Inmates that her name is Taylor. Inmate [REDACTED] then told me that Inmate Stauch had told her everything pertaining to her case.

Inmate [REDACTED] stated that Inmate Stauch referred to her stepson only as "the boy" that she would not say his name. Inmate [REDACTED] also stated that Inmate Stauch told her that she shot, stabbed, and burned her stepson. Inmate [REDACTED] said Stauch talked to her like it was no big deal.

Inmate Stauch told Inmate [REDACTED] that she was planning on leaving her husband, and that she was moving to Florida. Inmate Stauch had also said that she had a million-dollar life insurance policy on their kids.

I then told Inmate [REDACTED] to stop talking about what we were talking about because I didn't want other inmates to hear her. She then started talking to another inmate about Inmate Stauch as she walked away from the deputy desk.

This is for informational purposes only.

I have nothing further to report.

#### Ward 1A1 Mask Informational

On Saturday, September 4, 2021, I, Deputy Desiree Chavarria EID 18040 was assigned to [REDACTED] at the El Paso County Jail located at 2739 East Las Vegas Street, Colorado Springs, Colorado 80906.

At approximately 0800 hours, I briefed [REDACTED] with my daily expectations. I also included the expectations concerning the masks. I informed them they needed to be wearing their issued mask at all time except for when actively eating, drinking or using the phone. I also explained they would not be punished for not wearing their masks but if they were seen throughout the morning without it on it would be documented. I explained this on multiple occasions as it was early when I made the announcement, and most people were still sleeping. I also exchanged some masks and or issued second masks to multiple inmates.

The following are inmates that were seen without their masks while sitting in groups through the morning hours (0800-1400 hours).

#### New Segs for Stauch

On Saturday, September 11, 2021, I, Deputy J Brawer #18086, was assigned to [REDACTED] at the Criminal Justice Center at the El Paso County Jail. This facility is located at 2739 East Las Vegas Street, Colorado Springs, Colorado, 80906.

Upon receiving a ward brief by the outgoing deputy, Deputy Rieke, J (EID 18123), she informed me that Inmate [REDACTED] and Inmate Stauch, Letecia (A0342156) might possibly have issues. Inmate [REDACTED] was on a daybed and Inmate Stauch is housed on the upper tier of [REDACTED].

At approximately 2040 hours, I heard a loud commotion from the deputy desk and looked up to see Inmate Stauch yelling in the direction of where Inmate [REDACTED] was housed (daybed). Inmate [REDACTED] wasn't really engaging with Inmate Stauch, but Inmate Stauch was yelling all sorts of different words towards her.

I told the ward to lockdown due to a possible altercation. Inmate Stauch proceeded to walk up the stairs to her cell, while still yelling at Inmate [REDACTED].

Once the ward was locked down, I immediately moved Inmate [REDACTED] behind a door in [REDACTED]. I asked her if she knew what the verbal altercation was about. She said that she didn't know.

I walked up to [REDACTED] which houses Inmate Stauch. I asked her what the issue was. Inmate Stauch told me that she's (Inmate [REDACTED]) is a snitch and she can't stand her.

For these reasons, I am placing segs on both inmates and placed them in different out groups in [REDACTED].

Prior to this incident, I was releasing an inmate due to B&B status at approximately 2034 hours. Both B&B inmates were on the bottom tier but did not have any segs that were out on the top tier. Approximately one minute later, I hear yelling. I see Inmate [REDACTED] and Inmate Stauch yelling at each other. Inmate Stauch was on the phone but was visually upset. I walked both released inmates out of the ward and in to the MPR to wait for transport. When asking Inmate Stauch what her issue was with Inmate [REDACTED], she stated that she [REDACTED] was a snitch.

I placed segs on [REDACTED] and Inmate Stauch right after that incident.

I have nothing further.

#### Inmate Stauch refuses to attend Metro Court

On Thursday, September 23th, 2021, I, Deputy Susanne Zamora #09045, was assigned duties to ██████████ inside of the El Paso County Jail, located at 2739 East Las Vegas Street, Colorado Springs, Colorado, 80906.

At approximately 0615 hours, I was informed by the Deputy Danielle Pelletier #20085, Inmate Letecia Stauch A0342156 was refusing to attend court. Deputy Pelletier stated, "Inmate Stauch told her she would do the WebEx instead because the judge would let her."

At approximately 0645 hours, I notified Inmate Stauch, Court and Transport Deputy (Jon-Paul) Davis #14024, was here to pick everyone up. Inmate Stauch replied "I am not going". Deputy Davis stated he would notify the appropriate people.

At approximately 0825 hours, Inmate Stauch was receiving her morning medications in the ██████████ dayroom. Inmate Stauch stated "Deputy, I just want you to know that at 0900 I am going to have a WebEx appointment with the Judge. He told me if I don't go to court then he would schedule the WebEx. So, look out for it."

At approximately 0835 hours, I received a phone call from the Front Desk personnel. They informed me; Inmate Stauch would have a 0900-hour WebEx appointment per Sgt Amy Ward #08039.

At approximately 0855 hours, Inmate Stauch was escorted to ██████████ for her professional visit. Inmate Stauch returned approximately at 0940 hours.

Be advised throughout the shift, Inmate Stauch was making comments regarding how "we" are going to do things her way, she is not going to court, and getting beat up, she has lawsuits everywhere and gonna start new ones, and that these illiterate drug addicts can't read but I am going to file lawsuits for them too.

I have nothing further at this time.

#### Inmate Stauch Disrespectful Behavior

On September 24, 2021, I, Deputy Snipe (21034) was assigned duties in ██████████ at the El Paso County Jail, located 2739 East Las Vegas Street, Colorado Springs, Colorado 80906

At approximately 0808 hours, Inmate Letecia Stauch (A0342156) was walking out of her ██████████ down the stairs making negative comments about myself and Deputy Susanne Zamora #09045. Inmate Stauch was making comments because she was unlocked eight minutes late. She stated, "This shit would never fucking happen if this was a male ward." Inmate Stauch sat down at a table with several other inmates in the dayroom, I overheard her saying. "This is bullshit."

I corrected Inmate Stauch that her current behavior was not acceptable. She then stated, "I have freedom of speech it is my right. Show me in the handbook where it says we can't cuss...what page?" She was looking at Deputy Zamora loudly demanding to know what page number it was on while Deputy Zamora was standing on the other side of dayroom. Deputy Zamora informed Inmate Stauch that she could look it up on the kiosk. Inmate Stauch was not very happy with that and continued to make comments under her breath.

Few minutes later I ordered them to lock down due to the medication cart coming into the ward. I was sitting at the desk making computer entries while Deputy Zamora was escorting the Medical Staff member around in the ward. I heard someone loudly talking. I looked to see who it was, and it was Inmate Stauch. Inmate Stauch standing at her door looking down toward the deputy station. She was upset because she had to lock down for a medication pass. Inmate Stauch was being very loud, so that the inmates in the cells next to her could hear her. Inmate Stauch was attempting to rile them up by making statement like: "Look at them sitting down there not doing anything. Med Pass (medical pass) is only supposed to take 30 minutes and it's taking them an hour and a half. This isn't fair it's discrimination to us women and we have to do something about it, or it won't stop!"

When the medication pass was complete, I printed off the page from the inmate handbook that to provide Inmate Stauch with the inmate code of conduct. I entered Inmate Stauch's cell to discuss the consequences of her actions. Inmate Stauch at first blamed her anxiety and not receiving her medication as it supposed to be scheduled. After I reminding her of her behavior all morning she then began to deny all of the incidents. Inmate Stauch stated, "You guys just do this shit because you think we're illiterate drug addicts. I have an education and a very high IQ. I am the voice for these people who can't advocate for themselves. Do you understand? They need to be heard."

I discussed with Inmate Stauch that she can be the voice of the people without being disrespectful and rude to us. Inmate Stauch then stated that she never rude or disrespectful and she continuously denied any wrongdoing. I informed Inmate Stauch that she would be losing three hours of her hour-out time due to her disrespectful disruptive behavior. She got very upset saying she had not yet spoken to her kids and needed to make phone calls and that my punishment was a bit obsessive. I then informed her if she acted appropriately, that I would take two hours instead. Inmate Stauch kissed her teeth and walked away. Inmate Stauch was able to maintain herself and therefore I only took two hours of lock time away from her.

I have nothing further at this time.

Narrative  
Inmate Wood-Wilson

On 10/13/2021, I, Deputy K. Rodriguez EID 16096, was assigned to [REDACTED] at the El Paso County jail, located at 2739 East Las Vegas Street, Colorado Springs Colorado 80906.

At approximately 1700 hours, I heard Inmate [REDACTED] raising her voice while she was standing at a dayroom table. Inmate [REDACTED] began raising her voice as well. I told both inmates to stop the arguing. Inmate [REDACTED] moved walked away as I called Inmate [REDACTED] to the deputy desk to figure out what the issue was. Inmate [REDACTED] proceeded to a second dayroom table and approached Inmate Letecia Stauch (A0342156) whom she was currently housed with and began having a loud conversation that drew my attention.

Inmate [REDACTED] informed me that Inmate [REDACTED] approached the table she was playing cards at and began running her mouth. I asked Inmate [REDACTED] if we could speak about the issue like adults and Inmate [REDACTED] stated, "I want nothing to do with her, she can stay in her lane and to keep my name out of her mouth." Inmate [REDACTED] said she approached me, and I want nothing to do with her. I thanked her for her time.

Inmate Stauch and Inmate [REDACTED] proceeded to the stairs and I heard "Let's go, let's get it in." Inmate Stauch was putting her hair up while proceeding to her cell. With my training and experience I know this as a physical fight is about to occur. I loudly gave Inmate [REDACTED] verbal commands to come back down the stairs. Inmate [REDACTED] paused on the stairs and said something along the lines of there is no issue. Deputy Sym escorted Inmate [REDACTED] which was currently our dayroom bathroom and secured the door. I called Inmate Stauch down to the deputy desk to see what the issue was and she stated "I don't talk to cops." I told her to go lockdown until I could figure out what the issues was. I locked the entire ward down. I determined that Inmate [REDACTED] would not be staying in the same unlock group due to the verbal and they could not solve their issues. I proceeded to [REDACTED] and Inmate Stauch was standing near the sink and as I went to open the cell door and said "Rodriguez, she is high." I entered the cell as Deputy Sym stood outside the cell door to pack up Inmate [REDACTED] item. I asked Inmate Stauch what items were hers and what items were Inmate [REDACTED]. Inmate Stauch informed me that everything on the desk belonged to her and Inmate [REDACTED] had everything on her bunk and the gray bin that she slide out from underneath the bunk. Inmate Stauch began folding up Inmate [REDACTED] bedding as I grabbed all the books, paperwork, cups and trash at the end of the top bunk. Inmate Stauch stated "Rodriguez, I am oblivious to the drug thing, but they are telling me she is high, that is why she is acting like this. She has not slept in 3 days." I asked Inmate Stauch if she knows what kind of drugs Inmate [REDACTED] was on and she stated "Black." I asked her where Inmate [REDACTED] kept it and she stated, "In a pen." I thanked her and removed all of Inmate [REDACTED] items from the cell.

Deputy Sym started going through Inmate [REDACTED] items looking for contraband. I attempted to get a hold of Sergeant Dodge but was unsuccessful.

At this time, I started preparing for shift change and grabbed paperwork out in the mod. Deputy Sym approached me in the mod and showed me a folded yellow piece of paper. Deputy Sym opened it and there appeared to be a small amount of a white powder substance that appeared to be slight crystalized. I told Deputy Sym to secure it in a glove and place it in her pocket, I would contact a Sergeant.

I attempted to call a Sergeant again with negative results. I entered the ward and heard Inmate [REDACTED] yelling about why didn't we allow her to pack her items and let her cellmate packed her stuff. I ordered her to stop.

Shift 5 Deputy A. Hanzich EID 13138 entered the ward and I briefed her what we just found. I told her that I have been attempting to reach out to a Sergeant to come up with a game plan. Deputy Hanzich conducted her initial walk and I told her I would touch base with a sergeant, and we determined to keep the ward locked down.

I went to Sergeant office and briefed Sergeant Dodge of the situation. I asked Deputy Lowther if she was okay to show Deputy Sym how to test the item and she said "Yes." I proceeded back to [REDACTED] to brief Deputy Hanzich.

I escorted an inmate done with professional back to [REDACTED] I returned to the Sergeant Office and Deputy Sym and Deputy

Lowther tested the item for cocaine two times. I stated, "I would have tested it for Methamphetamines." There was a little substance remaining in the paper, so we used NIK Kit Test A and it did test positive for amphetamines.

Deputy Sym and Deputy Chavarria escorted Inmate [REDACTED] to Intake and Release to go through the secure pass scanner and was stripped searched. Inmate [REDACTED] was then escorted to the transfer corridor holding cell. I went to [REDACTED] and Deputy Sym stood by in the [REDACTED] while I conducted the following interviews that were not verbatim and not reordered.

At approximately 1939 hours, I read Inmate Stauch her Miranda Rights and asked if she would like to speak with me about the issue with her cellmate. Inmate Stauch agreed. Inmate Stauch began telling me that Inmate [REDACTED] had not slept in three days and not eaten in two days. Inmate Stauch said that her cellmate [REDACTED] believed that other inmates' headphones were bugged and that other inmates were CI's within the ward. Inmate Stauch said she had original thought she needed to help getting her Mental Health medication and asked [REDACTED] how she could help. Inmate Stauch said I have never been around drugs and had to ask Vero what I could do to help her, and they all told me she was high. I asked if she knows where the drugs were coming from and she stated, "I heard the name Ocean." I asked if she knows if there are still drugs within the ward and she stated "No." I thanked her for her time and sent her back to the ward.

At approximately 1950 hours, Inmate [REDACTED] I read [REDACTED] her Miranda Rights and asked if she wanted to speak with me and she agreed. I asked her why her prior cellmate was freaking out today. [REDACTED] said she is mental health and has been having issues. I asked if her cellmate was on any drugs and she stated "No." I asked her if she knows of any drugs in the ward and she said "No."

At approximately 2000 hours, I interviewed Inmate [REDACTED]. I asked [REDACTED] if she knows about drugs being in the ward and she stated "Rodriguez, I was trying to tell you earlier without being obvious." I asked okay can you elaborate. [REDACTED] stated "The one you sent out earlier was high Rodriguez (Referring to [REDACTED]). I asked [REDACTED] if she know what drug she was on and she stated "Clear." I asked if there was more in the ward or if she know were, they were coming from and she stated "No." I thanked her for her time and sent her back into the ward.

At approximately 2020 hours, I pulled Inmate [REDACTED] into the MPR and asked her if she can tell me about what was going on in the ward. [REDACTED] told me that everyone was telling her that Inmate [REDACTED] was high. I asked her if she knows if there was more in the ward or where it came from and she said "No." I thanked her took her back to the ward.

At approximately 2025 hours, I pulled Inmate [REDACTED] into the Alpha MPR. I asked [REDACTED] if she know what was going on in the ward. [REDACTED] said I was told [REDACTED] was on drugs. I asked if she knew what kind. [REDACTED] said "Clear". I asked what that and she is said "Meth." I asked if she knows where it was coming from and she said, "Bottom Tier." [REDACTED] would not provide anything further. I thanked her for her time and sent her back to the ward.

At approximately 2038 hours, I pulled Inmate [REDACTED] in the MPR and read her Miranda Rights. [REDACTED] agreed to speak with me. [REDACTED] said "That girl with the long black hair was moving stuff in her waist line while you guys were doing the shakedown." I asked [REDACTED] if she know what was going on in the ward and she said, "I heard that there were drugs in the ward." [REDACTED] said [REDACTED] was not acting herself and I believe she got a hold of whatever is going around." [REDACTED] said "Rodriguez, you know I don't fuck with drugs, alcohol is my thing, so I don't know what is going around, just know this ward has been off the chain for the past three days." I thanked her for her time and sent her back to [REDACTED]

I stood by while Deputy Sym interviewed [REDACTED]

Methamphetamine found in A1

On 13OCT21 I, Deputy Danae Sym, EID#21058, was assigned to [REDACTED] Assist, located at the El Paso County Jail at 2739 E. Las Vegas St. Colorado Springs, CO 80906.

At approximately 1715 hours, I noticed Inmate [REDACTED], appearing to have a verbal altercation with Inmate [REDACTED], while they were on their out time in the day room. [REDACTED] had been sitting at a table playing cards with three other inmates when [REDACTED] approached her and began what appeared to be, arguing with [REDACTED]. I was unable to overhear what the argument was about when Deputy Kayla Rodriguez, EID#16096, instructed the inmates to cease their verbal arguing and called [REDACTED] over to the Deputy desk. [REDACTED] approached the Deputy desk as [REDACTED] quickly approached another table in the day room where her cell mate, Inmate Letecia Stauch, A#0342156, had been sitting. [REDACTED] appeared to be saying something to Inmate Stauch when they both then quickly started climbing the stairs towards their cell. Deputy Rodriguez told them to stop and neither inmate did. I then told both inmates to stop and return to the day room in which [REDACTED] did and Inmate Stauch continued up to her cell. I noticed Inmate Stauch quickly go into her cell and then come back out of her cell and begin talking to another Inmate she was standing near [REDACTED].

[REDACTED] came back down to the day room and I placed her in [REDACTED]. Deputy Rodriguez then called Inmate Stauch to the Deputy desk in which she asked her what the issue was between her and [REDACTED]. At the time, Inmate Stauch claimed there was not an issue with her cell mate nor that there would be one. Once Inmate Stauch walked away, Deputy Rodriguez informed me that she had heard Inmate Stauch say, lets go then, lets do this, to [REDACTED] before they both quickly went up the stairs.

Deputy Rodriguez went to [REDACTED], Inmate Stauch and [REDACTED] cell, and began packing [REDACTED] items. When Deputy Rodriguez was in the cell, Inmate Stauch spontaneously uttered to her that [REDACTED] was high. Inmate Stauch folded up [REDACTED] bedding and Deputy Rodriguez collected the rest of her items and placed them in [REDACTED] bin.

As [REDACTED] was still in [REDACTED] I began going through her property in the day room. I first removed two books from the top of her property bin in which [REDACTED] immediately shouted to me that those were not hers, they were her cell mates. I continued going through her property box and pulled out a bible from about halfway down in the property box. As I began flipping through the bible a small, folder, yellow piece of paper fell from the bottom edge of the bible onto the ground. I picked up the piece of paper and began unfolding it, believing it to be a note. As I began unfolding it, [REDACTED] yelled out to me, "that's not mine!" As I was unfolding it, an unknown white substance began falling out of the piece of paper. I stopped unfolding the paper until I had it cupped in my gloved hands, at which time I fully unfolded it and saw an additional amount of a unknown white substance.

Deputy Rodriguez had stepped out of the ward and as I continued cupping the piece of paper and unknown white substance and walked out of the ward to show Deputy Rodriguez. Upon her viewing it, she instructed me to carefully refold the paper and secure it in my glove and secure it on my person. I then removed the rest of [REDACTED] property and bin from the ward and continued fully searching her property in [REDACTED].

## Incident Report # 210008850

A few moments later I went to the SGT's Office with Deputy Lowther to test the unknown white substance. We used a \*\*\*\* narcotics test kit to test for possible cocaine. Our first attempt was unsuccessful as in attempting to use the test kit spoon\*\*\* to place a small amount of the unknown substance into the test kit, it stuck to the inside of the top of the test kit due to static and did not go into the bottom of the test kit. Thus, the test kit substance was unable to mix with the unknown substance. We then tried a second cocaine test kit in which the results were negative. Deputy Rodriguez came to the SGT's office and stated that we should've tested it for Methamphetamines. With such a small amount left, we determined that the best option was to test the rest of the substance to confirm whether there were narcotics within [REDACTED], then to not test the rest of it and know not for sure if there were narcotics within the ward.

Upon testing the substance for Methamphetamines, the test kit showed positive results. At that time, Deputy Chavarria EID#18040 and I went back to [REDACTED] to escort [REDACTED] to intake and release to have a full body scan conducted and a strip search because we had enough evidence. [REDACTED] was crying, stating whatever we found was not hers and that she was not the aggressor. A scan was conducted with no abnormalities. A strip search was conducted with negative results for contraband and [REDACTED] jumpsuit replaced. [REDACTED] was then placed in a cell in the transfer corridor.

Deputy Rodriguez interviewed several inmates from [REDACTED] regarding what was found in the ward as I stood by in the [REDACTED].

At approximately 2000 hours, I interviewed [REDACTED] with Deputy Rodriguez standing by. [REDACTED] stated that she was simply upset because she had a bad professional visit today. [REDACTED] stated that Inmate Stauch had been telling her that "Feds" had been continuously asking her about [REDACTED] case and what Inmate Stauch new of [REDACTED] friends outside of the jail. She also stated that Inmate Stauch told her that she refused Law Library in order to protect [REDACTED] because everyone that goes to Law Library are "CIs" (confidential informant.) She also stated that Inmate Stauch was telling the other ward females that [REDACTED] was saying that a lot of them were cops. [REDACTED] states she asked Inmate Stauch why she was saying these things about her to others and that because she is not on seroquel she does not trust people.

[REDACTED] stated that Stauch and [REDACTED] wanted to be cell mates, so they were setting her up. She said that Inmate [REDACTED] was upset with her because [REDACTED] wasn't happy that supposedly Inmate Stauch was telling [REDACTED] personal things about her. [REDACTED] was asked why she was following Inmate Stauch up the stairs and she stated that Inmate Stauch wanted to "bang it out" however, that she simply wanted to talk to Inmate Stauch. [REDACTED] stated she didn't know anything about what was found in the ward nor did she know what kind of narcotics were found. Interview with Inmate [REDACTED] completed at 2021 hours.

At approximately 2025 hours I returned to [REDACTED] to assist with a ward shakedown. I searched several cells with negative contraband results.

I have nothing further at this time.

At approximately 1930 hours, █ approached the deputy desk and stated that she felt uncomfortable in her cell because her cellmate scared her. █ is currently housed with █. █ began to explain that she had been interviewed a few days prior regarding a shakedown that occurred in the ward and she had new information. █ stated, "█ is involved in all the drugs, all of them at that table are." █ then pointed at a table in the dayroom that consisted of █ Inmate Stauch, Letecia A#0342156, █ and █. I asked █ why she thought they had something to do with the drugs found within the ward and █ responded, "They are all just bad." █ then requested to be removed from that cell and be housed on a dayroom bunk. I informed █ that I would speak with a sergeant regarding the information she gave me, and I would let her know.

At approximately 2050 hours, █ approached the deputy desk and stated, "Piluso, I know my cellmate is trying to move. It is because I caught her stealing my commissary." I told █ I would be speaking with a sergeant to see if I could solve the issue to prevent any further issues.

At approximately 0000 hours, Medical entered the ward to administer medication pass. Inmate Stauch approached the medication cart to receive her medications which included a suppository that is wrapped in a foil wrapper. I immediately questioned the medication pass nurse regarding Inmate Stauch being given the foil wrapper due to that is considered contraband. The medication pass nurse stated, they had no other way to give it to Inmate Stauch due to the suppository would melt. After medication pass was complete, I spoke with Inmate Stauch regarding the foil wrapper and they she was unable to have it in the ward because it is considered contraband. Inmate Stauch stated she understood, and she had already used the suppository and flushed the wrapper down the toilet. I informed Inmate Stauch that if she was not being honest with me and was caught with the wrapper at a later time she would be written up for possession of contraband. Again, Inmate Stauch stated she understood and reiterated she had flushed the wrapper down the toilet.

I informed Sergeant Bonk, Christopher EID # 10022 of this incident.

### Narrative

Inmate Letecia Stauch and Inmate [REDACTED] disrespectful behavior

On October 23, 2021, I, Deputy Snipe (21034) was assigned duties in [REDACTED], at the El Paso County Jail, located 2739 East Las Vegas Street, Colorado Springs, Colorado 80906

At approximately 1300 hours, as I was giving Inmate Letecia Stauch(A0342156) her kosher lunch she became very upset by saying, "This is bullshit! They do this to me every time! I am supposed to have a fruit and cookie as well for Cheshvan." Inmate Stauch continued to mumble comments under her breath as she went back to her cell and secured.

While walking a check, I was stopped by Inmate Stauch and was asked did I ever call the kitchen about her meal being incorrect. I informed Inmate Stauch that her kosher meal was supposed to be cold, it is all she was receiving, and that I didn't understand what more she needed. Inmate Stauch interrupted me and told me to stop talking and listen to what she had to say. Meanwhile, behind her, her cellmate Inmate [REDACTED] was rolling her eyes and saying, "She doesn't fucking get it. She isn't listening." Inmate Stauch stated that she was missing items from her lunch bag and upon reviewing I saw that she was. I informed Inmate Stauch that I would call the kitchen to get it fixed. Inmate Stauch continued to yell over me saying that what I was doing was illegal and that they both would grieve me. Inmate Stauch also commented, "I know you don't like me but that doesn't mean you have to act that way." I walked away from her cell to call the kitchen to get Inmate Stauch's order fixed in which they did.

I walked back to Inmate Stauch's cell to give her the missing items for her lunch and informed her that her behavior was unacceptable when I was trying to only first understand and then help. She replied it wasn't me but the kitchen crew who she was frustrated at and apologized for the miscommunication.

**Inmate Stauch Odd Behavior**

On October 30, 2021, I, Deputy Neena Piluso, EID #20007 was assigned to as the primary deputy of [REDACTED] at the El Paso County Jail located at 2739 E. Las Vegas Street, Colorado Springs, Colorado, 80906.

At approximately 1815 hours, I assumed duties in [REDACTED] and performed my initial welfare check. When I approached [REDACTED] where Inmate Stauch, Letecia A#0342156 and [REDACTED] are housed I observed Inmate Stauch standing at the cell door appearing to look out into the dayroom area of the ward. I continued with my walk and proceeded to the deputy desk to unlock the bottom tier. On my next 30-minute welfare check Inmate Stauch was still standing at the door, as I walked past the door, I asked Inmate Stauch if she was doing ok. Inmate Stauch had a thousand-yard stare and refused to respond to the question. Approximately on my fourth welfare check Inmate Stauch stopped me at the cell door by asking, "Piluso, when did you get here?" I responded to Inmate Stauch by informing her I had passed her cell several times and she looked directly at me. Inmate Stauch shrugged and stated, "I was in a different universe".

At approximately 2130 hours, medication cart entered the ward to pass medications to inmates. When I started keying open door, I arrived at [REDACTED] and observed Inmate Stauch doing a handstand at the cell door. I knocked on the cell window and directed Inmate Stauch to stop to prevent her from injury. Inmate Stauch started laughing hysterically and stated, "I was a 1996 Olympic gold medalist, I won't hurt myself." I again directed Inmate Stauch to stop, which she complied. When Inmate Stauch came down to the medication cart she was speaking with the nurse and stated, "I was diagnosed with D.I.D when I was younger." Standing by I asked Inmate Stauch what D.I.D stood for? Inmate Stauch went on to explain that she was diagnosed with Dissociative Identity Disorder (D.I.D) and that was who must have saw me earlier. I asked Inmate Stauch who must have seen me? Inmate Stauch replied, "my alternate identity Maria Sanchez. She is really protective." Inmate Stauch then stated she was in a manic state because she had not slept or eaten in a few days. I asked Inmate Stauch why she was not sleeping or eating. Inmate Stauch responded, "I do not know just haven't"

Throughout the night I continued to monitor Inmate Stauch. Inmate Stauch spoke with [REDACTED] for approximately an hour after medication pass and then appeared to be sleeping throughout the night. Inmate Stauch woke up for breakfast and came down to retrieve her kosher meal. After breakfast Inmate Stauch appeared to be sleeping prior to the end of my shift. I briefed Deputy Snipe, Rashieda EID #21034 of Inmate Stauch's behavior and to continue to monitor her.

On 08DEC21 I, Deputy Danae Sym, EID#21058, was assigned as the ward deputy in [REDACTED] at the El Paso County Jail located at 2739 E. Las Vegas St. Colorado Springs, CO 80906.

At approximately 1015 hours, I was called by a Deputy in Intake and Release and was informed that Inmate [REDACTED], [REDACTED], was going to be leaving for out of county court in Denver. A short time after [REDACTED] was transported out for this appointment, Intake and Release called stating that [REDACTED] would be remaining out of county for the weekend and to send down her belongings.

The pass down I received from the prior shift was that some of the Inmates had been caught passing notes while out of the ward and some of the notes referenced drugs. Due to this information, upon packing [REDACTED] property I came across numerous notes that I read.

Many of the notes were from an inmate who identified themselves only as "S." I was not able to identify this inmate. Inmate "S" was asking for [REDACTED] to pass off her morning medication of Clonidine to her and "Pinky." I was able to determine, via the Inmates booking profile, that "Pinky" is Inmate [REDACTED] as "Pinky" is listed as an alias. There were several notes requesting [REDACTED] morning medications from "S" and "Pinky."

The notes also referenced possible relationships within the ward. They referenced several times an Inmate named [REDACTED]. There are two [REDACTED] within the ward.

A shakedown was conducted of several cells in reference to the notes and other information provided. It was determined the note from the prior evening, was given to the Inmate by the night cleaning crew within the ward.

Inmate Letecia Stauch, #A0342156 informed Deputy Candace Bradburry, EID#19053, who had been assisting with the shakedowns, that [REDACTED], had been the one with drugs in the ward and she had brought them from when she was over in [REDACTED].

The ward was informed that we were aware of their note passing and aware of the cheeking medications and passing of morning medications. They were informed that any more notes caught being passed would be a write up.

No further information.

**Inmate Stauch & Archuleta**

On December 10, 2021, I Deputy Araceli Meridith EID 16110, was assigned to the Security Division in [REDACTED], at the El Paso County Jail (CJC), located at 2739 East Las Vegas Street, Colorado Springs, Colorado 80906. I am a sworn, certified Peace Officer in the State of Colorado employed by the El Paso County Sheriff's Office.

At approximately 2105 hours, I heard yelling coming from [REDACTED] and [REDACTED]. I approached [REDACTED] 4 and [REDACTED], [REDACTED] was talking into her vent. I asked her what the yelling was about and she told me that Inmate Stauch, Letecia A0342156 figured out there is segregation between them, Inmate Stauch was asking her why, and got angry. [REDACTED] told her she has an issue with her charges, "I was being honest with her, but I have never said anything to her or other inmates". "I was trying to be the grown up and do the right thing, I placed a seg between us because if I'm around her I will say something or do something and I'm trying really hard to stay out of trouble Mrs. Meridith".

I went upstairs to talk to Inmate Stauch, who is in the cell directly above [REDACTED]. Inmate Stauch was yelling "That was a bitch move, fuck her", "She's a fuckin bitch, and that was a bitch move". I instructed Inmate Stauch to "shut up". She continued to be rude and was not allowing me to talk. I made it clear to her if she continued her behavior, I would charge her and move her back to [REDACTED]. She complied.

[REDACTED] is housed with Inmate Stauch and was also making remarks towards [REDACTED], defending Inmate Stauch. She also complied and remained quiet the rest of the night.

[REDACTED] and Inmate Stauch are already Seg'd. I moved [REDACTED] to [REDACTED] to keep them from communicating through the vent any further.

I have nothing further.

On February 2, 2022, I, Deputy J. Tillett, EID #13073, with the El Paso County Sheriff's Office Detention Bureau was assigned duties as [REDACTED] Primary Deputy, located at 2739 E. Las Vegas Street, Colorado Springs, CO. 80906.

The 1900 move list was completed. [REDACTED], was scheduled to move to [REDACTED]. I told [REDACTED] she was moving and to pack her stuff. When I went back to her cell to see if she was ready, she asked why she was being regressed. I told her again that she was moving to [REDACTED]. [REDACTED] said "really" and "I'm gonna pay back [REDACTED]". [REDACTED] is currently housed in [REDACTED]. I believe [REDACTED] was threatening [REDACTED] to stay housed in [REDACTED] with Inmate Letecia Stauch, A0342156. [REDACTED] and Stauch have been housed together since 10-16-21 and appear to be very comfortable being cellmates. Since [REDACTED] is manipulating housing and making threats, she will be moved to [REDACTED] and written up in-house per inmate classification. Segs were placed between [REDACTED] and [REDACTED] and Stauch.

I am requesting [REDACTED] be charged in-house with the following:

Stauch- Kosher diet

On, 02/011/2022 I Deputy L. Stengle EID 20041 was assigned duties as the █ deputy, at the El Paso County Jail. The facility is located at 2739 E. Las Vegas, Colorado Springs, Co. 80906.

At approximately 1300 hours I was walking around talking with inmates. I approached the table where Stauch, Letecia A0342156 was sitting with other inmates. They were making ramen, beans and cheese, and crushed flaming Cheetos to roll up in the flour tortillas they had.

I stayed and talked to them at the table until they rolled up their burritos with all of the ingredients, and I watched Inmate Stauch to see if she consumed the mixture of foods rolled in her burrito. She did consume the burrito in front of me. Inmate Stauch then told me about the dessert they were making from the cake on the trays and crushed cookies and Chico stick candy.

Inmate Stauch is not conforming to the rules of the Kosher diet.

Alpha one behaviors and manipulation

On February 13, 2021, I, Deputy Herbert 19024, was assigned to the Security Division as Midnight Shift, █ in the El Paso County Jail, 2739 E. Las Vegas, Colorado Springs, CO 80906.

### Manipulation:

█

Several inmates in █ are attempting to manipulate housing for various reasons. Inmate █ and █ approached me on several different occasions with reasons why they couldn't be housed with their cellmates.

█

█ has an extensive history of being manipulative and bulldogging other inmates. I observed █ braiding █ hair and █ and █ standing near the kiosk together while █ was placing an order. █ appears to follow █ around the ward.

### Inmate Stauch

Inmate Letecia Stauch A0342156 and █ were standing near the deputy desk and were having a casual conversation regarding items that had to be ordered to be brought into the ward. █ made a comment that if she tried to leave that more than the normal amount of deputies would respond, because, "I am black you know that right". Inmate Stauch replied something to the extent of you know they would respond because "I am me". Inmate Stauch giggled and called it a "code peaches". █ nickname. Inmate Stauch and █ appear to have developed a friendship.

### Behavior:

█ spent several hours screaming out of her cell. When I approached the cell to talk to her, she politely responds and returns to screaming at the walls. █ stated she was talking to "Thomas and he is clueless, that she does not want scabies, to talk to legislature, hey monkey man, bitch, talking about the noble peace prize". I attempted to talk to her several times to deescalate her behavior as it was disrupting the ward. To no avail █ continued to scream at the walls in her cell. I asked for an available mental health staff on both the radio and called the mental health extension, but no one was available.

█

I was conducting a formal welfare check as approximately 1945 upon walking the bottom tier toward █ I heard an echo sound. Indicating that an inmate was using the toilet to communicate with the male inmates through the plumbing. Arriving at the door I directed █ to move away from the door so I could see the toilet. █ refused to move. I observed █ jump away from the toilet and go sit on the bottom bunk.

I informed both █ and █ that they would be losing their time out 2/14/22 for their behavior. █ proceeded to attempt to manipulate and argue her way out of having her time taken away from her for the next several hours.

The purpose of this report is to provide behavior issues in the ward and ongoing bulldogging happening

#### Inmate Stauch Claims She is Suing

On February 18, 2022, I, Deputy N. Motta, #19020, was assigned to Floor Security Night Shift, as █ at the El Paso County Jail. This facility is located at 2739 East Las Vegas Street, Colorado Springs, CO 80906 in the county of El Paso.

At approximately 1815 hours, I relieved the day shift deputy and began to serve dinner within the ward. I got confused with the diet list and asked Inmate Letecia Stauch #A0342156 to come down to receive her Kosher diet. Inmate Stauch said she no longer was receiving a Kosher diet due to a deputy taking it from her.

After I served dinner, I went door to door to make sure everyone got dinner. I stopped at Inmate Stauch's door and asked her to elaborate on the diet issue. She stated that Deputy Stengle #20041 took her Kosher diet away from her because she had purchased non-Kosher items within her commissary purchase. Inmate Stauch became very frustrated and angry and stated that she was going to be suing Deputy Stengle for her First Amendment right being violated. Inmate Stauch went on a rant about how it is wrong that she took her diet away from her and said she does not eat the trays we give her. Inmate Stauch said she has been eating only her commissary items, such as tuna, etc. Refer to report #220001358.

This report is to document the statements made by Inmate Stauch and is for informational purposes only.

Ward 1A1 Informational

On March 15, 2022, I, Deputy Jennifer Poist, EID #18081, was assigned as floor security as [REDACTED] Deputy at the El Paso County Jail located at 2739 E. Las Vegas, Colorado Springs, CO 80906.

From approximately 0800 to 1400 hours, the bottom tier of [REDACTED] was unlocked. The following items were removed from cells [REDACTED] during housing inspections:

1 jumpsuit top, 4 towels, 2 double-mattresses and miscellaneous trash

From approximately 1500 hours until I was relieved of my duties at 1815 hours, the top tier of [REDACTED] was unlocked. The following items were removed from [REDACTED] during housing inspections:

3 jumpsuit tops, 1 jumpsuit bottom, 2 sheets, 2 blankets and miscellaneous trash

At approximately 1100 hours, [REDACTED] approached the deputy desk and stated she was hearing voices. I clarified with [REDACTED] and she stated she often hears voices and sees, "visuals, like a TV screen." [REDACTED] became upset and stated she was at some man's house, the police came, and she has been in jail for 10 months. [REDACTED] continued speaking of her mother, boyfriend and stepfather however, most of what she said was unintelligible or out of context. [REDACTED] insisted she was not schizophrenic. I attempted to ask [REDACTED] what she sees and hears but she could not answer the question. I asked [REDACTED] if she wanted to speak to mental health; she replied, no. I advised [REDACTED] of her next court date and asked her to please tell a deputy if the voices became harmful; she agreed. Mental Health staff member [REDACTED] was notified via phone.

At approximately 1115 hours, I observed Inmate Stauch, Leticia #A0342156 singing and dancing within her cell. Inmate Stauch abruptly yelled, "I'm manic as hell!" I did not reply and continued my welfare check of the ward. While conducting my next welfare check, Inmate Stauch stopped me at her cell door and stated she had been manic for four days now. She continued by stating she does not get the medication she needs for bipolar and is often manic for a week before she, "crashes."

At approximately 1320 hours, psychiatric staff member, [REDACTED] entered the ward. [REDACTED] stated Inmate Stauch was on his list to speak to, so I updated him on her previous statements. Inmate Stauch spoke with [REDACTED] for approximately ten minutes. Following this conversation, Inmate Stauch appeared short-tempered and would often make remarks about the behaved inmates in the ward being punished for other inmates' actions.

At approximately 1415 hours, [REDACTED] was being escorted by two deputies into the alpha mod from court advisements. Deputy Stevens, Dennis #13108 removed [REDACTED] wrist restraints; she immediately began yelling about how tight they were and punched the wall multiple times. Deputy Stevens and Deputy Border, Charles #16014 maintained control of [REDACTED] upper body and applied wrist restraints on her. [REDACTED] began crying and stated she asked for the restraints to be loosened but the court deputy would not listen. I allowed [REDACTED] to take a few breaths; she agreed to cooperate, enter the ward and house in her cell. Once on the top tier, the wrist restraints were removed, and I photographed [REDACTED] right hand. [REDACTED] had small scrapes and one bloody knuckle due to striking the wall. I asked [REDACTED] if she would like to be seen by medical; she replied, no. Sergeant Kerl, Kristina #11011 was notified via phone.

At approximately 1710 hours, the emergency light to [REDACTED] was activated. [REDACTED] stated she did not feel well and thought she was about to, "fall out." [REDACTED] has a history of seizures. At this time, I contacted medical and advised medical staff member [REDACTED]; he stated he would inform the charge nurse. Although the bottom tier was locked down, I opened the door to [REDACTED] to the wall to have a better view of [REDACTED].

At approximately 1730 hours, an inmate waved me down and advised [REDACTED] appeared to be seizing. [REDACTED] was shaking and would not respond to me, verbally. I called a Code Blue and responding personnel entered the ward. [REDACTED] was removed from the ward, taken to medical and assessed. [REDACTED] returned to the ward at approximately 1745 hours.

### Narrative

Incomplete Report-Informational- [REDACTED] and [REDACTED] Segs Against Each Other-evidence of intimate relationship

On Sunday, March 27, 2022 I, Deputy K. Cooper (EID 20076) was assigned duties as the Ward Deputy for [REDACTED] at the El Paso County Jail located at 2739 E. Las Vegas Street, Colorado Springs, CO, 80906.

At approximately 1100 hours, [REDACTED], who was housed in [REDACTED] stopped me during one of my 30-minute welfare checks within the ward and told me that it wasn't working for her and Inmate Leticia Stauch as cellmates anymore, [REDACTED] requested to move cells. I told [REDACTED] that I could not move her at this time period and that she should try to work things out with Inmate Stauch, since they had appeared to get along for the most part. I continued my check.

[REDACTED] pointed towards cell [REDACTED] and said, "You need to handle that, she needs help." I told [REDACTED] to stop yelling across the ward at me, and if she needed to say something to me, she could come up and talk to me. [REDACTED] did not say anything else to me and she continued to play cards at the table in the dayroom.

At approximately 1215 hours, I was conducting another 30-minute check. When I got to [REDACTED], [REDACTED] said "Please Dep. I need to talk to you." I pulled [REDACTED] out of [REDACTED] and asked her what exactly was going on between her and Inmate Stauch. [REDACTED] told me that Inmate Stauch had told [REDACTED] to move out of [REDACTED], because she didn't want [REDACTED] in her cell anymore. I asked [REDACTED] what happened between the two to cause this situation. [REDACTED] said, "she said I'm creating problems and am going to get her in trouble because of it. She said I have to get out of the cell before there's problems." I asked [REDACTED] if she felt safe to be in the cell while I looked into the situation, [REDACTED] said that she did not feel safe in [REDACTED] with Inmate Stauch. Since [REDACTED] had no segs within [REDACTED] I allowed her to be in the day room while I looked into the issue in [REDACTED].

During my next 30-minute check Inmate Stauch stopped me and asked what was going with [REDACTED]. Inmate Stauch proceeded to tell me her side of the story. Inmate Stauch said that [REDACTED] has been passing items through the cell doors to [REDACTED] and [REDACTED]. Inmate Stauch expressed concern that in that [REDACTED] was being taken advantage of by these other inmates because [REDACTED] always is able to get commissary. I asked Inmate Stauch if she had an issue with [REDACTED] and wanted her out of [REDACTED]. Inmate Stauch said she was fine with [REDACTED] and she thought that they got along well together, Inmate Stauch mentioned, "she's about the same age as my daughter, I just want to look out for her." Inmate Stauch informed me that [REDACTED] had a girlfriend housed on bottom tier and that [REDACTED] was trying to move to the bottom tier in order to get closer to her. I told [REDACTED] and made stout that I would look more into this and that she was she shouldn't be worried that she was going to be in trouble for it.

On another 30-minute welfare check in Inmate Stauch stopped me again and gave me a note that she took from [REDACTED] rr's property box and said that it was intended for [REDACTED]. Inmate Stauch told me that the note would support the claim that [REDACTED] and [REDACTED] were in a relationship and attempting to manipulate housing so that they could be in a cell together. I. I thanked Inmate Stauch and told her that I would look into it some more and ensured that I would not tell any inmates that she had provided the information to me.

At approximately 1300 hours [REDACTED] volunteered to move to a daybed, so that [REDACTED] could move into [REDACTED] causing [REDACTED] to be housed with [REDACTED]. I told [REDACTED] that she would not be moving to a daybed and [REDACTED] would not be moving into [REDACTED].

I read over the note that Inmate Stauch had given me. The note had lots of sexual language and established a relationship between [REDACTED] and another inmate, it did not name [REDACTED].

I called inmate class and spoke with Bree and informed her of the housing manipulation attempt, and my suspicions of an intimate relationship between the [REDACTED] and [REDACTED]. It was determined that segs would be placed between the two inmates and that [REDACTED] would be moving from [REDACTED] due to multiple attempts of trying to pass items through cell doors as well as trying to manipulate housing.

More to follow...

Shakedown ██████████

On May 10, 2022, I, Deputy Katherine Draper, (EID #18084), was assigned to ██████████ at the El Paso County Criminal Justice Center (CJC), located at 2739 East Las Vegas Street, Colorado Springs, El Paso County, Colorado 80906

At approximately 2300 hours we started a shake down in the ward. We started on the top tier patting out all the inmates and placing them all in the MPR (Multipurpose room). While clearing out the ward we found a couple double mattresses, twist ties, an emesis bag from medical and a medical measurement cup. There was a torn mattress with jumpsuits hidden in it and love letters found in another cell.

It appeared as if ██████████ is running a store, multiple sinks had tampons and misc. items placed in the hole under the soap dish area built into the sink. Inmates had paper boxes and over 25 small shampoo bottles of scrubez cleaner. Many pads and tampons in the cells one cell having 30 pads. Extra batteries, thermal, boxers, radios, headphones that didn't belong to the inmates.

We removed 7 bags of garbage from the ward, many masks formed into head bands, torn or braided sports bras

We found Inmate Stauch, Letecia A0342156 had love letters and a photo of Former ██████████. ██████████ is now serving a life sentence in the Colorado Prison system. The envelope addressed from him used his home address in area.

██████████ had a card, business card type, in her bunk with Deputy Cooper and Deputy Heavener's names on it along with a past inmates A number.

██████████, had a torn mattress with a hidden jumpsuit in it. She stated the mattress was already torn. I explained her being in possession of it and should have had it replaced instead of utilizing it for storage.

██████████, was in possession of a ton of love letters between her and another inmate. We could not figure out another inmate it may be. I spoke with ██████████ about the situation.

1A3-SD-Inmate Stauch throws feces water at Inmate [REDACTED]

On June 8th, 2022, I, Deputy Janel Cavilee EID # 21111, of the El Paso County Sheriff's Office (EPSO), assigned to the Security Division, [REDACTED] assist, at the El Paso County Jail, located at 2739 E. Las Vegas St, Colorado Springs, Colorado 80906.

At approximately 1847 hours, I observed [REDACTED] emergency light flashing. I walked up to the cell and observed Inmate Stauch, Letecia (A0342156) punching the glass window on the door with her right knuckles. I asked her to stop punching the door and to tell me what was wrong. Inmate Stauch was yelling in anger that her cell mate, [REDACTED] had been leaving here trash all over the cell, she doesn't flush the toilet and her cell mate was filthy.

Inmate Stauch was pacing in her cell back and forth, telling me that she had talked to Deputy Turner about [REDACTED] and that she was very angry, but Deputy Turner had already explained to her that she could not move housing.

I told Inmate Stauch that she needed to calm down, and that I would talk with Deputy Byrd about the situation so we could come up with an appropriate solution. Inmate Stauch explained to me that she saw mental health and a day sergeant earlier in the day and notified them of the issue she was having with her cell mate.

Deputy Byrd walked over to the door to talk with Inmate Stauch about the situation and was told by Deputy Byrd that she would not be moving housing. Inmate Stauch told Deputy Byrd that if she wasn't moved there was a possibility that she was going to punch [REDACTED]. Deputy Byrd explained to Inmate Stauch that she would be charged with assault if she continued with the verbal threat. Inmate Stauch stated that she didn't care, and that it didn't matter anyways.

Deputy Byrd and I walked away from the cell. I continued to listen to Inmate Stauch talking to [REDACTED], telling her that she was going to hurt her. I walked back to [REDACTED] and observed Inmate Stauch filling up a milk carton that she has gotten from one of the meal passes, with feces water from the toilet and observed her throwing it on [REDACTED]

[REDACTED] was on her bunk and covered her body with the safety blanket. [REDACTED] face was not covered, so when Inmate Stauch threw the feces water at [REDACTED], I observed the liquids touching [REDACTED] face and hair.

I immediately called for a [REDACTED]. I asked Inmate Stauch to turn around and place her hands behind her back. She complied with my verbal command. I opened the door, placed her in handcuffs, checking for tightness and safety and double locked them.

Inmate Stauch was escorted to [REDACTED] and was observed for approximately 3 hours. She declined medical treatment for her right hand that was bruised.

She was escorted to [REDACTED] where she was rehoused.

[REDACTED] was allowed a shower, new jumpsuit and a bedroll. [REDACTED] declined medical treatment.

I respectfully ask the hearing board to find Inmate Stauch, Letecia guilty of the following act:

### Class 1-4 Assault

An inmate commits this offense when he intentionally, knowingly, or recklessly, causes injury to another person, or applies any physical force or offensive substance, such as feces, urine, mucus, spittle, or any other item against any person regardless of whether or not physical injury occurs.

All of Inmate Stauch's property was inventoried and placed in lock down property.

Photos were taken of both inmates and uploaded.

Inmate classifications was notified at approximately 2000 hours, via phone and approved rehousing for [REDACTED]

Medical staff was notified at approximately 2100 hours, via phone.

Mental health was unable to be reached but will be notified.

#### Narrative

On Wednesday, June 08, 2022, I Deputy Kimberly Byrd EID 04041, was assigned to floor security, as primary Deputy in Ward [REDACTED], at the El Paso County Jail (CJC), located at 2739 East Las Vegas Street, Colorado Springs, Colorado 80906.

At approximately 1845 I was conducting a formal welfare check in the ward and as I was in a cell, I heard a loud angry voice speaking with a much softer voice. I backed out of the cell I was in and looked towards the voices. I observed Deputy J. Cavilee, #21111 standing outside of [REDACTED] speaking with Inmate Stauch, Letecia (A0342156). Due to the tone in Inmate Stauch's voice I went over to [REDACTED]. As I approached, I could hear Inmate Stauch speaking negatively about her cellmate [REDACTED] and requesting from Deputy Cavilee that she or the cellmate needed to be moved. I spoke with Inmate Stauch, informing her that she, nor the cellmate would be moved and that she needed to behave as an adult and make the situation work.

Inmate Stauch stated that she was not talking to me, that she was talking to "her" (indicating Deputy Cavilee). I then told Inmate Stauch that I was the primary Deputy in the ward and that I would not be moving her. Inmate Stauch then stated that if I left her in the cell, she would assault [REDACTED]. I once again informed Inmate Stauch that she needed to make the situation work and that if she did in fact follow through with her threat of assault she would be charged. Inmate Stauch stated that she did not care about the consequences. I walked away and continued the formal welfare check on all other inmates.

A very short time later as I was in [REDACTED] checking on the inmates housed there, I heard on the handheld radio, [REDACTED]. I immediately backed out of [REDACTED] and went to [REDACTED]. As I approached Deputy Cavilee informed me that Inmate Stauch had thrown toilet water on [REDACTED]. Deputy Cavilee ordered Inmate Stauch to turn away from the door and place her hands behind her back. Inmate Stauch complied. Handcuffs were placed on Inmate Stauch, and she was removed from the ward by Deputy Cavilee and responding deputies.

I then entered [REDACTED] and spoke with [REDACTED]. I asked [REDACTED] if she was ok, and she responded, "yes, but I don't want to be in here". I assured [REDACTED] that she would no longer be housed with Inmate Stauch and asked her once again if she was ok and if she needed to speak with medical or mental health. [REDACTED] responded, "I'm fine, but can I take a shower". I let her know that she would be allowed to take a shower and change her jumpsuit and blankets.

I have nothing further.

## Behaviors

On Saturday, June 11th, 2022, I, Deputy Lesley Shanahan (EID 19093) was assigned to [REDACTED] on day shift, at the Criminal Justice Center, located at 2739 E. Las Vegas St. Colorado Springs, CO 80906.

[REDACTED] was on her hour out when she expressed the need for a shower. I took a wheelchair to her cell for her to use, per her ADA alerts. When I left the cell [REDACTED] started screaming that she needed help and cannot get into the wheelchair by herself. I assisted her with getting into her wheelchair.

Moments later, I gave her hygiene products for her to take a shower. [REDACTED] screamed again that she needed help and that she cannot do anything alone. I assisted her into the shower, helped turn on the water, and gave her shampoo and soap while she was in the shower. I also assisted [REDACTED] out of the shower and helped her put her safety smock on.

There were numerous times though my shift where she was on her cell floor screaming that she had fallen and needed help up off the ground. I assisted her multiple times off the ground and back on her bed. [REDACTED] also needed assistance getting on and off the toilet.

Inmate Stauch, Letecia A0342156 was pacing in her cell, so I stopped to ask if she was alright. I observed her holding a milk carton with a couple of her fingers inside the carton. She walked up to the door, pulled her fingers out of the milk carton, and wiped a dark liquid across her forehead and cheeks.

Inmate Stauch was saying something along the lines of nobody can replace the king and that Jesus is coming. She was also repeating "In the remembrance of Jesus." She also said that she's a vampire and likes to drink blood, while proceeding to take a drink out of her milk carton. I asked her multiple times what was in her milk carton. She ignored me and kept talking to herself. I also asked her multiple times if she was bleeding from anywhere on her body.

Inmate Stauch continued to ignore everything I said to her. I did not notice any visible blood coming from anywhere on her body. A couple wellness checks later, I noticed her pacing and talking to herself. I stopped and addressed her by saying "Stauch, are you ok? Do you need to see Mental Health?" She said, "Genevieve does not need help." I said "No, do you need to speak with Mental Health?" She replied with "No, Genevieve is in perfect health condition." I continued my wellness check.

During lunch, Inmate Stauch accepted her lunch bag. She was talking in the third person referring to herself as Genevieve. She stated she has not eaten since lunch on June 8th and that CJC is trying to poison her. She was also requesting to be weighed.

[REDACTED] was on her hour out for about 35 minutes before I terminated her time and told her to lock down. [REDACTED] asked if I could talk to her about her bond. Which I did. She started accusing me of lying to her about her bond and repeating, "The Grandpa Deputy that was in here a few days ago said something completely different." She started screaming about how we are holding her hostage and wants to call her lawyer. I advised [REDACTED] that she can use the phone whenever she is on her out time.

[REDACTED] continued to carry on loudly about how she is being kept at CJC against her will. Two inmates that were on their hour out asked her to be quiet because they were on the phone. [REDACTED] then directed her anger at the other inmates who were out and started screaming at them. These Inmates were [REDACTED] and Inmate [REDACTED]. Due to [REDACTED] showing aggression toward them, I ordered her to lock down. She screamed and paced in her cell for about an hour after that.

I observed [REDACTED] squatting down in her cell when I was doing a wellness check. I asked her what she was doing, I then heard her urinating. I asked her if she was peeing, and she didn't respond. She then pulled her cup out from under her that was full of urine and proceeded to drink it. I told her to dump it in the toilet and she did. I advised medical.

[REDACTED] banged and hit her cell door through the day. She was occasionally screaming. I tried to ask her questions and her responses did not make sense. When speaking to [REDACTED] she would whisper so low that I could not hear her.

#### Inmate Stauch Suicidal Gesture

On Saturday, June 11th, 2022, I, Deputy Lesley Shanahan (EID 19093) was assigned to ██████████ on day shift, at the Criminal Justice Center, located at 2739 E. Las Vegas St. Colorado Springs, CO 80906.

At approximately 1500 hours, Inmate Classification called and advised me to move Inmate Stauch, Letecia A0342156 to a cell upstairs to provide more Red Sheet (suicidal with a plan) housing. I advised Inmate Stauch that she needed to get her items and move them to ██████ upstairs. Inmate Stauch replied with "Maria is not moving upstairs." I submitted a report an hour before regarding her behavior and referring to herself in the third party. This is not her normal behavior please refer to incident number 220005651 for further information.

I then advised Inmate Stauch that she had two options. She could do it herself or I would do it for her while she spends time in ██████████. Inmate Stauch again replied with the same statement, "Maria is not moving upstairs." I called for responding Deputies to help escort Inmate Stauch upstairs.

Inmate Stauch was ordered to come out of her cell and to go upstairs in which she complied. When Inmate Stauch got to the top tier she tried to throw her legs between the safety bars while saying "Look, I can fit!" She was quickly pulled back by Sergeants and Deputies and escorted to ██████.

I called Mental Health and spoke to ██████████. ██████ was comfortable with Inmate Stauch staying housed in ██████ based on their previous conversation the day prior. He said Inmate Stauch was behavioral not suicidal, and she told him that she intended to act out.

Within ten minutes I conducted my next wellness check. I observed Inmate Stauch laying on her bunk, flat on her back. She had one pant leg tied around her neck and the other pant leg tied to the bunk ladder. I called a Step Over (Deputy Needs Assistance) over my Tait radio. I opened the door, went in her cell, and removed the pants from around Inmate Stauch's neck and the ladder. The knots were undone with ease. The knot was not tight. I then untied the pants from around Inmate Stauch's neck easily.

Sgt. Delong (EID 13158) responded and upon arrival called a Code Blue (Medical Assistance Needed). Inmate Stauch was conscious and breathing. She appeared like she was shivering because she was cold. Medical staff entered ██████ and evaluated Inmate Stauch. They took her vitals and spoke with her, Inmate Stauch seemed fine.

It was determined that Inmate Stauch will be placed on a Red Sheet, and she would be placed into a safety smock. Mental Health deemed this was a suicidal gesture and not a suicide attempt. Inmate Stauch was dressed into a safety smock by me and Deputy Brokaw (EID 14108). for her safety and escorted to ██████. She remained in ██████ until Inmate Classification could place her into appropriate housing for her classification. She was housed ██████████.

INMATE STAUCH SUICIDAL GESTURE

On June 11, 2022 I, Deputy Austin Wedemeyer, EID 17046, a sworn peace officer in and for the County of El Paso, Colorado was assigned duties as Intake 42 in the Intake/Release section at the El Paso County Criminal Justice Center (CJC), located at 2739 E. Las Vegas Street, Colorado Springs, CO 80906.

At approximately 1500 hours I heard [REDACTED] call for additional deputies. When I responded I learned that Inmate Stauch, Letecia #A0342156 was currently housed in [REDACTED] but was being moved to [REDACTED] and was refusing to move. With multiple deputies present we approached [REDACTED] and told Inmate Stauch she needed to move to [REDACTED]. She complied. As she was walking across the top tier she stopped and turned towards the railing. Inmate Stauch started to stick her legs through the railing while saying, "Maria can fit." Two other deputies grabbed her arms and pulled her back. Inmate Stauch was escorted to [REDACTED] where she remained.

At approximately 1540 hours I heard a Step Over called to [REDACTED]. As I was entering the ward I heard them call a Code Blue in ward [REDACTED]. When I entered the ward I saw deputies outside [REDACTED]. When I reached [REDACTED] I saw Inmate Stauch laying on her back with her pants off. I stood by as medical assessed Inmate Stauch. It was determined Inmate Stauch would be placed on red sheet suicide precautions.

While we were waiting for a safety smock to be brought to [REDACTED] so she could be dressed into it I asked Sergeant Ryan Brooks (EID 16054) if he wanted a crime scene log to be started in case this was deemed a suicide attempt. Nurse [REDACTED] turned and said, "It's a gesture. I've already decided." Sergeant Brooks told me it would be a gesture and we did not need a crime scene log. I reminded asked Sergeant Brooks for clarification on whether that call had to come from the [REDACTED]

Inmate Stauch placed in step I restraints while in ██████████ for ██████████

On 12 June 2022, I, Deputy Parker Wells #18113, of the El Paso County Sheriff's Office (EPSO), was assigned Intake and Release Rover duties at the El Paso County Jail. This facility is located at 2739 E Las Vegas St, Colorado Springs, CO 80906 in the county of El Paso.

At approximately 0200 hours, Inmate Stauch, Leticia #A0342156 was placed in step I restraints (handcuffed behind her back). Inmate Stauch was attempting to cut her left wrist on the white plastic box in ██████████ of Intake and Release.

I began a DB 222 for Special Detentions Documentation and maintained fifteen-minute welfare checks. Intake medical staff performed restraint checks approximately every two hours as needed.

While Inmate Stauch was in step I restraints, I observed her either standing or sitting down in the cell. Inmate Stauch was not disruptive while in Intake.

Inmate Stauch returned to ██████████ at approximately 0400 hours.

### Narrative

#### Alpha Two Informational

On June 11, 2022, I, Deputy Neena Piluso EID #20007, was assigned as the primary deputy in █ at the El Paso County Jail located at 2739 E. Las Vegas Street, Colorado Springs, Colorado, 80906.

Inmate Stauch, Letecia A #0342156

At approximately 1830 hours, I assumed duties in █ and was briefed by Deputy Shanahan, Lesley EID # 19093 that Inmate Stauch was currently in █ after a "Code Blue" (inmate needing immediate medical assistance). Deputy Shanahan explained that Inmate Stauch attempted to squeeze through the middle bars on the top tier attempting to jump off. Inmate Stauch was placed into a safety smock and placed on suicidal precautions.

At approximately 2015 hours, Inmate Stauch was escorted back to █ from █ and housed in █. Due to Inmate Stauch's behavior, she was only provided two safety blankets, before entering █. Inmate Stauch stated, "I'll rip the mattress and hang myself."

At approximately 2023 hours, evening medication pass came into the ward. I stopped at █ to ask Inmate Stauch if she wanted her medication. Inmate Stauch stated, "My name is not Stauch it is Taylor." I addressed Inmate Stauch as Taylor and again asked her if she wanted her evening medication pass, which she replied, "Yes."

At approximately 2125 hours, while conducting a welfare check I observed Inmate Stauch laying on the cell floor and attempting to rub her wrist back and forth on the screw that bolts the toilet to the wall. I quickly got Inmate Stauch's attention and gave her a verbal order to stop. Inmate Stauch turned towards me and yelled, "I want to die for Christ." "Leave me alone so I can die for Christ." Due to Inmate Stauch attempted to self-harm herself, I called and spoke with Sergeant Bryant, Mary EID #12056 regarding different housing. It was decided Inmate Stauch would be escorted to █ until housing could be determined. Once Sergeant Bryant and other responding deputies arrived, Inmate Stauch was taken out of █. I wrist restraints were placed, and she was escorted to █.

At approximately 0400 hours, Inmate Stauch was escorted back to █. Once the cell door was secure, Inmate Stauch immediately began yelling at deputies. Inmate Stauch asked for water and toilet paper which was given.

At approximately 0404 hours, Inmate Stauch yelled out of her cell, "Y'all are incompetent, I'll take these strings out of this blanket." Deputy Dornan, Conor EID #18110 and I walked over to █ and explained to Inmate Stauch that if she removed the strings from either the safety blanket or smock to harm herself, they would be taken away from her. Inmate Stauch yelled, "Did you see me take any strings out." then proceeded to lay down.

During my initial welfare check, I observed █ had smeared food all over her cell window. Deputies were still able to see █ through the cell window during welfare checks. Deputy Shanahan informed me that █ was still needing her hour out. While conducting other inmates' hour out, █ banged on cell door and numerous obscenities out of her cell and would spit on the cell window when deputies would walk past. Due to █ negative behavior, her hour out was revoked for June 11, 2022. Throughout the night █ continuously banged on the cell door, slammed the metal stool in the cell against the wall and yelled out of her cell. █ would yell out, "I fucking hope you die." "fucking faggot" as well as other obscenities.

At approximately 1930 hours, █ started banging on the door and yelling and wheelchair. █ was informed she was unable to have a wheelchair in her cell. █ then began to scoop soiled toilet water out and throw it under the cell door.

Throughout the shift, █ would loudly yell and appear to be sing in a different language. █ at one point was yelling out the cell, "Come kill me." █ continued this behavior on and of throughout the duration of shift.

Incident Report # 220005670

At approximately 0530 hours, during a welfare check I observed [REDACTED] squatting down appearing to urinate on the floor. I asked [REDACTED] what she was doing, which she replied, "I am thirsty." When [REDACTED] stood up, I saw that she had urinated into her issued plastic cup. I told [REDACTED] to dump the urine into the toilet and I would get her some water. I observed [REDACTED] empty her cup into the toilet, I then walked towards the deputy desk to grab some gloves. I gathered [REDACTED] cup cleaned it with hot water and gave her clean water.

Narrative  
A2- Informational

On June 12, 2022, I, Deputy Tays Cruz, EID 19075, was assigned to ward [REDACTED] in the El Paso County Jail (CJC). This facility is located at 2739 East Las Vegas Street Colorado Springs, Colorado 80906. I am a sworn, non-certified Peace Officer in the State of Colorado employed by the El Paso County Sheriff's Office.

Stauch, Letecia (A0342156) – Inmate Stauch displayed odd behavior throughout the day. Inmate Stauch stated that her name was Maria and not Stauch. Inmate Stauch refused her lunch because she is Jewish and should not be getting food on trays. It should be known that Inmate Stauch is on a dental soft diet and not on a Kosher diet.

Inmate Stauch said, "I want my dinner tray though, I would never hurt you though. Just myself." While passing out dinner trays, I gave Inmate Stauch a Styrofoam tray. Inmate Stauch asked for her hard tray, but I informed her that she was eating her dinner from a Styrofoam tray. Inmate Stauch stated, "that's fine, I'll wait for breakfast then."

[REDACTED] – Segregations were placed between [REDACTED] and [REDACTED]. [REDACTED] is very disrespectful to other Inmates and Deputies. While conducting their hour out, [REDACTED] appeared very agitated with [REDACTED] and told [REDACTED] to stop being so disrespectful several times. Before locking down [REDACTED] walked by [REDACTED] cell and shut her door. [REDACTED] stated, "it was either that or I was going to catch another charge.", [REDACTED] proceeded to lock down.

Segs were placed between the two Inmates to prevent an altercation.

This is for informational purposes only.

I have nothing further at this time.

#### Alpha 2 behavior

On June 22, 2022, I, Deputy J. Tillett, EID #13073, with the El Paso County Sheriff's Office Detention Bureau was assigned duties as █ Primary Deputy, located at 2739 E. Las Vegas Street, Colorado Springs, CO. 80906.

█ told me she needed to talk to me about her not getting her medication and me not doing my job. █ claims I am responsible for her not taking her medication yesterday evening (6/21/22). I was not in the ward at the time medication was given so I have no idea what happened. I do know that █ will insist that it is not the correct time for her to get her medication and try to argue about it. My usual response is that the nurse is here with the medication and if you choose not to take it now, you will not be given another opportunity. █ seems to think I need to stop at her cell door so she can discuss the way I do my job and my inability to do it correctly. When I choose not to do this, █ starts pushing her emergency alarm. While this is happening, █ is standing at her cell door, talking. █ then yells at me for not immediately going to her cell when she pushes her button.

█, was taken off transition status today. I ordered an orange jumpsuit for her. I opened the cell door and told █ I have your new jumpsuit. █ sat up and said "you needed to let me out of here" as she moved to stand up. I tossed the jumpsuit on the bed and closed the door as it appeared █ was going to try to exit the cell. █ said something I could not understand. She is now staring at me and will not talk to me. I told █ to put the dirty jumpsuit through the food trap and she is ignoring me. I have asked many times for the jumpsuit, and I continue to be ignored. Due to █ behavior, I am not opening the cell door to retrieve the jumpsuit. █ will not be given anything else until she hands over the jumpsuit.

█ was sent a trusty contract by inmate classification. I told █ what it was and asked her to sign it. █ signed it, ripping the paper with the inmate pen she was using. █ said "I don't want a fucking trusty I want fucking commissary, send me to laundry" while signing it.

█, thinks several of the other inmates are the "devil" and she offered to "beat them up". I told her that is not necessary, and she needs to stay out of trouble.

Inmate Letecia Stauch, A0342156, was on her time out from 1839 to 1939 hours. While she was on the phone, I overheard her saying she is not eating, except for the packaged cookies at lunch. She talked about the weight that she was losing. Inmate Stauch then said she was done being over here █ and was going to tell them (I assume inmate classification) "I am ready to go back".

█, has pushed the button trying to exit the ward twice now. The last 2 days, her time out was ended early due to this. █ needs to be watched closely if she is near the sink by the ward door.

This report is to document behavior only.

I have nothing further at this time.

#### A2 Behavior and Hour Outs Informational

On Saturday, June 25, 2022, while working at the El Paso County Jail, located at 2739 East Las Vegas Street, Colorado Springs, CO 80906, I, Deputy Kimberly Lee (EID 20015), was on duty and assigned to Floor Security, Day Shift, as the primary deputy in █

Below is a summarized account of behaviors for inmates housed in █

Stauch, Leticia (A0342156)

Inmate Stauch was offered her unlock time but refused. I asked again, seeing if she would like to stretch her legs or make phone calls. Inmate Stauch said she did not want to come out.

█

█ was offered her unlock time but refused saying "nah I'm good." I asked █ again, saying she could get up and stretch her legs. █ stated she was going back to bed.

█

█ unlock time had been taken by the previous shift, so she was not offered her unlock time during my shift. At approximately 1500 hours, I observed █ squatting on the top bunk in her cell. █ had feces in her hand and was throwing it at the wall in her cell. I called for assistance and allowed █ to shower, getting her a clean jumpsuit, while her cell was being cleaned.

█ requested to brush her teeth, so that was allowed. █ was no issue afterwards.

█

█ was not offered her unlock time due to it being taken away by the previous shift. Throughout my shift in █, █ yelled out of her cell. █ not listen to any verbal commands to stop banging on her door and told me to "fuck off," any time I attempted to speak with her.

█

At approximately 0630 hours, █ pushed her emergency button, so I went to her cell to ask if she was okay. █ requested to see medical because her neck was bothering her. I informed █ she would have to kite medical on her out time. █ stated she understood and asked for a toothbrush. I informed █ she had to wait until she was unlocked to brush her teeth, but when I returned to the deputy workstation, she pushed her emergency button.

█ was standing at the cell door with her arms crossed. █ began banging on her cell door yelling for me to bring her a toothbrush. I informed █ I would talk to her on my next check. █ continued banging and screaming. █ told me to "hurry the fuck up bitch!"

While conducting my next welfare check of the ward, I attempted to talk to █, but she began yelling and screaming at me to let her out her cell. I explained to █, she would be coming out during her scheduled unlock time.

█ proceeded flood her cell and the entire top tier. █ tried tampering with the door frame on the inside, attempting open the door. █ continued this behavior throughout my shift.

█ soaked her toilet paper and began throwing it at the cell door. A few welfare checks later, I observed █

# El Paso County Sheriff's Office

Incident Report # 220006124

sitting on her top bunk in the cell ripping county issued books and throwing the pages throughout her cell.

Whenever I passed [REDACTED] cell, she yelled for me to "get the fuck away" and threatened to "beat [my] ass" if I walked by her cell again. I told [REDACTED] I would continue walking by her cell for the rest of the day.

During lunch pass, [REDACTED] threw her tray out of the food trap, so I walked over to her cell and informed [REDACTED] her behavior was unacceptable. [REDACTED] said she did not care, and she did not belong in jail. [REDACTED] stated she would fight deputies every step of the way until she got released. I informed [REDACTED] she would not have her hour out because of her behavior and threats.

[REDACTED] continued banging on her cell door the remainder of shift.

This report is for informational purposes only.

I have nothing further.

### Narrative Inmate Padgett Behavior

On August 16, 2022, I, Deputy K. Rodriguez EID 16096, was assigned to █ at the El Paso County Jail, located at 2739 East Las Vegas Street, Colorado Springs, Colorado 80906.

At approximately 1730 hours, █ and Inmate Letecia Stauch (A0342156) were sitting at a table eating dinner. Inmate Stauch yelled; you better get her she just spit toward us at the table referring to █ I ordered █ to lockdown so I could look into the situation. I asked █ and Inmate Stauch what happen. Both inmates said she spit at them while walking by. █ stated, "This isn't the first time, this has happened." Inmate Stauch stated "I was listening to the tablet loud and then felt something wet hit my arm as she lifted her right arm.

█ said "Rodriguez, she has come at me and my cellmate in an aggressive manner at our cell and my cellmate slammed the door." █ said, "I have told several deputies and they blame it on her Mental Health."

I spoke with █ and asked her to explain what happen. █ said, "I ate dinner, emptied my tray placed it on the cart and was heading back upstairs I had a green bean in my mouth I was trying to spit out when going upstairs." I asked █ if she spit in the direction of the inmates at the table and she stated "No."

I went back near Inmate Stauch and looked at the back of her right arm and shirt but did not see any wet marks that would have indicated spit hitting her.

I also did not observe any green bean pieces on the floor like █ said.

█ approached the desk prior to locking down and said, "Rodriguez there was not even a green bean piece on the floor." I told her I know I looked.

I did inform Inmate Stauch and █ that I would be doing an informational on the incident, but I did not have any evidence that █ spit at them. Both inmates said thank you and there should be other reports about her behavior toward us.

After looking into █ reports I did not see anything referencing █ behavior toward other inmates.

This report is for documentation purposes only.

#### Inmate Hunt Segregation From Inmate Stauch

On Sunday, August 28, 2022, I, Deputy K. Gillette (EID 21065) was assigned duties in [REDACTED], on day shift, at the El Paso County Jail, located at 2739 E. Las Vegas Street, Colorado Springs, Colorado 80906.

At approximately 1500 hours, I was conducting a 30 Minute Welfare Check on the top tier. The bottom tier was unlocked in the day room. Inmate Stauch, Letecia (Inmate Number A0342156), was sitting at a day room table talking to other Inmates.

While walking past [REDACTED], [REDACTED] stopped me at her cell door and asked why "they" put Inmate Stauch in the same ward as her. [REDACTED] stated that she will "beat [Inmate Stauch's] ass" if she got the chance and was let out at the same time. [REDACTED] went on to say that what Inmate Stauch is accused of doing is "fucked up" and as a mom it "really gets to [her]".

I placed a verbal segregation against [REDACTED] and Inmate Stauch.

Inmate Classification was notified.

I have nothing further at this time.

[REDACTED] Threatened Inmate Stauch

On Sunday, August 28, 2022, I, Deputy K. Gillette (EID 21065) was assigned duties in [REDACTED] on day shift, at the El Paso County Jail, located at 2739 E. Las Vegas Street, Colorado Springs, Colorado 80906.

At approximately 1500 hours, I was conducting a 30 Minute Welfare Check on the top tier. The bottom tier was unlocked in the day room. Inmate Stauch, Letecia (Inmate Number A0342156), was sitting at a day room table talking to other Inmates.

While walking past [REDACTED], [REDACTED] stopped me at her cell door and asked why "they" put Inmate Stauch in the same ward as her. [REDACTED] stated that she will "beat [Inmate Stauch's] ass" if she got the chance and was let out at the same time. [REDACTED] went on to say that what Inmate Stauch is accused of doing is "fucked up" and as a mom it "really gets to [her]".

I placed a verbal segregation against [REDACTED] and Inmate Stauch.

Inmate Classification was notified.

I have nothing further at this time.

Other/Inmate Stauch refuses medication/makes complaints

On September 5, 2022, I, Deputy Herbert 19024, was assigned to the Security Division as Midnight Shift, [REDACTED] in the El Paso County Jail, 2739 E. Las Vegas, Colorado Springs, CO 80906.

At approximately 2105 hours I was in the middle of medication pass.

At approximately 2110 hours I had two Inmates [REDACTED] and [REDACTED] sitting in the dayroom waiting to be picked up as they were both scheduled for law library at 2100 hours.

Transportation was taking longer than usual due two code 20's (staff needing immediate assistance) happening back-to-back in the facility. I intentionally skipped [REDACTED] housing Inmate Leticia Stauch A0342156; knowing that one of her segregations was sitting in the dayroom to ensure officer safety.

At approximately 2131 hours I let medical out and let MSM [REDACTED] know that he needed to return to the ward due to Inmate Stauch not being offered medication.

At approximately 2137 hours I was conducting a formal welfare check; when I passed Inmate Stauch's cell door I stopped to tell her that the MSM would return to give her meds. Inmate Stauch became agitated, was talking to herself about a lawsuit and stated no I don't want them.

At approximately 2145 hours [REDACTED] and [REDACTED] left the ward to attend law library.

At approximately 2149 hours [REDACTED] returned to the ward. I keyed open the door to offer Inmate Stauch her medication. Inmate Stauch refused her medication. Inmate Stauch stated, "no I don't want them" Inmate Stauch proceeded to ask the MSM what his name was. Inmate Stauch's demeanor was irritated and gruff.

I have nothing further.

### Narrative

Other / [REDACTED] Informational

On October 2, 2022, I, Deputy Neena Piluso EID #20007, was assigned as the primary deputy in [REDACTED] at the El Paso County Jail located at 2739 East Las Vegas Street, Colorado Springs, Colorado, 80906.

Stauch, Letecia #A0342156 –

At approximately 1840 hours, [REDACTED] asked if they could take a shower after the ward as locked down. [REDACTED] is a pre-operative transgender person housed in a female ward who has male genitals. I was directed, by supervisors, that [REDACTED] must take a shower when the ward is locked down. This is due to possible PREA incidents. At approximately 1844 hours, Inmate Stauch and [REDACTED] approached the deputy desk to sign the razor log for the following day. [REDACTED], Stauch and [REDACTED] then started dancing around thrusting their hips in a repetitive motion. I inquired on what they were doing, Inmate Stauch and [REDACTED] explained it was a dance like swinging a penis around. Inmate Stauch and [REDACTED] both laughed and walked away from the desk.

At approximately 0002 hours, evening medication pass entered [REDACTED]. Medical Staff Member [REDACTED] informed me she was only doing critical care medications tonight, due to staff shortages. Inmate Stauch furrowed her brow at this news. I explained to Inmate Stauch the reason for this was due to medical staff shortages. Inmate Stauch asked [REDACTED] if mental health medications were a part of critical medications and she stated no.

At approximately 1820 hours, I unlocked the bottom tier of [REDACTED] for the remainder of their unlock time. [REDACTED] approached the deputy desk and stated [REDACTED] was framing her and slandering her name. I asked [REDACTED] how and she responded, "she is coming into my dreams and talking bad about me." I asked [REDACTED] if she was doing anything to her or speaking ill of her while they were unlocked, and she did not respond. [REDACTED] stated, she wanted to be moved and I explained to her I was not going to make any moves based on the information she had given me. At approximately 1858 hours, [REDACTED] returned to [REDACTED] from a professional visit. I asked [REDACTED] if she and [REDACTED] were having any issues while they were unlocked. [REDACTED] responded she did not have any issues with anyone in the ward.

During the remainder of their unlock period, I observed both inmates [REDACTED] sat at one of the dayroom tables with other inmates. [REDACTED] had a tablet and walked around the dayroom by herself.

At approximately 1815 hours, I assumed duties in [REDACTED] and was briefed by the off going deputy [REDACTED] urinated on herself by the cell door. While conducting my initial welfare check I observed a white stain in front of [REDACTED] cell. [REDACTED] is currently housed in [REDACTED] without a cellmate. I was also briefed [REDACTED] was given a new jumpsuit to change into after that accident and given some depends underwear. During the duration of my shift, [REDACTED] would continuously press her emergency button within the cell. When I checked on her, [REDACTED] would tell me she needs pain medication, "right now", due to pain. I explained to [REDACTED] several times, she needs an order for medications. She nodded her head as if agreeing but then yelled "I'm in pain bitch!" [REDACTED] continued to press her emergency button throughout the duration of shift. To verified [REDACTED] did not have any medication prescribed via a phone call with Medical Staff Member [REDACTED]. [REDACTED] did tell me [REDACTED] was scheduled for an upcoming sick call. I attempted to inform [REDACTED] about the upcoming appointment and she yelled out of her cell "bitch you are going to get it!"

This report is for informational purposes only.

I have nothing further to report.

On September 30, 2022, I, Deputy Neena Piluso EID #20007, was assigned as the primary deputy in [REDACTED] at the El Paso County Jail located at 2739 East Las Vegas Street, Colorado Springs, Colorado, 80906.

Stauch, Letecia #A0342156 –

At approximately 2150 hours, after the ward was locked down, Inmate Stauch and [REDACTED] stopped me while I was conducting a welfare check. Inmates Stauch and [REDACTED] are both housed in [REDACTED]. Inmate Stauch asked, how someone with male genitals can be housed in a female ward but the females, in the same category, cannot be housed with males. Both inmates stated it was not fair and it was discrimination. I informed both inmates that was a question that needed to be directed to inmate classification or the chain of command.

[REDACTED]

During a thirty-minute welfare check, I observed an inmate property box sitting outside of [REDACTED]. It contained inmate commissary and other belongings. [REDACTED] and [REDACTED] were housed in [REDACTED]. Looking into the cell I observed [REDACTED] sitting on the lower bunk, however [REDACTED] was out in the day room. I also observed the cell door was closed completely, I gained [REDACTED] attention to ask if the property box was hers. [REDACTED] walked over toward the cell and stated, "yes that mine. [REDACTED] keeps putting my stuff out of the cell." [REDACTED] explained [REDACTED] thinks "I am invading her space and that's why she locks me out of the cell". I keyed open the cell door and attempted to speak with [REDACTED]. [REDACTED] responded, "I rent this apartment, she is trespassing." I directed [REDACTED] to place the property box on top of her bunk and exit the cell. I closed and secured the door so [REDACTED] could not move it back into the day room. I called and spoke with Sergeant Doucette, Michael EID #07040 regarding moving [REDACTED]. I also called and spoke with Inmate Classification's Staff Member Anderson, Brianna EID #20061 regarding [REDACTED] potentially be placed on a no cell mate alert to prevent any issues. Anderson stated it was too soon to make such a decision. I moved [REDACTED] to [REDACTED] to prevent any further issues.

I have nothing further to report.

Other/ Inmate Stauch negative behavior/Informational

On October 15th, 2022, I, Deputy S. House, (EID #22033), of the El Paso County Sheriff's Office, was in uniform and assigned duties as [REDACTED] in the El Paso County Criminal Jail, located at 2739 E. Las Vegas Street in Colorado Springs, County of El Paso, Colorado.

At approximately 0910 hours, I had to lock down the ward due to maintenance entering the ward. Earlier, sewage water was coming out from shower drains and started flooding [REDACTED]. Maintenance was working on resolving the issue. At approximately 1045 hours, maintenance was out of the ward and at approximately 1100 hours, a cleaning crew was in the ward to disinfect, clean and deodorize.

Inmate Stauch, Letecia A#0342156 and [REDACTED] started complaining about being in the cell during the cleanup. [REDACTED] stated that it is not fair to have their time taken away. Inmate Stauch stated that it is unsanitary to keep them in the cell because they smell sewage. I was opening one cell at a time and moving inmates so roaming crew could clean up and disinfect every cell. Inmate Stauch stated that I was doing it on purpose against them personally. Inmate Stauch also stated that I should move everyone to the MPR while cells were being cleaned. I told Inmate Stauch that for safety and security reasons, I couldn't move all 18 inmates in the MPR room. I also stated that I smell the same sewage as everyone else, but I need to make sure the ward is clean and sanitized. It also should be noted that roaming crew are males, which is one of the other safety and security reasons. Inmate Stauch stated "You chose this job and to be here! I didn't choose to be here! This is just stupid! None of you know how to do your job! This is unsanitary! This is cruel and unusual punishment! I will send a grievance and will file a lawsuit just like I did with kosher meals!"

During the unlocked time, Inmate Stauch was asking other inmates if they would like to join her in the lawsuit.

I have nothing further to add currently.

On October 20th, 2022, I, Deputy S. House, (EID #22033), of the El Paso County Sheriff's Office, was in uniform and assigned duties as [REDACTED] in the El Paso County Criminal Jail, located at 2739 E. Las Vegas Street in Colorado Springs, County of El Paso, Colorado.

At approximately 1745 hours, I got dinner meals in the ward. The whole ward was locked down for safety, efficiency of meal distribution and for assurance that everyone was fed during mealtime. I was about to feed the bottom tier when [REDACTED] started yelling "Why don't you feed top tier first so you can still let us out before shift change lockdown?" I answered "By the time I will feed top tier and get to bottom tier it will be time to lockdown for shift change anyways. My priority is to make sure that everyone is fed." [REDACTED] started yelling "She hates us! She always does it to us! She singles us out! She is doing it on purpose." Inmate Stauch yelled "Yeah, she is racist! She hates black people!" I replied that I treat everyone fairly and my priority is to make sure everyone is fed. Both inmates were continuing to yell inside their cell, but I couldn't make out what they were saying.

I continued to distribute dinner meals.

I have nothing further to add currently.

Inmate Stauch - Dinner

On Thursday, November 10th, 2022, I, Deputy Shanahan, Lesley (EID 19093), was assigned duties in ██████████ at the Criminal Justice Center, located at 2739 E. Las Vegas St. Colorado Springs, CO 80906.

Approximately 1740 hours, I was serving dinner in ██████████. Inmate Stauch, Letecia (A0342156) reached down to pick up her dinner and started mumbling. I didn't hear what she said but asked her what was wrong. She said her Kosher diet was open and that "The kitchen is fucking with me again." Inmate Stauch walked over and showed me the package.

The Kosher diet comes in package that has a plastic cover over the top. The package was slightly opened on the corner. I told Inmate Stauch I would call the kitchen and get another one. I reached my hand out for Inmate Stauch to hand me the food, but she turned and threw it in the trash.

I told Inmate Stauch that I needed that food, so that I could show the kitchen it was open. She turned to walk away and said, "Oh don't worry, this is all being documented." I told her I would get a new one and she mumbled a reply that I didn't hear.

I called and spoke to Tim in the kitchen, and he said he would send a new Kosher dinner.

Moments later, Inmate Stauch came back and showed me a book that she had her diet labels saved in. She explained that she has been keeping all the labels that have her name on them, that come from the kitchen. Inmate Stauch stated the kitchen staff members need to verify her diet and initial the label.

Inmate Stauch said when they initial it, that is the kitchen staff verifying that it is the correct diet, and everything is good with it. She showed me a label that was not initialed. I told her I ordered a new dinner and that it would be there soon. She turned and said what sounded like, I don't want it.

A new dinner arrived at approximately 1820. Inmate Stauch accepted the food and ate it.

I have nothing further.

**Narrative**

**Other/Negative Behavior/Alpha 1**

On November 22, 2022, I Deputy Jillian Erlemeier (EID #22019), was assigned to ██████████, at the El Paso County Jail (CJC) at 2739 E Las Vegas Street, Colorado Springs, CO 80906. I am a sworn Peace Officer in the State of Colorado employed by the El Paso County Sheriff's Office.

At approximately 1915 hours, the out group was being too loud in the day room. I had briefed them when they first got unlocked that if they were too loud, I would turn TV's off and if it continued to be loud, I would lock them down early. I gave them one warning about their noise level, however, the ward continued to be loud. At approximately 1915 hours, I turned the televisions off, and told the top tier who was unlocked that they would lock down early if their volume continued in this manner. ██████████ which houses ██████████ and Inmate Stauch, Letecia (A0342156) became very upset about the TV's getting turned off. They asked, "Can you turn them back on? No one was even watching them!". It was not even their unlock time. Furthermore, television is a privilege, not a right. I went to their cell to attempt to talk with them about the televisions, however, both inmates were too upset to speak. Inmate Stauch told me, "I am bi-polar, don't talk to me right now", so I walked away. ██████████ continued to stand at the cell door and stare at me with her arms crossed.

At 1947 hours, I locked the ward down due to loud noise volume. I had given them one warning, then turned the tv's off, then gave them another warning. I told the ward to lock down. Because they were slow to lock down, I took half an hour of their out time away to be taken the following day. After I told them that, they proceeded to lock down quicker.

While on a check, I heard an inmate make a comment about a riot and then laugh. A little later, I was patting down an Inmate and heard "You suck at your job!" coming from one of the cells on the lower tier. I asked the ward who made that comment? No inmate would admit to it.

This is for informational purposes only.

I have nothing further.

Other / Ward [REDACTED] Negative Ward Behaviors

On December 11, 2022, I, Deputy M. Ralph EID #21019, was working my assigned post as [REDACTED] in the El Paso County Jail located at 2739 East Las Vegas Street, Colorado Springs, CO, 80906.

At approximately 1830 hours I unlocked the lower tier for their out time, including [REDACTED]. When unlocking them, I told them to keep their noise levels at a reasonable level, remain downstairs, get any hygiene they might need, and to not talk to the upstairs. While unlocked I had to say something about the noise levels several times while they were out, so I did not allow them the use of the tablets. I explained that if they could not follow my expectations, then I would take away certain privileges.

During night meds around 2030 hours, the inmates continued to try and pass each other items, and refused to be quiet while out of their cells. They were so loud and rowdy that the nurse could barely hear the inmates that she was attempting to talk to them. When trying to get them to calm down and stop passing items to each other, there were several inmates that attempted to get a reaction from me. These inmates were the following:

[REDACTED]

Soon after when doing jumpsuit exchange it took longer than expected. The following inmates caused the issues:

[REDACTED]

Inmate Stauch, Letecia A0342156

[REDACTED]

During the jumpsuit exchange, I have noticed that the inmates listed above refuse to wear their jumpsuits and are only in their bras and underwear. There were also several comments being made about the appearances and some potential issues that could arise if possibly not addressed.

The inmates continue to make comments to each other such as:

"Oh, girl you know you are fine."

"Yes, look at that booty"

"You know I love you girl!"

"Shake that ass!"

There were several comments made however these are the ones that are most commonly stated throughout the night. While comments were made, the inmates generally dance in attempt to be 'sexual' as they twerk, shake their butts, shake their breasts, or other displays. Several of the inmates downstairs could also be seen attempting to talk upstairs through their vents and were given warnings to stop and respect the expectations and the rules of the ward.

As I am not in this ward frequently, I cannot speak for the days that I am not here, but when I am working in this ward, I tend to notice this type of behavior occurs every time.

Report is to document these behaviors in the ward.  
Nothing further to report.

### Narrative

Other ██████████ eats non-kosher food and is accused of eating/stealing her cell mate's food

On Saturday, December 24, 2022, I, Deputy J. Brawer (EID# 18086), was assigned to ██████████ at the El Paso County Jail, located at 2739 East Las Vegas Street, Colorado Springs, CO, 80906.

At approximately 2030 hours, I could tell the air in ██████████ was not good. Inmate Stauch, Leticia (A0342156) came up to the desk and told me that they are all upset with ██████████ for going through the kosher meals while helping Deputy K. Cooper (EID 20076) with serving dinner. This information was passed on to me earlier, however, there appeared to be a lot of drama in ██████████ during the day.

Earlier in the morning while serving breakfast, ██████████ was arguing with me about how her kosher meal didn't have all the items in it. I told her that I personally look through each meal to make sure that every meal has the proper items. I know for sure that her meal had the items that were supposed to be in there. She wanted to argue with me, however, I did not let her. Apparently, sugar is a hot commodity in kosher meals and I have been told that ██████████ is selling them to others for coffee. I have not personally witnessed this, however, I did witness ██████████ go through her kosher meal by her door this morning with another inmate and pass something to her.

Today around 2040 hours, I witnessed ██████████ accept and eat a non-kosher cake that was served with the dinner tray this evening from another inmate. For the above reasons, I am requesting that ██████████ kosher meal be terminated effective immediately. Knowing that ██████████ tends to eat a lot, when I found out she was receiving a kosher meal, I warned her to make sure she only ate kosher food from her kosher meal or else she'd get taken off of kosher meals. She acknowledged that she understood.

██████████ was ██████████ cell mate. She came up to me and appeared upset about the whole situation. She told me that ██████████ ate half her regular tray that she had saved from earlier and takes food off of her tray during meals regularly.

Due to Deputy Cooper's pass-on's, ██████████ appeared obsession with other's food, and the tension within the ward, I decided to move ██████████ to ██████████ on the top bunk.

A copy of this report will be sent to the programs coordinator, Kayla, for the kosher meal removal.

I have nothing further.

Other/ [REDACTED] gains new segs, [REDACTED]

On Sunday, December 25, 2022, I Deputy K. Cooper (EID 20076), was assigned duties to [REDACTED] at the El Paso County Jail, located at 2739 E Las Vegas St. Colorado Springs, CO 80906.

At approximately 0830 hours, I was informed by Inmate Letecia Stauch (A0342156) that [REDACTED] owed multiple inmates on the bottom tier and was selling her kosher to other inmates to get out of debt. Inmate Stauch said, "Yeah, she be owing everybody in here. She promises she'll do housework as a trade, then doesn't follow through. So, she's been paying up with her kosher meal and taking scraps off of normal trays so she can eat something. She's going to do something dumb to get segged from the people she owes so she doesn't have to pay up."

At approximately 0900 hours, [REDACTED] was standing at a table that [REDACTED] was sitting at with other inmates. [REDACTED] loudly said, "Just go away, I don't want to talk to you. Leave us alone, we don't want to hear your excuses." [REDACTED] walked away from the table but circled back shortly after. [REDACTED] again told [REDACTED] to go away, [REDACTED] appeared to be trying to bait [REDACTED] into a verbal altercation. I told [REDACTED] to lockdown for safety and security issues, she said, "Yeah, that sounds like a good idea Coop." [REDACTED] locked down in her assigned cell that she was the sole occupant of. [REDACTED] and [REDACTED] thanked me for getting [REDACTED] away from them, [REDACTED] explained that [REDACTED] had made promises to multiple inmates to clean their cells and do their laundry in exchange for trays and commissary. [REDACTED] said, "She makes all these promises, gets what she wants then doesn't hold up her end of the bargain. We're all mad about it. She won't even own up to what she's doing and I'm tired of watching people get played."

At approximately 1300 hours, I unlocked [REDACTED], I told her, "I don't know exactly what's going on, but if someone tells you to leave them alone just walk away and don't talk to them." [REDACTED] said she understood and would stay away from [REDACTED]. Shortly after, I stepped into the [REDACTED] area to bring something to [REDACTED]. While I was in the mod area, I could hear screaming coming from [REDACTED]. I entered the ward and watched [REDACTED] and [REDACTED] lock themselves down. Before she closed her door, [REDACTED] said, "Sorry Cooper, I can't take her shit. She called us bitch-ass niggers." [REDACTED] pointed at me and yelled out her cell door, "You get me out of here! Get me the fuck out of here. Cooper I'm not kidding." [REDACTED] began hitting her head on the door then walked to the back of her cell and charged her cell door, slamming her head into the window. [REDACTED] did this at least two more times. I told the ward to lockdown and called for an [REDACTED]. I went to [REDACTED] cell door and ordered her to face away from the door and go to her knees with her hands behind her back, she complied. Deputy K. Gillette (EID ), entered the ward and joined me at [REDACTED] cell door. We keyed open the door and I applied handcuffs onto [REDACTED] wrists, checked for tightness and double locked the cuffs. We assisted [REDACTED] to a standing position and removed her from the ward. Responding deputies escorted [REDACTED] to [REDACTED]

I called mental health and was told to have [REDACTED] dressed out into a safety smock. I notified SGT K. Kerl (EID 11011) of what mental health said. [REDACTED] was dressed out in the [REDACTED]. After mental health spoke with [REDACTED], it was determined she could dress back into an orange jumpsuit and would be rehoused in [REDACTED] due to gaining new keep aways in [REDACTED]. [REDACTED] was rehoused and changed into a new orange jumpsuit.

I have nothing further.

Narrative  
Other / A1 Informational

On December 29, 2022, I, Deputy N. Motta, #19020, was assigned to Floor Security Night Shift, as █ at the El Paso County Jail. This facility is located at 2739 East Las Vegas Street, Colorado Springs, CO 80906 in the county of El Paso.

█ – █ was acting odd when I got onto shift. Normally she is talkative towards me and follows the expectations I give in my ward briefing. Today she decided to try to talk to █ housing █, █. I gave █ the warning to not engage with her and she continued to walk towards the cell door until █ stood in front of her on purpose so she wouldn't get into trouble. I found this odd behavior coming from █.

█ – I was briefed by the day shift deputy that █ was behaving oddly and continuously pressed her emergency button. When I did my first initial welfare check within the ward, she was pressing her button constantly. I asked her what she needed, and she replied, "This button makes the spirits go away!" I couldn't make out anything else she said after that. Her cellmate, █ mouthed "help me" to me. I decided to move █ which is a singular cell. She moved without incident, and I advised her to not press her button unless it was an emergency.

Inmate Stauch, Letecia #A0342156 – Inmate Stauch has been in our facility since 03/05/2020, 1,030 days. She has developed habits and certain behaviors over the period of her incarceration that she repeats. Inmate Stauch takes her medications about 98% of the time and rarely skips her med passes. Today she skipped her med pass and stated, "I'm not taking my meds, that stuff is messing with my brain!". She was singing and dancing in the back of her cell to Aerosmith. Normally Inmate Stauch is reserved and doesn't have this behavior. I have been working with her since she came into this facility and am often in the wards, she is housed in █. I have noticed that Inmate Stauch tends to act up behaviorally when a court date of hers is approaching and tends to end up in █ due to her outbursts. Refer to reports: #210000048, #210000369, #210000923, #210001965, #210009350, #220005656, #220005669, #220006075. I asked Inmate Stauch's cellmate, █ if she's okay and █ looked at me with wide eyes as though she thinks something is going on, but she doesn't want Inmate Stauch to hear her talk about it.

#### Other/Inmate Stauch Requests Cancellation of Today's Public Video Visit

On December 31, 2022, I, Security Technician (ST) Holder, was assigned to the Video Visitation Center at the Criminal Justice Center (CJC). The Video Visitation Center is located at 2727 East Las Vegas Street, Colorado Springs, Colorado. ST Sepelak was also assigned to the Video Visitation Center on this date.

At approximately 1106 hours, Deputy Williams, working [REDACTED], telephoned the Video Visitation Center and advised me Inmate Stauch requested her 1230 hours public video visit be canceled. I told Deputy Williams I would cancel the visit.

At approximately 1109 hours, Deputy Williams telephoned the Video Visitation Center, at Inmate Stauch's request, to obtain the name of the public visitor listed on the 1230 hours visit. I provided the visitor's name Darla Palmberg and her relationship listed as "friend." This visit has Visit ID #7396140.

I advised Deputy Williams of the process of how an inmate bans a public visitor by kiting a floor security sergeant.

I have no further information to report.

#### Inmate Stauch Possession of Danger Drugs (Hooch) / Disciplinary / 12-31-2022

On Saturday, December 31, 2022, I, Deputy Marshall, Terry, 19050 was assigned duties as the ██████████ at the El Paso County Sheriff's Office (EPSO) Jail located at 2739 E. Las Vegas Street, Colorado Springs, CO, 80906 in the county of El Paso.

At approximately 1430 hours, I was informed by Sergeant Jacob Delong EID #13158, that it had been reported to him that there were inmates in ██████████ that seemed to be intoxicated. Sergeant Delong informed me that we were to shakedown ██████████ and look for any contraband. All Mods and available assists were called to respond to ██████████ to help with the shakedown. Before starting the shakedown, I was informed by the ward deputy that Inmate Letecia Stauch A0342156, was housed in ██████████ and that she was one of the inmates who seemed intoxicated.

We started the shakedown by doing five cells at a time, as we got to ██████████ Inmate Stauch and her Cellmate were pulled out of the cell. As Inmate Stauch was being patted down, she lost her balance a little bit and stumbled to the side. Once she was patted down, she was placed at the ward tables so we could conduct the shakedown. I entered ██████████ and started looking through the items located on the lower bunk, another deputy searched the top bunk area. From looking at the items on the lower bunk and seeing an inmate's wristband on the bunk, I knew that this bunk belonged to Inmate Stauch. As I went through her items, I found a mouthwash bottle that contained a yellow liquid. I could see debris floating in the yellow liquid. The debris looked like pieces of pineapple or peaches. I took off the cap and immediately could smell a strong odor of fruit and alcohol. From my knowledge, training, and experience I know this substance to be homemade alcohol or hooch. I set this bottle to the side and continued searching. I also found a coffee bag that contained what looked like chunks of peaches. The inmates know they are to consume these items when served and not to hold on to these items. These were the only items of contraband I found.

After completing the shakedown, I returned to ██████████ to question Inmate Stauch about the hooch I had found on her bunk. I read Inmate Stauch her Miranda Warning, she signed the Miranda Warning and indicated that she would speak with me. I asked her what the yellow substance in the mouthwash bottle was. Inmate Stauch said, "that is just sweetener that I made for my coffee". I asked her what she had put in it. Inmate Stauch said, "it's just water and sugar from the frosted flakes we get for breakfast". I asked Inmate Stauch why it was yellow. Inmate Stauch said, "I don't know why it is yellow". I asked Inmate Stauch if the mouthwash bottle containing the yellow fluid was hers. She said that it was hers and that she made the substance inside of it. Inmate Stauch became visibly nervous and said, "I swear it is water and sugar". I asked Inmate Stauch why it had debris in it that looked like fruit. Inmate Stauch said, "there is no fruit, it is just water and sugar". I informed her that it had a strong odor of alcohol coming from it. She said, "it's not alcohol". Inmate Stauch started to become defensive, so I stopped the interview with her.

I informed Sergeant Delong of what I had found and used his phone to take pictures of the contraband I had confiscated. Several other deputies that were involved in the shakedown said they could also smell the alcohol when the bottle was opened. I went back to the Bravo Mod area and wrote up a DB42 Administrative Segregation Placement Form on Inmate Stauch. I submitted the form to Sergeant Delong for review and distribution. I completed my Beacon Report of the Incident.

At approximately 1540 hours, I notified Sergeant Jacob Delong EID #13158, of the situation and of what I had found.

At approximately 1556 hours, I notified Inmate Classification Jarle Wood C18059, of the situation and he informed me that Inmate Stauch would be placed in ██████████ pending a Class I write-up. He said she could not be placed on Pre-Hearing status as hooch does not constitute a Pre-Hearing status.

At approximately 1610 hours, Mental Health ██████████ was informed that Inmate Stauch was being moved to ██████████ for a Class I write-up.

At approximately 1610 hours, Medical Staff Nurse ██████████ was informed that Inmate Stauch was being moved to ██████████ for a Class I write-up.

I respectfully request Inmate Stauch be charged with the following rule violations:

# El Paso County Sheriff's Office

## Incident Report # 220011860

Class, I Rule #10 Possession or Use of Dangerous Drugs

Inmate Stauch Violated this rule when she possessed a dangerous drug, which was hooch that smelled of alcohol. The Inmate Handbook states that Dangerous drugs are defined as alcohol (hooch or pruno).

A DB45 has been sent to the Hearing Board.

A DB42 has been sent for distribution.

I have nothing further to add at this time.

### DISCIPLINARY HEARING REPORT

On Thursday, January 05, 2023, at 0750 hours, I, Deputy Andrew Ravenkamp(EID 13078), held the disciplinary board with Inmate Stauch, Letecia(A0342156). Sgt. Bond (EID03049) and I, per policy, attended the hearing for a Class I infraction. The hearing board convened in [REDACTED]. Inmate Stauch attended the hearing board.

Deputy Marshall (EID 19050) charged Inmate Stauch with the following rule violations:

Class I Offense Rule 10. Possession or Use of Dangerous Drugs

#### ADVISEMENT AND PLEA:

Inmate Stauch read the advisement of Board of Rights and stated she Understood those rights as written in the Inmate Handbook. Inmate Stauch was read the Miranda Warning and stated she understood her rights and wished to speak with me. Inmate Stauch heard all of the evidence presented her against her. Inmate Stauch entered the following plea:

Not Guilty Rule 10. Possession or Use of Dangerous Drugs

STATEMENT: The following statement is a summarization of the hearing with Inmate Stauch and is not verbatim.

Inmate Stauch stated she was not guilty and was making creamer/sweetener for her coffee. Inmate Stauch stated she received excess sugar in the cereal the morning off this incident and made the creamer in the dayroom. Inmate Stauch stated she has been making the creamer because trinity has recently been out of stock of the aspartame sugar. Inmate Stauch stated there was no bread of yeast in the bag of peaches which prevented the production of alcohol. Inmate Stauch stated she left her

creamer and bag of peaches on the bunk and did not hide it when the shakedown occurred. Inmate Stauch was asked if she was under the influence during this shakedown when she stated no and explained she lost her balance while attempting to remove bands from her socks. Inmate Stauch stated she can be seen on video footage sitting in the dayroom making the creamer during her unlock period.

### WITNESSES REQUESTED:

[REDACTED] was released from the facility

[REDACTED] refused to comment

[REDACTED] both stated Inmate Stauch was making creamer for her coffee and was not making hooch. [REDACTED] stated Inmate Stauch was excited about getting extra sugar in her cereal the morning of this event and used the excess sugar to make the creamer. The inmates stated Inmate Stauch used peaches, butterscotch candy and water to make the cream. The inmates stated Inmate Stauch would transfer the fluid from her coffee bag, to her cup and then into the mouthwash container for storage. Both inmates were adamant the item found was not alcohol and only creamer.

While interviewing these inmates, [REDACTED] made a voluntary statement and said Inmate Stauch was not making hooch but creamer for "Our" coffees because trinity was out of sugar.

\*Listed witnesses did not appear to have the opportunity to discuss the events with Inmate Stauch prior to the hearing\*

Trinity staff was interviewed and stated it is possible sugar/sweetener could have been out of stock during this time frame.

### FINDING:

The Hearing Board Officer has reached the following determination for Inmate Stauch .

Not Guilty Rule 10. Possession or Use of Dangerous Drugs

### REASON FOR DECISION:

The Hearing Board Officer came to a decision from the incident report written by Marshall, listed witnesses, attached photos and statements made by Inmate Stauch. Inmate Stauch was found not guilty due to insufficient to support this offense. Due to bread/yeast missing from the bottle, similar witness statements, and video footage showing Inmate Stauch appearing to make the material in the dayroom during her hour out, it is possible the item found was sweetener/creamer vs a substance containing alcohol.

After gathering all facts related to this incident and evaluating the situation as presented to the Board, I have reached a final disposition in this matter. The Hearing Board Officer believes, based on all the evidence, it is more probable than not the inmate is Not Guilty of Rule(s) 10.

The Hearing Board Officer believes that based on the evidence presented in this hearing, the severity of the offense, and the way it was committed, the circumstances suggest that the following sanctions are appropriate in this case.

### DISCIPLINARY ACTION:

Loss of ALL PRIVILEGES through disciplinary segregation for 0 And 0 Days suspended; therefore, total days in lockdown will be 0 Day(s).

### EVIDENCE:

Incident report written by Deputy Marshall, listed witnesses, attached photos and statements made by Inmate Stauch.

Other/ Inmate Stauch refuses belongings in █

On January 1, 2023, I, Deputy Ashley Pierce, EID #19077 was assigned duties as the primary ward deputy for █ at the El Paso County Jail located at 2739 E. Las Vegas Street, Colorado Springs, Colorado, 80906.

On 12/31/2022, Inmate Stauch, Letecia A#0342156, had been moved to █ by day shift deputies. Inmate Stauch's property had been gone through by a day shift deputy. The property Inmate Stauch was allowed to have in █ per post orders, was left in a bag near the deputy desk.

During my initial formal welfare check of the ward, I asked Inmate Stauch for hands face check as I do for every inmate when I assume duties of a ward. Inmate Stauch complied, but stated, "now leave me alone so I can fucking sleep." I made the decision to wait until meal pass at breakfast to give her belongings to her.

During meal pass at approximately 0520 hours on 01/01/2023, I gave Inmate Stauch her breakfast and informed her I would be bringing her the items she was allowed to have in alpha 2 such as her paperwork, books, bible and commissary hygiene. Inmate Stauch looked at me but did not respond.

When I got back to █ which is solely housed by Inmate Stauch, I attempted to hand her the bag with her items in it. Inmate Stauch said, "I don't mean any disrespect but get that shit out of here, I don't want it, I will not touch it, take it away." I told Inmate Stauch if she was refusing her belongings, I would be placing them into her lock down property, and she would have to send a kite to get any of it. Inmate Stauch said, "I don't care just get it the fuck out of here."

I then filled out the corresponding form and placed Inmate Stauch's items into lock down property.

This report is for informational purposes only.

I have nothing further to report at this time.

### Narrative

Disciplinary Action / Informational / [REDACTED] behaviors

On January 1, 2023, I, Deputy Neena Piluso EID #20007, was assigned as the primary deputy in [REDACTED] at the El Paso County Jail located at 2739 E. Las Vegas Street, Colorado Springs, Colorado, 80906.

Inmate [REDACTED]

At approximately 1856 hours, [REDACTED] began her hour out due to having a scheduled visit at 1900 hours. [REDACTED] came into the dayroom and stated she was scared of her cell. I asked [REDACTED] why she was scared of her cell, and she made a comment along the lines of they told me that someone died in that cell. I attempted to explain to [REDACTED] that the other inmates were probably telling her that to scare her.

At approximately 1900 hours, [REDACTED] sat down at one of the visitation screens in [REDACTED]. [REDACTED] made spontaneous utterances such as, "They are gonna eat me." "They are giving me drugs in my food." [REDACTED] would continuously hang up the visit and walk away from the screen and say I don't want to talk to him. After making that statement she would turn around and go back to the visitation screen and continue the conversation. [REDACTED] began speaking to her visitor in Spanish. During the visit [REDACTED] appeared to become agitated, voice increased and stated along the lines of Shug said she knows you and you all had sex.

During the duration of [REDACTED] unlock time, she made comments about being scared of her cell several times. [REDACTED] also believed that the water absorbers located underneath the stairs were going to harm her. Deputy Pierce, Ashley EID #19077 and I spoke with [REDACTED] to inform her that she was safe, and nothing was going to harm her.

Inmate Stauch, Letecia #A0342156

At approximately 2008 hours, I approached [REDACTED] where Inmate Stauch is solely housed. I keyed open the door to speak with Inmate Stauch and inform her that she would be transferring to [REDACTED]. Inmate Stauch stated, "If you try, I'm going to be homicidal" at that time I closed the door and walked back to the deputy desk. During my next fifteen-minute welfare check, I observed Inmate Stauch pacing back and forth in her cell appearing to talk to herself. Once I was back at the deputy desk, I heard Inmate Stauch make statements along the lines of can't stop that because y'all scanner doesn't work. Y'all are too worried about coffee and creamer. Inmate Stauch continued to make spontaneous utterances regarding drugs addicts and repeating "dumbass" "dumbass fucking bitches" "Dumb fucks"

At approximately 2022 hours, Inmate Classification Staff Member Anderson, Brianna EID #20061 entered [REDACTED]. I informed her of what Inmate Stauch stated when I informed her that she would be moving. Ms. Anderson stated she would speak to the Sergeants regarding Inmate Stauch's transfer. I also attempted to contact Mental Health several times via phone and radio with no success.

At approximately 2045 hours, during a fifteen-minute welfare check Inmate Stauch stopped me at [REDACTED]. Inmate Stauch was holding a bag of what appeared to be corn flakes and stated put this behind your desk in the box for evidence. I asked Inmate Stauch which box she was talking about, to which she responded I need this for my hearing. Inmate Stauch went on to explain why she was housed in [REDACTED] and what the dayshift deputies found was not hooch. I attempted to explain to Inmate Stauch that I was not present during that incident and there was nothing that I could do. I also explained that if she wanted to explain she would need to speak with the Hearing Board Officer at her hearing. Inmate Stauch continued to explain that she crushed up corn flakes in a coffee bag with a butter scotch candy attempting to make creamer. I attempted to reiterate to Inmate Stauch that she needed to explain that to the Hearing Board Officer. I also explained to Inmate Stauch that even though she is frustrated with her write up making statements such as, "If you try, I'm going to be homicidal" does not help her.

At approximately 2250 hours, Deputy Pierce attempted to speak with Inmate Stauch regarding transferring to [REDACTED] with no success. Inmate Stauch made a suicidal threat that she would hurt herself we tried to make her move.

# El Paso County Sheriff's Office

Incident Report # 230000037

At approximately 2320 hours, Mental Health Staff Member [REDACTED] entered [REDACTED] to speak with Inmate Stauch. Deputy Pierce escorted [REDACTED] to [REDACTED] to speak with Inmate Stauch. After speaking with Inmate Stauch, [REDACTED] informed me that Inmate Stauch will remain housed in [REDACTED].

At approximately 2223 hours, Deputy Pierce approached [REDACTED] where [REDACTED] is solely housed. Deputy Pierce asked [REDACTED] if she would like her hour out, [REDACTED] did not respond. Deputy Pierce knocked on the cell door and called out [REDACTED] name to gain [REDACTED] attention and ask [REDACTED] again, [REDACTED] responded, "No."

At approximately 0021 hours, I asked the roaming crew to enter [REDACTED] to clean three empty cells on the bottom tier. Shortly after the roaming crew the ward, [REDACTED] began yelling in her cell.

At approximately 0042 hours, [REDACTED] was standing at her cell door looking into the dayroom and yelled, "give me a hand job." I quickly directed the roaming crew to exit the ward due to [REDACTED] vulgar statement. After the roaming crew exited the ward, [REDACTED] continued to yell out of her cell door numerous spontaneous utterances towards Deputy Pierce, Deputy Ralph, Mikaylah EID #21019 and myself. This negative behavior continued for approximately an hour and half.

Due to [REDACTED] negative behavior, I respectfully request she be found guilty of the following:

A2 / Inmate Stauch refuses housing

On January 2, 2022, I, Deputy Tays Cruz, EID 19075, was assigned to ward [REDACTED] in the El Paso County Jail (CJC). This facility is located at 2739 East Las Vegas Street Colorado Springs, Colorado 80906. I am a sworn, non-certified Peace Officer in the State of Colorado employed by the El Paso County Sheriff's Office.

Stauch, Letecia (A0342156) – When I assumed duties in [REDACTED], I was informed that Inmate Stauch refused to transfer to [REDACTED] last night; refer to report 230000037. At approximately 0923 hours, Bowen, D, EID, 10037, from inmate classifications called me and informed me that Inmate Stauch was cleared to be transferred to [REDACTED].

At approximately 1050 hours, I informed Inmate Stauch that she was moving to [REDACTED]. Inmate Stauch said no and refused to move. I tried to explain to Inmate Stauch that there was no reason for her to be housed in [REDACTED] and that she will be sent to [REDACTED] for refusing to move. Inmate Stauch stated, "and if I go to [REDACTED] or [REDACTED] I'm going to kill myself."

I notified [REDACTED], from mental health. I was told to get Inmate Stauch into a smock and have her sit in [REDACTED] until he can go speak to her. At approximately 1104 hours, Inmate Stauch complied and put the smock on with no issues.

Inmate Stauch was escorted to [REDACTED] by responding deputies.

Code Blue/ Inmate Stauch Ties Underwear Around Neck █

On Monday, January 02, 2023, I, Deputy Breanna Truscelli #21062 was assigned duties as ward deputy for █ Day Shift Inside the El Paso County Jail, located at 2739 East Las Vegas St, Colorado Springs, CO, 80906 in the county of El Paso.

At approximately 1630 hours, I was standing at the Deputy Desk and looked into █ where I saw Inmate Letecia Stauch #A0342156 standing in the cell with something white wrapped around her head and neck. I communicated to Deputy Malinski #13111 what I saw as she was walking a 15-minute welfare check.

I rushed over to the cell, when the door was opened I directed the other inmate housed in █ to exit. Inmate Stauch had fallen to the ground. Her face was very dark in color and in a raspy voice she said, "stay away from me". What I later identified as underwear was tightly tied behind her neck, after we successful removed the cloth from her neck it was thrown out of the cell.

Medical Staff Members responded and evaluated Inmate Stauch stating all vitals were good. Inmate Stauch was hunched over sitting on the cell floor saying, "I told ya'll I will be successful. On January 3, 2023, I, Deputy Tays Cruz, EID 19075, was assigned to ward █ in the El Paso County Jail (CJC). This facility is located at 2739 East Las Vegas Street Colorado Springs, Colorado 80906. I am a sworn, non-certified Peace Officer in the State of Colorado employed by the El Paso County Sheriff's Office.

█) – At approximately 0816 hours, Inmate █ refused her hour out.

█ – At approximately 0830 hours, I told Inmate █ that she needed to bring out her trash during her hour out. Inmate █ said, "no fuck you." Inmate █ then got up, picked up her Styrofoam trays, and yelled, "fine bitch, open the door and fucking find out." I perceived this as a threat because Inmate █ took a bladed stance.

Inmate █ proceeded to yell that I couldn't eat her food because I was disgusting. Inmate █ then put up her left leg on the wall and said, "Look" as she rubbed her vaginal area.

█ – At approximately 0903 hours, I opened Inmate █ door for her unlock time. I looked at Inmate █ and told her, "It is 0903, do you understand." Inmate █ acknowledged me and proceeded with her time out. I do this every time before she unlocks because Inmate █ states that I shorten her time out every single day which causes an issue every time she comes out.

At approximately 1005 hours, I told Inmate █ it was time to lock down. Inmate █ looked at me and stated, "there's no fucking way it's been an hour, you do this shit every fucking day." I reminded Inmate █ that I told her the exact time when I opened her cell. Inmate █ began to yell stating that I was lying and demanding that she see the video footage. I ordered Inmate █ to lock down 5 times before she complied.

Inmate █ banged and yelled in her cell and stated that I need to stop tasing her in the face and that she was going to grieve me all of 2023.

█ – At approximately 1033 hours, I asked Inmate █ if she wanted her hour out. Inmate █ stated, "yes, I kited for it and the book." I reminded █ that she was not allowed to have the book cart. Inmate █ said, "then I'm not coming out." I tried to explain to █ the reason why she's not allowed to have any books, but Inmate █ began to yell, "I'm not coming out, Bye get away from my door. "

It should be known that Inmate █ destroys any books she receives and shoves it in her toilet.

Stauch, Letecia (A0342156) – At approximately 1036 hours, I asked Inmate Stauch if she'd like to come out for her hour. Inmate Stauch said, "no." I asked if she would like to take a shower, but Inmate Stauch stated, "no, I'm never coming out again."

At approximately 1301 hours, when I served Inmate Stauch her lunch, I asked her if she wanted her cup to drink some water. Inmate Stauch stated, "no, I'm not drinking water that's how I'm going to die."

I have nothing further at this time.

### Narrative

On Monday, January 02, 2023 I, Deputy Keith, #22047, was on Day Shift, assigned to Security Division in Ward [REDACTED] at the El Paso County Jail at 2739 E. Las Vegas Street, Colorado Springs, CO, 80906.

At approximately 1150 hours I was notified over my office issued radio that Inmate Stauch, Letica, #A034156 was being transported to [REDACTED] in [REDACTED]. I went out into the [REDACTED] and quickly checked and cleared the [REDACTED]. Upon arrival Inmate Stauch was already dressed in a safety smock, reserved for inmates that have stated a desire for self-harm, was guided into the cell by transporting deputies. Inmate Stauch had her wrist restraints removed and was left in the cell. Sgt K. Kerl, #11011 was notified. Nurse [REDACTED] was present and witness the remove of restraints. Mental Health [REDACTED] was notified as well. A DB 222 was started.

At approximately 1205 hours I witness Inmate Stauch on the Bosch camera in the ward, appearing to try to rub her wrist against the locking device inside the cell. I immediately went to the cell door and ordered Inmate Stauch to stop. Inmate Stauch did not comply. I notified Sgt C. Ayyad, #99008, and informed her of the situation and my plan to place Inmate Stauch in Step I (wrist restraints only). I asked for assistance from deputies in both [REDACTED]. After opening the cell door, Inmate Stauch obeyed orders and allowed wrist restraints to be place behind her back with out issue. Nurse [REDACTED] responded and assessed the restraints. Sgt Ayyad took pictures of the restraints and small abrasion on Inmate Strauch's wrist. The DB222 was updated to reflect the new level of restraint.

At 1300 I again witness Inmate Stauch trying to rub her wrist against the same locking device in the cell. After ordering Inmate Stauch to cease, and with Inmate Stauch refusing orders, I again informed Sgt Ayyad of the situation. I informed Sgt Ayyad of my plans to place Inmate Stauch in Step II modify. Step II modified is when the wrist restraints are applied in the front of an inmate along with leg restraints. The chain of the leg restraints are then wrapped around the wrist restraints chain several time to prevent the inmate from fully standing up. Sgt Ayyad approved the Step II modified and I radioed for additional deputies to assist. Inmate Stauch complied with all orders given and Step II modified restraints were applied without incident. Sgt Ayyad took pictures of all restraints. Nurse [REDACTED] assessed the restraints for tightness. Inmate Stauch was left on the floor in [REDACTED] and all deputies left the cell. The DB222 was updated to reflect the new level of restraint.

At approximately 1400 hours I witnessed Inmate Stauch squatting in front of the locking device and trying to rub her face against the device. I again ordered Inmate Stauch to cease. Inmate Stauch complied at first but continued again a short time later. I again ordered Inmate Stauch to stop, Inmate Stauch then began hitting her head against the side of the padded wall. Deputy M. Jacobson, #21090, held Inmate Stauch back and guided her to the in-cell bench. I notified Sgt Ayyad again and informed her of my intention to place Inmate Stauch in an Emergency Restraint Chair (ERC). Sgt Ayyad approved of the placement, and I request additional deputies over my office issued radio.

Upon arrival of several other deputies, Inmate Stauch was placed in the ERC with out and resistance. Inmate Stauch was compliant and calm during the placement. After securing Inmate Stauch in the ERC, all straps were checked by Nurse [REDACTED] and pictures were take by Sgt Ayyad. Inmate Stauch was left in the cell facing the in-cell camera. The DB222 was updated to reflect the new level of restraint. At approximately 1515 hours Inmate Stauch was transferred to [REDACTED] while still in the ERC.

MH / Stauch moving to [REDACTED]

On January 3, 2023, I, Deputy J. Tillett, EID #13073, with the El Paso County Sheriff's Office Detention Bureau was assigned duties as [REDACTED] Primary Deputy, located at 2739 E. Las Vegas Street, Colorado Springs, CO. 80906.

Inmate Letecia Stauch, A0342156, is scheduled to move to [REDACTED] at 1900 hours. While walking at welfare check, I stopped to talk to her about moving. Inmate Stauch asked why we would do something like that to her. She claimed her conversation with mental health did not indicate that she would be moved. I told her she is on the move list provided by inmate classification. I asked her if she would willingly walk into [REDACTED] and she said she would not.

Inmate Stauch said she wants to die and has stopped drinking as her method of choice. She said she has not drunk anything in 2 or 3 days. She went on to say that she will use a towel to strangle herself or if she has a cellmate, she will use something of theirs. She said she can't believe we would give her the opportunity to kill herself by placing her in [REDACTED]. She said she has not spoken to her family since September because of her mental health.

I called mental health. I told them what Inmate Stauch said. I told them she will have access to towels, her headphones and other stuff in [REDACTED]. Mental health said they were not aware of that. I said they have access to all the stuff the other inmates in the ward have.

I spoke to Sergeant Vancena. I advised her of what Inmate Stauch said and of having spoken to mental health. [REDACTED] said we will try to get her into [REDACTED] and if she does not cooperate, we will take her to [REDACTED].

At 1941 hours I was finishing a welfare check and saw Inmate Stauch with her smock around her head. It almost looked like she was taking it off but then she twisted it around her neck. I opened to the door and told her to give me the smock. She complied and I removed it from the cell. She then lay on her mattress and covered herself with a blanket.

At 2100 hours I offered clean blankets to Inmate Stauch. She said she was dizzy because she was hitting her head on the toilet. The ward is asleep, and I have not heard any noise coming from her cell. I had seen her hitting the back of her head on the wall (it is padded) earlier but not enough to cause injury.

Inmate Stauch was moved to [REDACTED] at 2215 hours.

This report is to document behavior only.

I have nothing further at this time.

Other [REDACTED] Behaviors/Informational

On January 9, 2023, I Deputy Jillian Erlemeier (EID #22019), was assigned to Ward [REDACTED] at the El Paso County Jail (CJC) at 2739 E Las Vegas Street, Colorado Springs, CO 80906. I am a sworn Peace Officer in the State of Colorado employed by the El Paso County Sheriff's Office.

[REDACTED] At approximately 0030 hours, Inmate [REDACTED] began yelling random statements from her cell. During one of my 15-minute welfare checks, Inmate [REDACTED] asked for a book. I informed her that she would need to get one during her out time tomorrow. Inmate [REDACTED] began screaming again about more random statements. Inmates in cells nearby began to yell at Inmate [REDACTED] "Shut up!". I went to try and talk with Inmate [REDACTED] and ask why she is upset, however her screaming would only escalate. Inmate [REDACTED] would watch the Deputies at the desk and comment on them, how they are badge heavy and make comments about the government. I told the inmates yelling shut up to stop because that does not help and that this is [REDACTED] not the [REDACTED]. A few hours later, Inmate [REDACTED] took a soap bar and wrote, "Hungry, angry, tired, lonely" on her cell window.

The screaming at night seems to be regular behavior for Inmate [REDACTED] since working in [REDACTED] the nights prior.

[REDACTED] The past souple nights I have worked in [REDACTED] I have noticed odd behavior from Inmate [REDACTED]. She randomly screams at night, rips up paper, stands naked, and tells the Deputies that she has a pardon from the President of the United States and to be let out of her cell now. Inmate [REDACTED] was housed with Inmate [REDACTED]. After Inmate [REDACTED] was done helping clean the ward, she informed Deputy Tenario that Inmate [REDACTED] wakes up in the middle of the night at talks about killing people, and punched herself in the private parts. Because Inmate [REDACTED] behavior, I decided to move Inmate [REDACTED] cells. Inmate [REDACTED] said she was fine being in the same out group, but just preferred to not have to be in the same cell as her.

### Inmate Stauch

When I was relieved by day shift, Deputy Nichols informed me that Inmate Stauch, Letecia (A0342156) had been cleared to have a jumpsuit and that she spoke with Programs about Inmate Stauch returning to Law Library. At approximately 1845 hours, I pulled the Inmate Attendance Report for [REDACTED] where Inmate Stauch is housed. There were no scheduled events for January 9, 2023 and her name with Law Library was not listed for Tuesday, January 10, 2023. I called Inmate Classification to see if they had any information about Inmate Stach going to Law Library because she asked me about it, and they did not. I double checked the Inmate Attendance Report again and I checked where you sign inmates into different programs in Beacon and her name was not listed there either.

These are for informational purposes only.

I have nothing further.

Inmate Porras-Medina move in A3

On April 16, 2023, I, Deputy Ashley Turner (EID #21110) of the El Paso County Sheriff's Office, was assigned duties as Floor Security in [REDACTED] at the El Paso County Criminal Jail, located at 2739 E. Las Vegas Street in Colorado Springs, County of El Paso, Colorado.

At approximately 1415 hours, I was at [REDACTED] talking to Inmate [REDACTED] about her mental health. Inmate [REDACTED] stated that she was upset that she was playing cards with Stauch, Letecia (A0342156), during their ward unlock time. According to Inmate [REDACTED], she did not realize that Inmate Stauch was in her out group. Inmate [REDACTED] then said she would chop Inmate Stauch up, put her in a bag, and throw her to the alligators. I notified inmate class Bowen, EID#100037, of the problem. Due to the situation, I moved Inmate [REDACTED] from [REDACTED]. Keep-away alerts were implemented between Inmate [REDACTED] and Inmate Stauch. Sergeant Dodge, EID#08007, was notified and approved the move.

I have nothing further to report at this time.

### Narrative

#### INMATE STAUCH GRIEVANCE

On March 23, 2023, I, Sergeant Lené Lipford, #10051, was assigned duties as Sergeant at the El Paso County Courthouse. This facility is located at 270 South Tejon, Colorado Springs, Colorado, 80903.

On March 23, 2023, Inmate Letecia Stauch (A0342156) submitted a grievance through the inmate kiosk system. In this grievance, Inmate Stauch stated, "I am having issues during transport to and from court which I warned the jail in advance would be an issue during trial. I was assaulted 3-21 and 3-22 and I even notified my court transport Ms. Robinson on the morning of 3-22 but I was still placed in the back of a van in full restraints with no way to defend myself on 3-22 evening return for it happen again. I am documenting this that I am being placed in unsafe positions during court transport bin full restraints while the others are not."

I spoke with Deputy Tonia Robinson. I asked Deputy Robinson if Inmate Stauch told her she was assaulted. Deputy Robinson said, "No." She stated on March 24, 2023, Inmate Stauch, told her Inmate Classification told her she would be transported to the courthouse in a separate compartment in the transport vehicle. She said all week she has been placed in the vehicle with other inmates. She said she was concerned that she could possibly be assaulted because her case is being broadcast on television. She also feels that she is at a disadvantage because she is in full restraints. Deputy Robinson said she told Inmate Stauch that the inmates she is being transported with have their hands behind their backs. She also told, Inmate Stauch, that she is not segregated from other inmates and that she is a Court Concern, therefore, upon her arrival at the courthouse that's when she is separated from other inmates.

On March 28, 2023, I asked Medical Staff to see if Inmate Stauch put in kite about being assaulted. RN [REDACTED] stated she had not put in a kite. During morning pick up, I spoke with Inmate Stauch. I told her I had read her grievance and asked if she had any injuries I could look at from the assault. She said, "No. I asked if she put in a kite to medical about the assault or if she told anyone. She said, "No. She said that's why I put in the grievance. I asked if she was hurt from the assault. She said "No, it wasn't like that. They kicked me." I asked if she could identify the inmate or inmates that assaulted her. She said, "No, I don't have issues in the [REDACTED] they were [REDACTED] inmates." I asked if she could describe any of the inmates that assaulted her. She said, "No."

I asked PM Transport Deputies Andrew Laderman and Ryan Payne if she reported the assault to them. They both said, "No."

I am closing this kite as unfounded.
