

We are having our first virtual session. Please note it is hosted by Husqvarna/Viking. You do not need to own a Husqvarna/Viking sewing machine to attend the virtual.

You will get a lot of informative information from our knowledgeable instructors.

These sessions are live. I hope to see you there. Please read the invitation carefully so you know what you are registering for. There will be a 15% discount on the tools and notions that are going to be demoed during the session. Discount will be applied to the make and model of your branded sewing machine if available. This discount is only applied to the attendee.

SESSION IS HELD ON: THURSDAY FEBRUARY, 6

TIME: 1:00 PM TO 2:30 PM

COST: \$15.00 PLUS APPLICABLE TAXES

 

SPECIAL TECHNIQUES APPLIQUÉ

Appliqué is the art of
embellishing fabric with
additional layers of fabrics

Join us as we explore the creative
possibilities when you add an
embroidery machine or
other technology to your sewing
tools. Create your own designs
quick and easy!
