Our Story

A grass roots effort began in early 2020 by a small group of community theatre enthusiasts who had a strong desire to bring quality live theatre to Eagle. After a Covid pause, theatrical endeavors resumed in Sept 2021 when Eagle Theatre Company (ETC) held its first outreach meeting and gathered support to start a community theatre. Charter Board Members came together with a common vision, shared passion, and mutual understanding of the benefits theatre brings to a community. They built a strong nonprofit organization and attended AACT webinars to include topics on volunteers, marketing and community theatre management. A partnership has been established with the Eagle Performing Arts Center (EPAC) where productions are held in a black box theatre.

ETC has a bright future! We celebrate reaching our goal of 100 Charter Members, the success of our 2022-2023 inaugural season, and all those who have supported our mission of bringing quality live theatre to Eagle.

Celebrate Our Successes

The debut season at Eagle Theatre Company (ETC) was a smashing success! The majority of our shows were completely sold out. The word is out...ETC is providing Eagle with excellent local entertainment!

Our one act play, Graceland, was a winner at the state I-ACTFest and advanced to the AACT Region IX Festival in Oregon.

Our community outreach has generated wonderful interest and support during our Eagle Chamber "Lunch and Learn", Eagle Country Christmas, Eagle Saturday Market and the ETC Community Gatherings held at EPAC. Come join us!
