Golden COMMUNITY
Nurse Led Services

NEWSLETTER

November 2026

As November approaches, so does colder weather and longer nights. With this comes events such as bonfire night to bring community spirit and joy. We aim to emmulate this at Golden Community in our activities and support for our clients.

In the spirit of community, we are still working hard to bring our community hub to life. We aim to have it open as soon as possible we are so excited to make the most of all the possibilities the space will provide. So keep a look out for exciting updates and events.

The space has already been the location for staff training. We were lucky to have the East Northants First Responders visit to improve confidence and knowldege around CPR in our community. This was a very informative morning and our staff got stuck in with the practical training. Golden Community values learning and this is just one way we provide the best support to our clients.

We could not provide this support without our amazing clients. We thank you for your loyalty to us while we work tirelessly to bring you the support you deserve. We love everyday of our work and cannot wait to continue this through November!

EXTRA SERVICES

Wellbeing Support

Phlebotomy

Administrative Support

Last month we attended the care show in Birmingham. This was a huge convention providing masses of information on care. Our staff attended many talks on skills for care and networked with many companies. It was very informative and gave us lots of inspiration. Providing the best support to our clients is our main aim at Golden Community and this is one way we inform our practice.

ENQUIRE HERE FOR OUR DAY CENTRE!

Providing appropriate support for our clients is paramount to our work. To this end, we encourage learning and education for our staff to enhance the services they provide. This month our staff are advancing their knowledge on the malnutrition universal screening tool (MUST) and nutrition. Last month we were visited by the East Northants First Responders for a refresher course on CPR to build confidence in the team and improve knowledge on providing CPR in our rural community.

STAFF SPOTLIGHT!

We've been nominating and it is now time to announce our employee of the month for October! This month we have had nominations for Lorraine, Kathy and Marcus but our winner is Elena! Elena is one of our registered nurses and is constantly highlighted for her high standards and amazing work ethic. She is always going above and beyond to learn and help the business grow. Thank you for all that you do Elena and congratulations!

DON'T FORGET YOU CAN ALSO VOTE FOR WHO YOU THNK DESERVES EMPLOYEE OF THE MONTH! SIMPLY FILL IN THE ATTATCHED SLIP AND HAND IT BACK TO ONE OF OUR STAFF!

If you enjoy our support as much as we do, would you consider giving us a review on google? Thank you, they make a huge difference to our business and we truely appreciate it!
