Our Story

Our story began in 2020 when a small group who shared a passion for theatre set out to establish what would become Eagle's first community theatre. Our story continues as we launch our 5th Season in the Black Box Theatre at the Eagle Performing Arts Center (EPAC) that we proudly call home.

Eagle Theatre Company's grassroots journey has been a labor of love for countless volunteers. What started with an enthusiastic Board of Directors and a successful Charter Membership Drive of over 100 members, evolved into a mission of providing live, quality theatre to the community of Eagle. Through community outreach at various City of Eagle events and gaining the support of donors, business sponsors, and patrons, a dream became a reality.

From our inaugural production in January 2023, *A Night of One-Acts*, to our 10th production in Spring 2026, Eagle Theatre Company has achieved excellence in producing a variety of genres from Comedy, Dramedy, Drama, and Mystery, to our first Musical.

Here's to ETC and our next ten productions!
