

Hi everyone,

We want to let you know that **Phase 1 of the re-roofing construction** will begin on **December 8, 2025**. This phase will affect the **North Tower**, specifically the following units:

101, 103, 105, 107, 201, 205, 207, 301, 302, 305, 307, and 406

During this time, **all parking spaces on the west side of the gate will be impacted**, and the **west gate will be closed until further notice**.

Additionally, the **water fountain in front of the building will be temporarily deactivated**, and the **spa/jacuzzi and pool will be closed Monday through Friday from 8 AM to 6 PM**.

Required Measures:

For Affected Units

- Please remove or cover any furniture or plants on your balconies/terraces.
- Balconies and terraces should not be used during this phase.
- Please do not leave pets on balconies/terraces at any time.

For Units 301, 302, 305, 307, and 406

- Due to possible vibrations from construction, please remove any pictures, art work, or hanging items from your walls to avoid damage.

Parking Information

- All vehicles parked on the west side must enter and exit through the **east gate**, using the passage beneath the garage next to the North Tower elevator.
- We also recommend purchasing a **car cover** to protect your vehicle from dust during construction (optional and at the resident's expense).

For updates on the project, please visit: <https://surfsidepalmscondo.com/re-roofing-ongoing>

Thank you for your understanding and cooperation as we work to complete this important improvement project. If you have any questions, please contact management.
