The members of the Association are and shall be lot owners, and the Association's purposes is and will be to maintain the entranceway and amenities to Melrose Subdivision and common areas, and to enforce restrictions and conditions under which the maintenance will be carried out along with the enforcement of these restrictions, all as set forth herein. The Association may, by a majority vote, adopt a set of by-laws and promulgate rules and regulations concerning maintenance of the entranceways and the establishment and collection of assessments.

All rights and obligations reserved to Grantor herein will pass to the Association when Grantor has conveyed all of the lots of the Premises to third party grantees-buyers, provided however, that the Association will be responsible for Architectural Control for individual lots in the Premises subsequent to the time any such lots have been conveyed to a third-party grantee-buyer who is a member of the Association.

(B) Association Members. Every owner of a lot except for Grantor, shall become a member of the Association, and each such owner, shall be entitled to one vote on each matter submitted to vote of the members for each lot owned by him, her or it; provided, however, that where title to a lot is in more than one person, such co-owners acting jointly shall be entitled to but one vote.

(C) Maintenance of the Amenities at the Route 256 Entrance. Grantor shall have the responsibility for the reasonable and proper maintenance of the Route 256 entrance amenities including mowing, pond and fence maintenance, trimming and landscaping through 1997. Grantor and the Association will equally share such costs for 1998 by mutual agreement. The Association will assume responsibility for all other costs of caring for the entranceways and other amenities.

(D) Alterations to Entranceways and Amenities. Except as provided for herein, the Association has assumed the responsibility for maintaining the entranceways and amenities as provided in Section 12. No building, wall, fence, other structure or landscaping shall be added to or removed from the entranceway improvements and amenities without the consent, in writing, by the Association. Such consent shall be provided for by the Association according to its rules and regulations established for maintenance of the entranceways and amenities.

(E) Assessments. The Association shall be empowered to collect assessments from its members for the maintenance of any and all entranceways and amenities or as otherwise approved by the members of the Association. Any assessments established by the Association, from time to time, shall be levied in equal amounts as to each of the lots, other than special assessments as provided for in the Code Of Regulations. As soon as it shall be practicable

after determination that an assessment is needed, the Association shall send a written statement to each lot owner setting forth the amount and method of calculation of the amount assessed against each lot, and the time when the same is due. The assessment may be billed in a lump sum, as the Association shall, in its sole discretion, determine. No assessments shall become due and payable unless written notice has been sent or delivered to the lot owner obligated to pay the same at least ten (10) days prior to the due date thereof.

In the event any amount so assessed or levied is not paid when due and remains in arrears for more than thirty (30) days, the Association may charge interest on the entire unpaid balance at the highest rate of interest then permitted by law or such lower rate as the Association may from time to time determine and cause to be filed with the Recorder of Fairfield County, Ohio, a notice of lien describing the lot, the assessment amount and interest due, and executed in accordance with the formalities then required to record a lien against real estate. All assessments, together with interest and cost, shall be a charge and a continuing lien in favor of the Association upon the lot against which each such assessment is made. Each assessment, together with interest and costs, shall also be the joint and several personal obligation of the lot owners who owned the lot at the time when the assessment fell due.

Upon written demand by a lot owner, the Association shall, within a reasonable period of time, issue and furnish to each lot owner a certificate stating that all assessments or installments thereof, including interest and costs, if any, have been paid with respect to any specified lot as of the date of such certificate, or, if all assessments and installments thereof have not been paid, setting forth the amount, including interest and costs, if any, due and payable as of such date. The Association may make a reasonable charge for the issuance of such certificates, which must be paid at the time that the request for such certificate is made. Any such certificate, when duly issued as herein provided, shall be conclusive and binding with regard to any matter therein stated as between the Association and any bona fide purchaser of, or lender on, the lot in question.

Notwithstanding the foregoing, the lien of the assessments provided for herein shall be subject and subordinate to the lien of any duly executed first mortgage on a lot recorded prior to the date on which such lien of the Association arises, and any holder of such first mortgage which comes into possession of a lot pursuant to the remedies provided in the mortgage, foreclosure of the mortgage, or deed or assignment in lieu of foreclosure, and any purchaser at a foreclosure sale, shall take the lot free of any claims for unpaid installments of assessments or charges against

the mortgaged lot which become due and payable prior to the time such holder or purchaser takes title to that lot.

(F) Authority to Assign or Enter Into Contracts. Any of the rights, powers, duties and obligations of the Association, which, like this instrument are to be assumed by the Association, may, after such assumption, be assigned or transferred by the Association to any one or more corporations, associations or entities which will agree to assume such rights, powers, duties and obligations and carry out and perform the same. Further, the Association shall have the power and authority to contract with any person, corporation, firm or other entity for the exercise of any one or more of the various powers and authority granted to and duties to be performed by the Association hereunder.

26. Term. These covenants are to run with the land and shall be binding on all parties and all persons claiming under them for a period of thirty (30) years from the date this Deed is recorded, after which time said covenants shall be automatically extended for a successive period of ten (10) years unless an instrument signed by a majority of the then owners of the lots has been recorded, agreeing to change the covenants in whole or in part.

27. Enforcement. In connection with the restrictions, it is hereby provided that if, in the opinion of Grantor, the enforcement of the provisions hereof would work an undue hardship by reason of the shape, dimensions or topography of any of the lots or by reason of the shape, dimensions or type of building proposed to be erected on any of the lots, Grantor may, with the consent of the Association, permit variations in size, type, location or otherwise that will not, in its sole discretion, do material damage to any abutting or adjacent property. Enforcement shall be by proceedings at law or in equity against any person or persons violating or attempting to violate any covenant, either to restrain violation or to recover damages. Grantor reserves the right in case of any violation or breach of any of the restrictions to enter the property upon which or as to which such violation or breach exists, and to summarily abate and remove, at the expense of the owner, any building, thing or condition that may be or exist thereon contrary to the intent and meaning of the provision hereof as interpreted by Grantor; and Grantor shall not, by reason thereof, be deemed guilty of any manner of trespass for such entry, abatement or removal. Further, Grantor may enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any breach of these restrictions except as otherwise specifically provided for herein. Except as otherwise specifically provided herein, enforcement of these restrictions will be by the Association when Grantor has conveyed all of the lots of the Premises to third party grantees-buyers.

28. Severability. Invalidation of any one of these covenants by judgment or court order shall in no way affect any of the other provisions which shall remain in full force and effect.
