EASY GREEN

Add vertical green innovation to your living, learning or work environment with the impressive LivePicture GO.

Its simplicity means you don't even need green fingers to enjoy the beauty of plants. LivePicture GO has its own indicator that will let you know when the water tank needs filling. It has enough water storage capacity to supply sufficient water for at least 4 weeks. LivePicture GO has a capillary feature within the plant cassette ensuring the plants are supplied with the correct amount of water without you needing to think about it.

FUN GREEN

Enjoy the freedom and creativity of LivePicture GO. You can create your own designs or even a wall collage by installing multiple LivePicture GO's.

LivePicture GO's versatility means it can be used both indoor and outdoor,* as single or multiple units. Its plant cassette are easily removable and you can fill the pockets with plants that match your own taste, allowing you complete flexibility to suit your own preferences or change them whenever you choose. Mounting your living plant picture is easy too, the two screws and installation guide we provide.

Choosing LivePicture GO will give you all the advantages of bringing a green environment into your space; it makes people happier, it creates a healthier indoor climate, improves air quality and of course it's beautiful too!

*Not for use in freezing temperatures.
