Our Story

In 2020, a small group of passionate theatre enthusiasts came together to establish Eagle's first community theatre. An outreach meeting to gather community support was held in September 2021 and we soon formed a Board of Directors and launched a successful Charter Membership Drive. Over 100 members joined--an enthusiastic Yes! to bringing live, quality theatre to the community.

Our journey began in building a non-profit, all-volunteer theatre organization from the ground up. Through tireless community outreach, fundraising, and recruitment of volunteers, we built the foundation for something special.

In January 2023 our doors opened. Eagle Theatre Company (ETC) debuted its inaugural production, *A Night of One-Acts*, in the Black Box Theatre at the Eagle Performing Arts Center (EPAC)--a space that we now proudly call home.

What started as a dream became a reality, and we are so grateful for all those who have made our mission possible.

Here's to the next Act--May the magic of theatre continue always!
