

## QuiltMotion X Foundations for Domestics

The Grace Company has introduced a new software product for the Cutie Breeze frame end users. This software **ONLY** works with the **Cutie Breeze** frame NOT the Cutie frame. I am offering a pre-order deal. For those of you wishing to have a quilting frame to quilt your masterpieces and do not have the room for a set up, the Cutie Breeze is designed for you and is more affordable. This setup is designed around **ALL** domestic sewing machines. It is so easy and intuitive to operate. Call or email for pricing.
