

All it takes is
ONE moment
to change a life.

October 28, 2025

Dear Supporter of our Youth,

When we see young people today, it is their **Boundless Potential** that comes out in each child. However, many of those young children and teens who come to our Boys & Girls Club of Denison are at a disadvantage. It is the possibilities of one simple thing that can change all of that for a child.

One caring mentor who supports them through ups and downs. One hour of homework help that they do not get at home. One afternoon meal or snack that keeps a young mind focused. One experience that opens doors to bright futures.

One safe place. One message. One opportunity. One child at a time.

The sponsorship that you provide to the Boys & Girls Club of Denison can be the difference in a child to have a meal, a mentor, and a meaningful life experience they need and deserve.

Kids today need people to help them achieve full potential and support them in more ways than ever before. Your gift can be **the one thing** to make that difference. To change the future for the one child who needs that extra help right now.

Join us in investing, supporting, and providing a great future for our youth that could make all the difference in their success. **All it takes is one.**

Each time you give, you create opportunities and moments a child can build upon. Do you remember that mentor? Do you remember that moment that made you who you are? Do you remember your brightest and best days as a kid? Help the next child have those same opportunities. Each time you give, those opportunities come true.

For Sarah, the ability to read with a mentor helps her pass that class. For Marcus, his last meal may be right here at the club. For Macy, a safe place to make good decisions are within these blue doors.

Limitless potential, endless opportunities.

Thank You for your commitment and investment to the club. It will not go unnoticed. Each sponsorship will bring a smile to a young face and a potential to a young mind. We wish you the best days of joy and hope, because you gave that opportunity to someone else. .

Sincerely,

Ron Nixon

Executive Director
