

NEWSLETTER

With August upon us, we embrace the joys of summer - warm weather, longer days and summer activities. August brings the opportunity for outdoor sports, social engagements and an opportunity to bring communities together. With that in mind, Golden Community endeavours to bring active, meaningful activities to encourage friendship and positivity.

To this end, we continue to enhance our online platforms. We find these to be highly beneficial to plan activities, and carry out our nurse led services.

We are working endlessly to bring our community hub to life. We continue to apologise for the cancellation of our open day but we look forward to welcoming everyone very soon. We endeavour to open our doors as soon as possible and will communicate this to all our clients as soon as we have more information.

With all of these exciting developments, August promises to be an eventful month. We thank you for your continued support and remain committed to delivering holistic nurse led services. Providing person-centred care is at the heart of our work to encourage independence and improve wellbeing which we continue to provide as we welcome August.

Our new badge system!

You may have noticed our staff wearing new badges and wonder what they mean. We wish to celebrate and reward hard work, personal development and loyalty. Our aspire stars represent the length of time a staff member has been with us. A bronze star signifies three months, a silver one is for one years continuous service, and a gold aspire badge recognises 5 years continuous service.

NEWSLETTER

As you know, we are dedicated to training at golden community. Each month we ask our staff to complete a training course based on the needs of our clients in order to provide the best support we can! For July/August we are doing stroke and visual impairment training. We aim to improve where we can and this is just one way we enhance our services.

STAFF SPOTLIGHT!

The nominations are in! this month we have had nominations for Ella, Elena and Marcus to be employee of the month, however the winner is Chloe! We hear nothing but positive feedback about Chloe for working hard, putting the clients first and always going the extra mile. She is always willing to help whenever and wherever she can, even at the last second. She is proactive and quite simply a wonderful presence to have around! Thank you so much for everything you do Chloe!
