## Camping Procedure

1. Camping is for Members only. If you have not paid your annual membership it can be paid on site or on-line.
2. Upon arrival, campers must check-in with designated grounds volunteers. (They will be wearing an orange vest for the purpose to easily identify who to speak to.)
3. Since spots first come, first serve, you may pick your spot and the grounds volunteer will ensure that camper is only taking up the spot with appropriate size for their truck and trailer.
4. This year we have implemented a camping fee. This fee will go to combat the additional garbage cost and support a local 4H group or WAHSET Team member to come in and help restore the grounds.
