

CREATE A LOVE FAMILY VIDEO

To help document family history please **CONDUCT AN INTERVIEW AND MAKE A VIDEO WITH YOUR CELL PHONE OF A LOVE FAMILY DESCENDANT WHO IS 65 YEARS OR OLDER** and email so it can be posted to the Love family website to be preserved and shared by all family members. You can also just do a self video as well. If you need help, you know you can just ask a young person. It would also be great if a younger person conducted the interview. **WE WANT TO SEE THE FACES AND HEAR OUR OLDER DESCENDANTS VOICES, if we can.**
