Take a look into information about one of our products. **Need more details?** Contact us at sales@ajfast.com

CLIPPED HEAD PAPER COLLATING

D-head paper tape framing nails are joined by a strip of paper and glued using the same technique as joist hanger nails. Our paper tape is 100% waterproof and designed for outdoor use, which means that nails will remain in their position in any weather conditions. Due to its D-shaped head, it is possible to glue nails without gaps which means more nails per strip. This type of nail ensures convenient work with a nail gun in tight situations.
