Greetings Nobles and Ladies:

The seasons are flying by and it already is beginning to feel like summer. We had fun in Pigeon Forge. It was a great getaway and we had a good turn out for the parade. Thanks to the Aides for your support and the ladies that provided good food for us, what a great Hotel and a very pleasant hospitality room with a view.

Our Rummage/Vendor craft show was successful. Thanks to everyone who made it happen and to those Shriners who came out to support our fundraising efforts.

Our Bingo continues to be on hold and we have cancelled our Euchre tournament until we resolve the complaints waged against the Temple.

Our big fundraiser for the month is our Car and Bike Show, on Saturday, June 18, 2022. Please consider buying a trophy to support this event. We are getting a liquor license for the day, so come out and have a drink and lunch. Thanks to Randall for heading this up each year.

We will be dark, with no business meetings or directors meetings in July and August.

Membership meetings are cancelled for June, July and August. It will be up to the discretion of each club or unit whether they wish to meet during the summer months.

The Shriek will be dark in July and August and will return in September.

This year's Imperial Session will be in Minneapolis. We will be celebrating the 150th anniversary of Shriners International and the 100th anniversary of Shriners Children's Hospital's. I expect one of the topics again this year will be to vote on raising the per capita yearly fees. Membership is down and everyone needs more support financially.

In August, we are having our family picnic on the 13th, it will be a shorter day, starting at 3:00. Please call your reservations into the temple for some fun and fellowship. More info will follow.

August 20th, is the Potentate's golf outing. Please consider sponsoring a hole, that's where we make most of our money. Get a team together and come out for some fun.  
Remember: Golf is an easy game.... it's just hard to play..

On September 4th, we will be celebrating Masonic/ Shrine Day at the Great American Ballpark. We again have great seats in the Tri-Health Center Field Pavilion. There is indoor (air-conditioned) seating or outdoor seating, overlooking the bullpen. For \$50.00, you also get food and drinks. It's a great experience. Limited tickets available for Shriners, so call early and get on our list.

Enjoy your Summer with family and friends.

Hope to see you all soon.

# Recorder

As being the recorder and elected for the year 2022 I have been remarkably busy learning what the job is about, I have been incredibly pleased with the Divan and Nobles who have been willing to help me if needed.

Learning the Temple By-Laws, Shriner International By-Laws, and Shriner Hospital By-Laws and General Orders #1 & #2.

As a recorder I have learned that we need to see people as people even if we do not agree completely and gets discouraged or angry about something everyone needs to take at least 5 minutes before acting to the situation. Remember that the Divan positions are just that positions, and gossip is a killer in the shrine. Nobles and their ladies are people to.

Nobles the Divan had an exceedingly difficult start to the year where person (s) has tried to hurt us but the only thing that person accomplished was hurting the shrine not the people. As part of the Divan, we have been working extremely hard for the Nobles and shrine by trying to move forward in a positive way.

As recorder I am willing to sit down to talk with individual and/or units if you would like to get ideas or issues.

Remember what we stand for and our children and we are all in this together.

Yours in Faith,  
Joseph Harper, Recorder

## Membership Committee

Greetings Nobles, my name is Al Tucker and I'm your Membership Chairman. I have been a Mason for 44 years having been raised in Greensburg (KY) Lodge #54 in 1976. I'm a Past Master and currently hold membership in Good Faith Masonic Lodge in Union, KY. I also am a member of the Ancient and Accepted Scottish Rite, Valley of Covington. I became a Shriner in 2010. I have previously served Syrian Temple as Membership Chairman as I am now. I am also serving as an Associate Member of the Board of Governors for our hospital in Dayton. My unit in Syrian Shrine is the Director's Staff. Lastly, I am the Secretary of Northern Kentucky Shrine Club.

The Membership Committee is working hard to develop and implement plans to expand our membership not only in the Cincinnati area but in the Northern Kentucky area as well. More specifically all of District 18 and parts of Districts 17 and 19 in Kentucky. We hope to have this part of our plan ready to go at our September meeting. Also, we have assigned the first line signer of each petition to mentor his candidate in the protocols of the Shrine. More to come on the responsibilities of the first line signer on petitions. Jeremy Smith is continuing his work on the Melish Awards. We hope to have these awards up to date and presented to the deserving Noble as soon as possible. I do hope to have our Legacy Program revived by our November Ceremonial.

I realize that statistics are very boring, but all of our Nobles must be aware of these numbers:

- We began 2022 with 944 Nobles
- As of this writing, we have had 8 creations, 2 affiliations, 6 restorations, 1 demit, 45 suspensions (non-payment of dues) and 1 resignation
- 23 of our Nobles have met the black camel
- To date we have 890 members

The Imperial Shrine has our numbers continuing to decrease over the next 5 years as these statistics point out. With this in mind, let me leave you with this, membership is not just the responsibility of the Membership Chairman, the Membership Committee, or the Divan, Membership is everybody's responsibility.

Al Tucker, Membership Chairman

## Antique Caravan

Hope everyone has a great summer with Friends, Family and Parades! The Caravan looks forward to showing off our highly complicated maneuvers (circles) at numerous parades this summer and enjoying the fellowship with all of the other units in the staging areas (5 more min.)

As always be active in all the Masonic bodies not just a "card carrier". By living and spreading the light of Freemasonry we can make this crazy world that we live in a better place. -Alex

## Cincy Drifters

What a great time in the mountains of Tennessee the Drifters brought home 1st place in motorized units. We had a great time at the Holiday Inn on the strip but one thing I don't understand was there was no challenge to race in the parking lot like in past years? Next year I guess, mean while we are looking forward to the Valley Parade and picnic on May 30th at the Temple. We would also like to welcome our new members Rich and son John Dickerscheid to our group. If interested in joining the Drifters call Travis Proctor at 513-417-2189 or Tim Redrow at 513-724-5522 meetings are at Jim and Jacks on River Road, the third Tuesday of the month at 6:00 if you would like to eat and meeting at 7:00

## Classic Chariots

Our 1st cruise in of 2022 (May 1st) was a great success. We had 50+ cars, trucks, motorcycles show up and about 30 visitors. Even without selling split the pot, income from food donations, selling Show & Shine calendars, and other donations was very successful. Thanks to Michael Palmisao (new club member) for expertly cooking all the food and Sue Jeffers for all her continuous work at food prep! With Mike doing the cooking,

it gave Chuck time to walk around, visit and talk to people (as he never talks much) Ho Ho! Looked like all door prize winners were happy with their prizes. Our monthly meeting dates and times have changed! Our meetings will be a 12:00 noon prior to each cruise in and car show. The UDF "free ice cream truck was very busy, (again, thank you Dale for setting this up). SEE YA!

## Clown Unit

### Parade Shtick and Best Practices

Parade Season is upon us. Here are some ideas to help prepare you for the fun. First consider the weather. If it is rainy and cold wear water repellent clothing. Maybe that pristine competition costume is not the best idea. If it is August wear sweat-wicking materials. Maybe that hot wig should be reconsidered. You can wear a vest instead of a jacket. Drink lots of water and stay cool. You are not entertaining if you're not comfortable.

Parades are a great way to practice walk around Shtick. This is free range clowning at its best! If you bomb 10 yards further down the street is another chance at it. Do not be afraid to try new ideas. Remember to keep what you do family friendly. Please put in context of would I want someone saying or doing that to my wife, sister, mother, or daughter?

Timing is also important. You should not hold up the parade behind you. And you should keep up with the parade ahead. Stay in your unit do not infringe on the unit behind or ahead of you. If you see a fellow clown doing something with people do not step on the gag. Show respect for your fellow clowns and let them finish before you start yours.

You can also team up for gags. One of my favorites is Yahoo; the best part is no prop needed. 2-4 clowns split up on opposite sides of the street. One side of the Crowd is instructed to yell "Ya". The other side is instructed to yell "Hoo".

After you get them to do this a couple of times you look at each other and say "Let's go nothing but a bunch of Yahoos here"

Here is short lists of ideas steal them and make them your own. These gags also are great for Circus, festivals or other events where a Quick gag is needed

1. Old fashioned Phone prop needed "You don't say, you don't say, really you don't say .Well good bye". Second Clown asks "who was it " First Clown says "I don't know they didn't say "
2. Old fashioned Phone prop needed take a selfie with the crowd on your old school phone prop. Tell them it instantly developed. Give them a sticker or your picture card. "That turned out Great!"
3. Put a foam Hot dog and bun in an invisible leash. It's your wiener dog. His name is Frank. You relish his companionship. He is lagging behind, but he will ketchup. The puns keep on going
4. Put a 350 Balloon dog in an invisible leash (a 260 is too small) Have him roll over sit stay and other tricks.
5. This is an election year. Make a sign "Vote (your clown name) for President! Put a real Clown in the White house"
6. The lost pet gag is always a good one. Print off a big Picture of a stuffed animal. Put it on a sign Lost Dog, cat, monkey or whatever you have. Attach it to your back. Turn around let the kids find it and let the fun begin.
7. Free Chicken Dinner. Take a KFC, or other brand, Chicken bucket. Offer the crowd a free Chicken dinner. When they say Ok give them unpopped popcorn. This same gag can be done with a free fish dinner using gummy worms.

8. Find an empty Lawn Chair with people around it sit down and watch the parade with them. Complain about the traffic being terrible. Make sure there is time for Pictures before you do this.
9. Pass out foam or printed Letter "B"s "Here have a freebie". Free Brown "E"s also work
10. One simpler inexpensive prop is Free Washer Dryer. Buy a bag of Clothes pins glue a washer on them

These are all simple inexpensive gags you can walk around in a parade with. They are not original but when you put your personal twist on them they become yours!

## Desert Riders

What a Blast we had at Pigeon Fest!!!! We didn't win any trophies, but we finished the parade. Many thanks need to go out to Illustrious Sir Don and Lady Kim Brockman for getting us a fantastic Hotel on the strip, right next to the raceway, with probably the best hospitality suite I've been to. The food was great, the patio was great, the weather was so, so, and the booze was there. I think I was over served on Friday night. Thanks to everyone who worked so hard to pull this off. I don't think anyone went home hungry or sober. If you did, it's your own fault.

The rest of the Parade Season is here, and then Imperial Session. Before we know it, we'll be back in September and then Fall.

See you around at the Parades  
Tim "Otis" Callahan, Secretary

## Hillbillies

YEEEEEE-HAW and HOW-DO ~ It's starting to warm up so git those thongs out and

your kiddie pool so you can start dipping your piggies in the water and we don't have to worry about the Cicadas this year!!

The p-rade in Pikeville was AWESOME!! Good to see some of our couzins and just hanging out. The Pigeon Forge Fest p-rade was a great time and the Memorial Day p-rade went on without a hitch, so that's two more p-rades in the books. It's so nice to get to p-rade ~ we've missed em'. So raise your mason glass to more p-rades.

Happy Birthday to our June and July cousins ~ we celebrate you with all the possum vittles you can eat on a hot summer day.

Our next meeting is June 27th (4th Monday of the month). Be safe out there and remember to stay kind and help out your fellow neighbor. tjg

## Roadrunners

Illustrious Don, Divan, Trustees and Nobles all,

What a great month we've had. We just had our first trip to Chicago since the inception of the RoadRunners Unit. A huge shoutout goes to John Schaffer & Bill Burwinkel for making the trip and staying overnight then returning to Cincinnati safe and sound.

At this time, we are pretty slow, but we have a need for people to volunteer their time to get our patients back and forth to the hospital this summer. We have a number of our regulars that are either sick and recovering, or on vacations during the summer months. If you have any time let me know, we can use you and it's very rewarding.

Thanks,
