

We Lead CS 2026-2027 Schedule at a Glance

All class meeting times are listed in Eastern Time (ET). Central Time schools must convert accordingly.

Course	Class Time (ET)	Term
Introduction to Programming	7:45–8:55	Year-Long
Introduction to Programming	9:00–10:00	Year-Long
Introduction to Programming	9:35–10:35	Year-Long
Introduction to Programming	10:10–11:10	Year-Long
Introduction to Programming	12:40–1:40	Year-Long
Introduction to Programming	1:20–2:20	Year-Long
Introduction to Programming	1:45–2:45	Year-Long
Introduction to Programming	3:00–4:00	Year-Long
Introduction to Programming	Block A Day, 8:45–10:15	Year-Long
Introduction to Programming	Block A Day, 10:20–11:50	Year-Long
Introduction to Programming	Block A Day, 2:30–4:00	Year-Long
Introduction to Programming	Block B Day, 8:45–10:15	Year-Long
Introduction to Programming	Block B Day, 2:30–4:00	Year-Long
Cybersecurity I	7:45–8:55	Year-Long
Cybersecurity I	2:25–3:25	Year-Long
Cybersecurity II	10:10–11:10	Year-Long
Introduction to Artificial Intelligence	9:00–10:00	Year-Long
Introduction to Artificial Intelligence	9:35–10:35	Year-Long
Introduction to Artificial Intelligence	10:40–11:40	Year-Long
Data Science Principles	1:20–2:20	Year-Long
CIT 105 – Computer Literacy	9:35–10:35	Fall Semester
CIT 105 – Computer Literacy	2:25–3:25	Fall Semester
CIT 105 – Computer Literacy	Block B Day, 10:20–11:50	Fall Semester
CIT 105 – Computer Literacy	10:40–11:40	Spring Semester
CIT 105 – Computer Literacy	12:15–1:15	Spring Semester
CIT 111 – Computer Hardware & Software Maintenance	12:15–1:15	Fall Semester
CIT 120 – Computational Thinking	10:40–11:40	Fall Semester
CIT 120 – Computational Thinking	12:15–1:15	Fall Semester
CIT 120 – Computational Thinking	9:35–10:35	Spring Semester
CIT 120 – Computational Thinking	2:25–3:25	Spring Semester
CIT 144 – Python I	Schedule TBD-Submit Requests	Fall Semester
CIT 144 – Python I	Schedule TBD-Submit Requests	Spring Semester
CIT 149 – Java	Schedule TBD-Submit Requests	Fall Semester
CIT 149 – Java	Schedule TBD-Submit Requests	Spring Semester
CIT 160 – Introduction to Networking Concepts	1:20–2:20	Fall Semester
CIT 160 – Introduction to Networking Concepts	12:15–1:15	Spring Semester
CIT 180 – Security Foundations	1:20–2:20	Spring Semester
