Work standards - All arboricultural operations will follow the latest version of the ANSI Z133.1 industry safety standards. Pruning shall be done in accordance with ANSI A300 Pruning Standards.

Scheduling - All work requires a signed contract, or confirmation email, or phone confirmation before being placed on the schedule. As signed contracts are received, they are scheduled on a first come first serve basis. Weather, labor, and other causes beyond our control, can have an impact on the schedule. Emergency work will have priority over all other work.

Concealed Contingencies - Tree King Tree Services, Inc. will make every effort to protect your property, but we can assume no responsibility for any damages to underground sprinklers, drain lines, invisible fences, or underground cables, unless the system(s) are adequately and accurately mapped by the authorizing party and a copy is presented before or at the time the work is performed.

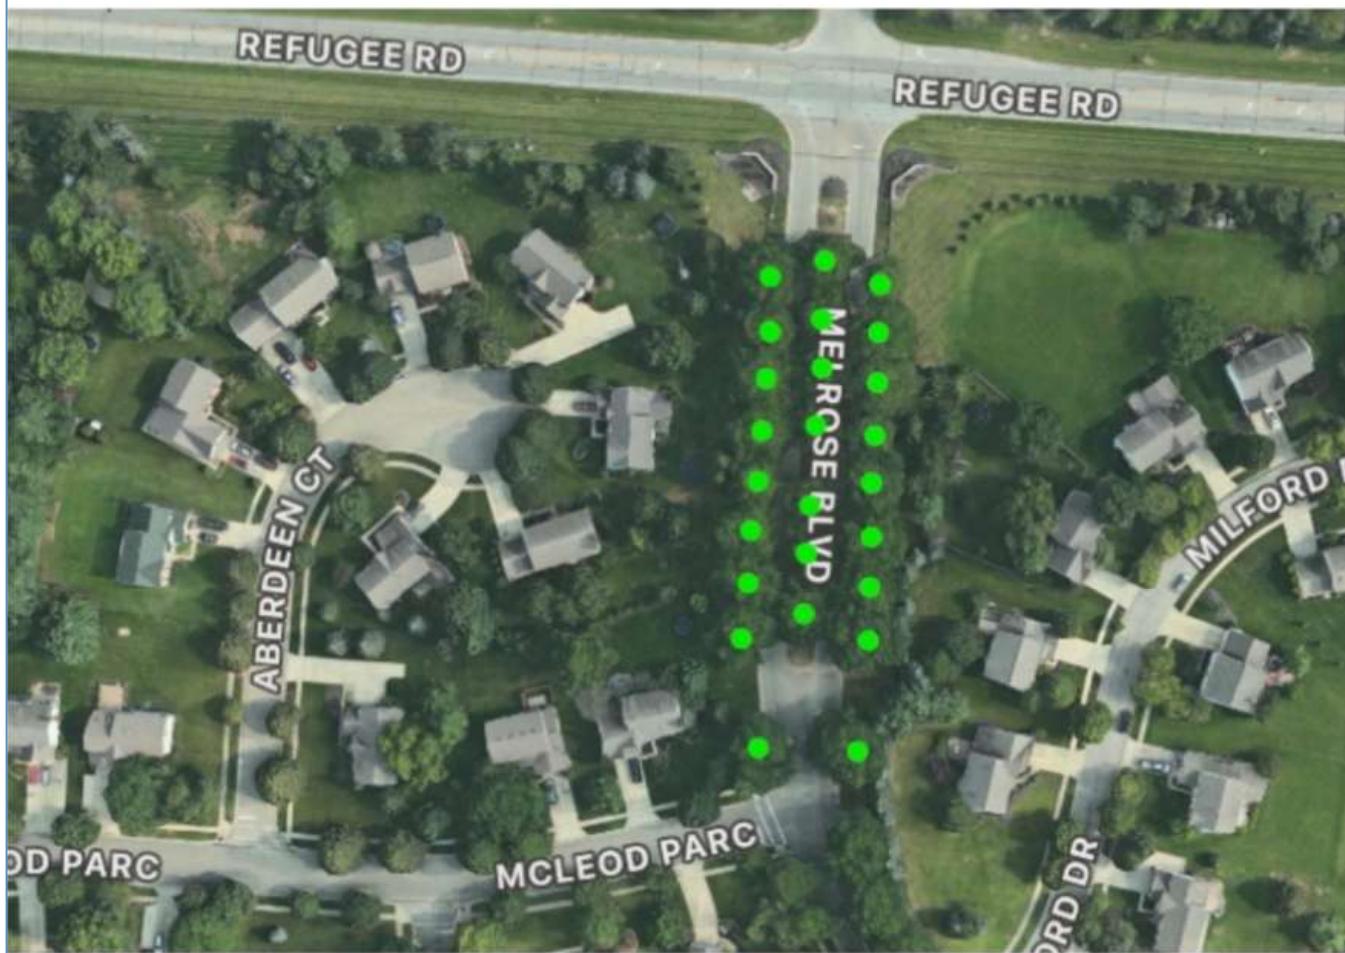

Hardscapes - Contractor will attempt to minimize impact to surfaces including asphalt, concrete and pavers. However cracks, divots, scrapes, and broken pavement may happen during the course of work. Repairs are not covered in the contract price.

Lawn/Landscape Repair - Contractor will attempt to minimize disturbance to the customer's lawn. Lawn repairs are not included in the contract price.

Customer Concerns - Any concerns with services need to be received within 60 days of service.

Tree King Tree Services, Inc. is fully insured and covered by workers compensation. Copies of both certificates are available upon request.
