2024 Closeout

New Life Directions Ministries Executive Summary

This executive summary provides an overview of the performance and impact of the New Life Directions Training Center for Single Parents during the 2024 reporting year.

The New Life Directions Training Center continued to provide comprehensive and targeted support services to single parents to help them gain new skills, increase their employability, and achieve greater financial stability. Throughout the year, the center successfully served over 300 single parents, with an emphasis on personalized coaching, career guidance, housing stabilization, access to educational resources, access to medical care and social support.

Key highlights from the 2024 reporting year include:

- Increased enrollment and participation rates among single parents seeking training and development opportunities.
- Expansion of partnerships with local businesses and organizations to enhance job placement and career advancement prospects for program participants.
- Implementation of innovative training programs and workshops tailored to the specific needs and aspirations of single parents.
- Continued success in securing funding and grants to support the center's operations and growth initiatives.

Overall, the New Life Directions Training Center for Single Parents made significant strides in empowering and equipping single parents with the tools and resources needed to build a brighter future for themselves and their families. The dedication and commitment of the staff and leadership have contributed to the center's continued success in fulfilling its mission and making a positive impact in the community.

Looking ahead, the New Life Directions Training Center remains committed to expanding its reach, enhancing program offerings, and fostering partnerships that will further empower single parents to achieve their goals and thrive in all aspects of their lives.

Our Mission

Engage:

We engage single parents through personalized coaching and mentorship programs, interactive workshops and trainings, and community events that foster connection and collaboration.

Encourage:

We encourage single parents by providing a supportive and uplifting environment where their strengths and potential are recognized and celebrated. Our trauma-informed team offers affirmations, positive reinforcement, and constructive feedback to motivate and inspire them along their journey towards self-improvement and success.

Empower:

We empower single parents by equipping them with the knowledge, skills, and resources needed to take control of their lives and make positive changes. Through our comprehensive services, we help them build confidence, resilience, and independence so they can overcome obstacles, achieve their goals, and create a brighter future for themselves and their families.
