

ENTRANCE COMPOSITE DOORS

Our doors come with a **10 years warranty** and are available in various colours. They are ready to install immediately and contain many accessories: letter plates, door knockers, viewers and numbers.

All doors are fitted with **high security locks** and also have been tested for weather tightness and enhanced security.

The 44mm Composite Door panel is timber lined to improve rigidity and security, and built upon a high insulation core, providing excellent thermal efficiency.

CONSERVATORIES

Finding a right **conservatory / garden room** will not be difficult with us.

PM WINDOWS 4 YOU will accommodate you with options that are matching existing architecture and match the scale of your house.

We will make it comfortable and affordable. You will have freedom to choose exactly what you want and leave it to us to make it as easy as you want.
