Take a look into information about one of our products. **Need more details?** Contact us at sales@ajfast.com

34°-15GA DA ANGLE FINISHED NAILS

The angled finish electro galvanized nails are recommended for installation of starter and end rows of strip flooring. Also ideal for cabinets, 15 Ga. 34° Angled Strip Finish Nails. Best for furniture and cabinets, molding and trim, baseboard, chair rail, doors and window casings.

When using a nail gun, the angled finish Nailer's nail magazine isn't at 90 degrees to the gun, it's at either a 21-degree or 35-degree angle. This makes it easier to get the nailer into smaller spaces or when fixing crown moldings.

Details

Applications: Paneling, Craft work, Trims, Skirting boards, Exhibition work, Doors and windows, Tongue & groove, Interior finishing, Architrave, Dado rail, Beading, Cabinet work etc
