Introducing

QUILT MAKER PRO 18 VERSA

Stand up or sit down, its up to you. The Quilt Maker Pro 18 Versa provides many of the same longarm features with the flexibility of an adjustable table. Constructed of high-quality steel, the Versa table provides a generous quilting surface area of 31.5 x 36" and adjusts from 25.5" to 39.5" to suite your sewing comfort.

Designed for the smaller studio space, the Versa delivers a flexible workspace with great features quilters will love: 18" throat space plus 8" of vertical space, built-in Versa stitch regulation, precision stitching (4 to 22 stitches per inch), color touch screen, custom presets, easy needle change, stitch counters, low-bobbin alarm and more.
