

RSC HealthCare is looking for Certified Nursing Assistants / CNAs. At RSC HealthCare, you can really care for your patients - and your thoughts, opinions and expertise will always be respected.

As a Certified Nursing Assistant / CNA at RSC HealthCare, you will:

- Handle and serve residents in a manner conducive to their safety and comfort, under the direction of a licensed nurse
- Perform all duties in accordance with established methods, techniques and recognized standards
- Assist licensed nurses in admitting, admitting assessments, discharging, transferring and caring for the residents' personal belongings
- Perform ADLs
- Coordinate scheduling for residents requiring OT, PT and ST
- Take and record weights, blood pressures, temperatures, pulse and respiration and give skin care treatments, as permitted by state regulation
- Apply simple clean dressings, slings, stockings and support bandages, under direction of the licensed nurse, by state regulation
- Provide direct care to the more acutely ill residents
- Obtain clean linens and supplies, clean utility rooms, kitchen areas and all other nursing areas, as assigned. Clean resident equipment - maintain clean resident conditions and report on resident status or family concerns to a licensed nurse

* Receive and escort visitors; collect charts, records and reports * Help to orient and mentor new nursing assistants

- Put resident service first: Ensure that residents and families receive the highest quality of service in a caring and compassionate atmosphere, which recognizes the individual's needs and rights
- Perform other duties as requested

Certified Nursing Assistant / CNA Requirements: - Minimum of a high school education or high school equivalency diploma preferred - Ability to read, write and understand the English language is mandatory - A minimum of 12 hours continuing education programs provided by the center to maintain certification - Successful completion of a state-approved CNA program
