

E-Learning Camps 2020

Looking for another option to support your child's virtual learning this year? Juggling work and home-learning can be challenging!

ESTEEM is offering E-Learning Day Camps for students K-8th grade

Each day, your child will start the day with physical activity. They will then transition into 2 hours of e-learning where we will have instructors ready to assist if needed. We will end the morning with a social activity/game.

Space is limited. Please feel free to share with your friends! Everyone is welcome!
