Location: NE Connecticut
Status: Active
Asking Price: \$ 537,000
Gross Revenue: \$1,292,226
FF&E: \$ 240,000

Business Description:

Purchase one or all 3 locations. All are located in beautiful northeast Connecticut near the campus of one of Connecticut's finest universities. One of the locations is actually on campus, one is located in the newly restored downtown area near the school and the other is about 15 minutes away, one block from another university (this location is available with or without the real estate). All 3 stores are very well established, since 1982, 1998 and 1999.

These locations are popular with the student population and the locals. With the large student population, these restaurants fit very well into the student budget and are very competitive in today's economy. The current owner is absentee so a working owner should be able to increase sales and profits.
