SHEET COIL COLLATING NAILS

Discover the transformative power of plastic sheet coil siding/framing nails. These nails are your solution to enhanced framing projects. The galvanized coating safeguards the longevity of the nails and minimizes corrosion and weathering, so your constructions can stand strong against time and the elements. These nails redefine durability. Collated with a strong, flexible plastic, they effortlessly adapt to the demands of your projects, ensuring every nailing operation is a success. With on-center nail heads that reduce jamming and amplify drivability, these nails are built to keep you productive.

FEATURES AND BENEFITS:

- Strong and flexible plastic collation
- Galvanized to resist rust and weathering
- Strong and flexible plastic collation
- On-center nail heads help reduce jamming and promote better drivability
