

Consent Form for Use of Personal and Case Information

Purpose of Consent

We value your privacy and take the protection of your personal and case information seriously. With your explicit consent, we would like to use your information, including case details and personal experiences, for the purposes of education, public awareness, and professional engagement on platforms such as LinkedIn, Instagram, and similar social media outlets.

Your participation is entirely voluntary, and you have the right to withdraw consent at any time.

Information to Be Shared

The types of information that may be shared include:

1. **Case Details:** Summaries of medical or clinical cases for educational and awareness purposes.
2. **Personal Experiences:** Generalized or anonymized descriptions of your journey or feedback, when relevant.
3. **Media Content:** Photographs, testimonials, or videos, where applicable, with explicit approval for each item.

Confidentiality and Anonymity

- All personal identifiers (e.g., name, contact information) will be anonymized unless you give specific consent to disclose them.
- Content will be shared in a manner that upholds respect, dignity, and professionalism.

Platforms for Sharing

The information may be shared on the following platforms:

- LinkedIn (professional networking)
- Instagram (public awareness and education)
- Other professional and educational platforms, as necessary

Consent Declaration

Please follow this link to complete the consent process

administered by Doctify and will be unique to you

Withdrawal of Consent

If you wish to withdraw your consent, please notify us in writing at [Contact Information]. Upon receipt of your request, we will cease using your information within a 24-hour time frame.

Thank you for your trust and collaboration in advancing education and awareness through social media.
