# REDISCOVER THE PROPERTY MANAGEMENT INC APP

Stay connected with your community from anywhere. Make seamless payments, reserve amenities, access community events and more all from the Property Management Inc App, linked directly from your Homeowner Web Portal.

Features:

- **Reserve amenities effortlessly:** Experience the convenience of instant reservations right from your phone.
- **Make easy payments:** View balances and make secure and recurring payments. Say goodbye to late fees.
- **Submit architectural requests:** Need to build a fence? Submit your requests and attach any pictures straight from your phone.
- **Work orders:** Submit and check on the status of work orders.
