

WHO IS GOD?

"Philip said, "Lord show us the Father and that will be enough for us." Jesus answered: "Don't you know me, Philip, even after I have been among you such a long time? Anyone who has seen me has seen the Father, How can you say, Show us the Father? Don't you believe that I am in the Father, and that the Father's in me? The words I say to you are not just my own. Rather, it is the Father, living in me, who is doing his work. Believe me when I say that I am in the Father and the Father is in me; or at least believe on the evidence of the miracles themselves. I tell you the truth, anyone who has faith in me will do what I have been doing. He will do even greater things than these, because I am going to the Father. And I will do whatever you ask in my name. so that the Son may bring glory to the Father. You may ask me for anything in my name, and I will do it." John 14:8-14

"When a man believes in me, he does not believe in me only, but in the one who sent me. When he looks at me, he sees the one who sent me." John 12:44-45

"He is the image of the invisible God, the firstborn over all creation." Colossians 1:15
"The Son is the radiance of God's glory and the exact representation of his being, sustaining all things by his powerful word." Hebrews 1:3a

We can discover who God is through his Son Jesus Christ, through the scriptures and through creation. God characteristics are

often called attributes of God. An attribute is something that is true about God. How do you get to know someone? In most cases, we get to know someone by spending time with them. The bible tells us that God is Love. We know that God loves the world. But do we know that he loves us individually? Do we see God as being just like man? God says he is not like man. He says his ways are not our ways and his thoughts are not our thoughts, but his ways and thoughts are HIGHER than ours. So when we think of God as being LOVE, we cannot see it in the same light as man's kind of love. May you start seeing the truth about the Living God. It is the truth that will set you free... free to live life... and life more abundantly.
