CHAPTER BRIEFING

Pre and Post Flight

Madeleine Monaco

Dear 99s,

HAPPY THANKSGIVING—I hope your day was wonderful

MERRY CHRISTMAS—May the spirit of the season fill your heart

WHATEVER HOLIDAY YOU CELEBRATE— I wish you the best

BLUE SKIES AND TAIL WINDS for all of your days

I know that you are busy, but if you can join us for our Holiday Party on the 12th at Lucky Monk, we can finish 2021 as 99s together. Not registered yet? Call Mona. If there is room, she will help you out. We will have a raffle for fun. We will collect donations for a food pantry. We will eat, drink and be merry.

And then, after we all celebrate the season with family and with friends, we will get to work preparing for our Aviation Expo on January 29. Our speakers are all booked; the vendors are still coming in; the volunteers are few, but mighty. That last phrase means we can use your help.

Yanina is teaching the Flying Companion Course. Offer your expertise as a pilot to her. Let her know you can help.

Ellen is managing the 50-50 raffle. Give her your time and help her succeed. Side benefit, you get to wear the silly hat and meet the attendees!

Eva is working front desk. Offer your time and make sure she and her staff get a break. Front desk folds and hands out programs: answers questions; directs people to where they want to go; and accepts gratitude for the 99s.

Mariko has a list of photos to get. You can offer to help her by clearing a space for her to get the shot. Or lining up the next vendor table for the photo shoot, and marking off the assignments as they are done.

And for me? I'd really like to know how many people attend. I know its hard to pin down, but if someone will count heads, or chairs, or feet and divide by two? I'd be grateful.

So here it is—a big event—take time to help us shine.....

99S IFR/VFR SAFETY SEMINAR AND AVIATION EXPO TO TAKE PLACE JANUARY 29, 2022

A day of IFR classroom sessions; a concurrent set of VFR classroom sessions; and a primary classroom designed for our Flying Companions. A ballroom full of aviation related businesses and organizations sharing their goods and services and meeting our attendees. All to benefit our mission to educate the aviation public.

This educational event, hosted and managed by our Chapter and supported by the Illinois Department of Transportation, Division of Aeronautics, was missed last year. Just another Covid Cancellation that has affected us But it's back this winter. It is a big undertaking, using the talents, skills and connections of many Chapter members and we would like you to help. If you do help, I can almost guarantee that you will be proud to have been a part of the success. We have hosted this event for approximately 40 years. Many of our members have served in the role of event manager. Many of our members have been instrumental in the success of the event. There have been as many as 500 pilots in attendance in the past, most of them come back year after year. We have a large space full of aviation vendors who value the opportunity to speak to our guests. We are well respected as an organization for this work that we do.

Save January 29, be a part of it.

We were joined by Friend of the Ninety-Nines, Cindy Florsheim and by long time 99 Rita Adams

After a brief meeting that took care of our business, we had pizza and some good conversation.

Atlantic has graciously offered the use of their conference room whenever we need it. And if you fly in, let me know in advance and if I turn in your N# the ramp fee will be waived.

Thanks to Dinah Spadoni for hosting, and all of those who participated.
