

Practice Closure Notification Update 10/03/2024

Dear Patient,

As of 10/03/2024 we have completed the 30-day practice closure notification period. Quasar Health Solutions is officially closed. We want to provide you with all the necessary information on how to request your medical records moving forward. It is with a heavy heart that we finalize the closure of Quasar Health Solutions.

We understand that this situation has been incredibly challenging for you, and we deeply regret that we were unable to continue serving you. To ensure the safekeeping of your medical records, Morgan Records Management is the new custodian of the medical records for the number of years required by the state of NC. Quasar Health Solutions is no longer the custodian of your medical records. Please do not send any request for medical records to Quasar Health Solutions.

For your convenience, here are the instructions to request your medical records:

Online: Visit www.morganrecordsmanagement.com and select "Request My Records."

Email: Contact us at medical@morganrecords.com

Phone: Call 833-888-0061

Please note that there is a nominal processing fee for all medical records requests.

In June, when we unexpectedly lost our provider, we chose to continue operations despite the challenges. Our new provider stepped in earlier than planned to assist our patients. However, after nearly two months, we concluded that we could not sustain operations despite our best efforts.

We are aware of the false and misleading information circulating about our organization. Please know that we did everything in our power to support the Greenville community. We are grateful to those of you who have been understanding and supportive during this difficult time.

Thank you for your understanding and support.

Sincerely,

Quasar Health Solutions
