Calendars are one of the best forms of advertising.

- Calendars are one of the most cost effective and least expensive forms of advertising.
- They are perceived by clients as attractive and useful gifts, not just as marketing material.
- Your company details, on your calendar of choice, will be a visible and constant reminder throughout the year.
- Calendars can be handed out individually or together with other marketing material.

We provide a stunning range of pre-printed calendars, alternatively we can print custom calendars to your requirements.

Please Note:

- Overprints of your company details can be printed in the space provided, in 1, 2 or full colour.
- Your logo and address details will be placed in the area marked "Company Details".
- Logos should be e-mailed or supplied on a flash drive in a high resolution format either as a TIFF, JPEG or print ready PDF (preferably a vector PDF).
- Order quantities are stipulated in the brochure, however should you require different quantities please consult one of our sales representatives.
- Images represented on the calendars are subject to change.
- Dates, school terms and public holidays are correct at the time of going to print.
- Special packaging requirements can be negotiated.
- A 60% deposit will be required on placement of your order and the balance payable C.O.D. (This does not apply to account customers).
- Orders requiring delivery by the end of November should be placed by the end of August.
