

Health + Wealth Benefits. One Powerful App.

Introducing the Linqq Health Management Plan and Elevate App, our next-generation, IRS-compliant benefit platform.

The Linqq Health Management Plan (LHMP) is where health meets wealth—a unique, compliance-ready benefit that unites preventive healthcare and retirement savings into one seamless program. Delivered entirely through one easy-to-use app, it helps employers cut costs, meet compliance, and boost retention—all at Zero Net Cost.

- ✓ **Lower Healthcare Spend**
Lower healthcare costs with preventive-first coverage.
- ✓ **Tax-Advantaged Savings**
Reduce workers' comp premiums through better employee health.
- ✓ **Retention + Recruitment**
Improve retention and recruitment with unique, high-value benefits.
- ✓ **Compliance with Ease**
Meet federal and state mandates while saving money.

A Smarter Way to Deliver Benefits

Health + Wealth. Zero Net Cost. One App.

Smarter benefits that pay off-for your employees and your business.
