Friday Night Lights: The Hunter Spectaculaire (600)

Traditional Hunter Derby sponsored by Falling Up Farm

Judge: Jan Massaro, R **Course Designer:** Claire Lee **Friday, Sept. 18, 2026**
Designated Arena: Cattleman's Arena **Start Time: 6:30 P.M.**

Add/Scratches will be accepted up until 5pm on Friday. Order of Go and course will be posted an hour prior to start time. Course will be available to walk starting at 5:30pm. Horses may be hand walked. First rider on course at 6:30pm.

This classic two-phase Hunter Derby is designed to showcase the style, rhythm, brilliance, and handiness that defines traditional hunter competition. Competitors will navigate beautifully designed courses that reward smooth, forward riding, quality jumping, and effective horsemanship. Fences will be set at **2'6"** with **2'9" high options** available throughout the course. Each successfully jumped high option will earn **one (1) bonus point**.

First Round – Classic Phase
The opening round will feature a flowing, traditional hunter course designed to emphasize consistency, rhythm, pace, and jumping style. Each trip will be judged against a traditional 100 point scale with bonus points to be added accordingly to determine the rider's First Round Score.

Scores will be announced following each trip. Once eight riders have completed the course, a provisional cutoff score will be established and updated as additional competitors complete the first round. At the conclusion of the Classic Phase, the **top eight (8) scoring horse-and-rider combinations will** return for the Handy Round following a water/drag.

Second Round – Handy Phase
The Handy Round will reward efficiency, adjustability, and effective riding while maintaining the quality and style expected of a hunter. The course may include opportunities to demonstrate traditional handy elements such as an inside track, hand gallop, halt, trot fence, tighter turns, or other appropriate questions. This round will be judged using the same scoring format to produce a Second Round Score.

The **First Round Score** and **Second Round Score** will be combined to determine each competitor's **Overall Derby Score**. Class will ribbon through 8th place with award presentation to immediately follow.
