

NEWSLETTER

As June arrives, we welcome the warmth of summer with longer days and time outdoors to bring communities together to make the most of the brighter season. On this note we endeavour to provide meaningful activities to encourage being more active and connected as summer approaches.

We continue to enhance our digital platform by incorporating your valuable feedback. While we remain in the trial phase, we are finding it to be a highly beneficial tool that supports the high standard of care we are committed to providing.

We would like to take this opportunity to promote our Community Health and Wellbeing Evening, on Tuesday 9th June at 7:00pm at the Mandeville Hall in Kimbolton. We would love to see you there to promote the importance of health and wellbeing within our community. Our amazing registered nurse manager, Lorraine, will give a presentation to aid in the discovery of local support, wellbeing services and advice to stay connected and independent.

We are also excited to announce that we are actively taking enquiries for our upcoming Community Hub, which is set to open its doors this summer. We are looking forward to welcoming people into a warm and inviting environment that fosters social connection, purposeful activities, and person-centred support tailored to individual needs.

At Golden Community, our commitment remains steadfast: to deliver a nurse-led, holistic service that truly supports each individual in a way that feels right for them, enhancing comfort, independence, and overall wellbeing. We thank you for your continued support and look forward to sharing more exciting developments with you in the months ahead.

ELENA

ELLA

We would like to welcome Elena to us full time. Since working for us on bank, we are delighted to announce that she has agreed to work with us as a permanent registered nurse.

We would also like to welcome Ella who will be working with us over the summer! Make sure to make them welcome on your visits!

We are so excited to welcome both Ella and Elena!

NEWSLETTER

This month we had the privilege of attending a charity event for The Frank Bruno Foundation. The Frank Bruno Foundation does important work providing a safe environment for people with mental health issues. We were delighted to aid in raising money for such an important cause.

STAFF SPOTLIGHT!

Our employee of the month for May is Lauren! In the short time since she joined us, Lauren has really come out of her shell. When asked to do something, it is done quickly and without complaints. She is an amazing addition to our activities coordinator staff and we are so grateful to have her on board!
Congratulations Lauren!
