

2026 Agenda at a Glance
Run Learning as a Business – Faster, Cheaper, Better in the AI Era

Join 25 other senior leaders for a no-panels - no spectators executive workgroup to explore the future of learning and develop a blueprint in the next 6-24 months.

Arrive Monday afternoon and meet for an invitation-only cocktail session at 6PM with our CLO host. We kick off Tuesday at 9AM—and wrap by 3PM Wednesday. This is a builder’s lab. Come ready to work with peers, pressure test ideas, make decisions, and walk out with a 6-24-month blueprint you’ll use. Business casual. Two nights meals and lodging included.
