Dear Dr. Lowder:

Accreditation International congratulates Dr. Laura Lowder Educational Consulting ("LLEC") for its continued progression toward receiving full accreditation with Accreditation International. As a result of the Virtual Candidacy Visit Conducted by Mr. Jesse Haines on May 13, 2020, LLEC has been approved as a candidate for Ai accreditation.

The next step of the accreditation process involves a visit to your school by a team of educational specialists. A Chairperson from the United States will be present on the visit as will an additional educational specialist.

In order for the team's review of the school's Self Study to be efficient, Ai requires that the Self Study and the consultancy's Plan for Continuous Improvement, be sent to the Ai corporate office (corporate@aiaccredits.org), and to Mr. Jesse Haines (jesseh@aiaccredits.org), no later than two weeks before the first day of the visit. A tentative schedule of the visit will be sent to you prior to the visit.

If you have any questions with regard to the information above, do not hesitate to contact me.

We look forward to conducting the evaluation visit of LLEC and to work in unity to provide stellar educational opportunities and services for your students, instructors/teachers, and community.

Sincerely,

Mr. Jesse T. Haines
