

Rushmore At Large PTA Membership Form

Join us today— Rushmore At Large PTA is a statewide unit of South Dakota PTA and the National PTA. This unit was formed to allow those who believe in the mission and values of PTA to join. Rushmore At Large PTA enables those who may not be connected with a local unit to be an active part of South Dakota PTA.

Everyone is welcome at PTA— parents, educators, students, legislators, and other citizens. PTA is a nonprofit organization that prides itself on being a powerful voice for children, a relevant resource for parents, and a strong advocate for public education. Membership is open to anyone who is concerned with the education, health, and welfare of children and youth.

To help South Dakota PTA grow and advocate for all children, please join today!
